Assessment Rates

The Department will determine and the U.S. Bureau of Customs and Border Protection (CBP) shall assess antidumping duties on all appropriate entries. We intend to issue appropriate assessment instructions directly to CBP 15 days after publication of these amended final results of reviews. Where the importer-/customer-specific assessment rate or amount is above *de minimis*, we will instruct CBP to assess duties on all entries of subject merchandise by that importer or for that customer.

We will also direct CBP to collect cash deposits of estimated antidumping duties on all appropriate entries in accordance with the procedures discussed in the Final Results and at the rates as amended by this notice. The amended deposit requirements are effective for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date these amended final results are published in the **Federal Register** (except no cash deposit will be required for Mori Seiki Co., Ltd., which has a weighted-average margin of 0.19 percent which is *de minimis*, i.e., less than 0.5 percent).

We are issuing and publishing these determinations and notice in accordance with sections 751(a)(1) and 777(i) of the Tariff Act of 1930, as amended, and 19 CFR § 351.224(e).

Canned Pineapple Fruit from Thailand: Extension of Time Limit for Final Results of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: November 16, 2007.

FOR FURTHER INFORMATION CONTACT: Myrna Lobo or Douglas Kirby, AD/CVD Operations, Office 6, Import Administration, International Trade Administration, Department of Commerce, Room 7866, 14th Street and Constitution Avenue, NW, Washington DC 20230; telephone: (202) 482-2371 or (202) 482-3782, respectively.

Background

On August 8, 2007, the Department published the preliminary results of the administrative review of the antidumping duty order on canned pineapple fruit (CPF) from Thailand for the period July 1, 2005 through June 30, 2006. *See Canned Pineapple Fruit from Thailand: Preliminary Results of Antidumping Duty Administrative Review*, 72 FR 44490 (August 8, 2007). This review covers two producers/exporters of the subject merchandise to the United States, Vita Food Factory (1989) Ltd. (Vita) and Tropical Food Industries Co. Ltd. (Trofco).

Extension of Time Limit for Final Results

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act) requires the Department to issue the final results in an administrative review within 120 days of the publication date of the preliminary results. However, if it is not practicable to complete the review within this time period, section 751(a)(3)(A) of the Act allows the Department to extend the time limit for the final results to a maximum of 180 days. The Department has determined that completion of the final results of this review within the original time period is not practicable due to the additional analysis that must be performed on the information collected at verification conducted since the issuance of the preliminary results. Specifically, the Department requires additional time to analyze selling agent relationships pertaining to respondent. Thus, in accordance with section 751(a)(3)(A) of the Act, the Department is extending the time period for issuing the final results of review by an

additional 60 days, until February 4, 2008.

This notice is published pursuant to sections 751(a)(3)(A) and 777(i)(1) of the Act.

Dated: November 7, 2007.

Deputy Assistant Secretary for Import Administration.

Fresh Garlic from the People's Republic of China: Extension of Time Limits for the Preliminary Results of the New Shipper Reviews

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: November 16, 2007.

FOR FURTHER INFORMATION CONTACT: Julia Hancock, AD/CVD Operations, Office 9, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230; telephone: (202) 482-1394.

Background

On July 12, 2007, the Department published a notice of initiation of new shipper reviews of fresh garlic from the PRC covering the period November 1, 2006, through April 30, 2007. *See Fresh Garlic from the People's Republic of China: Initiation of New Shipper Reviews*, 72 FR 38057 (July 12, 2007). The preliminary results of these new shipper reviews are currently due no later than December 26, 2007.

Statutory Time Limits

Section 751(a)(2)(B)(iv) of the Tariff Act of 1930, as amended (the "Act"), provides that the Department will issue the preliminary results of a new shipper review of an antidumping duty order within 180 days after the day on which the review was initiated. *See also* 19 CFR 351.214 (i)(1). The Act further provides that the Department may extend that 180-day period to 300 days if it determines that the case is extraordinarily complicated. *See* 19 CFR 351.214 (i)(2).

Extension of Time Limit of Preliminary Results

The Department determines that these new shipper reviews involve extraordinarily complicated

methodological issues such as the use of intermediate input methodology, potential affiliation issues, the examination of importer information and the evaluation of the *bona fide* nature of each company's sales. Therefore, in accordance with section 751(a)(2)(B)(iv) of the Act and 19 CFR 351.214(i)(2), the Department is extending the time limit for these preliminary results by 90 days, until no later than March 25, 2008. The final results continue to be due 90 days after the publication of the preliminary results.

We are issuing and publishing this notice in accordance with sections 751(a)(2)(B)(iv) and 777(i) of the Act.

Dated: November 5, 2007.

Deputy Assistant Secretary for Import Administration.

Honey From the People's Republic of China: Extension of Preliminary Results of Antidumping Duty Administrative Review and Antidumping Duty New Shipper Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce ("the Department") is further extending the time limit for the preliminary results of the aligned administrative and new shipper reviews of honey from the People's Republic of China ("PRC"). These reviews cover the period December 1, 2005, through November 30, 2006.

EFFECTIVE DATE: November 16, 2007.

FOR FURTHER INFORMATION CONTACT: Bobby Wong or Michael Quigley, AD/CVD Operations, Office 9, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482-0409 or (202) 482-4047, respectively.

SUPPLEMENTARY INFORMATION:

Background

On December 10, 2001, the Department published in the **Federal Register** an antidumping duty order covering honey from the PRC. See *Notice of Amended Final Determination*

of Sales at Less Than Fair Value and Antidumping Duty Order; Honey from the People's Republic of China, 66 FR 63670 (December 10, 2001). On February 2, 2007, the Department published a notice of initiation of the administrative review of the antidumping duty order on honey from the PRC. See *Initiation of Antidumping and Countervailing Duty Administrative Reviews and Request for Revocation in Part*, 72 FR 5005 (February 2, 2007). On February 5, 2007, the Department published a notice of initiation of the antidumping new shipper review of honey from the PRC. See *Honey from the People's Republic of China: Initiation of New Shipper Antidumping Duty Reviews*, 72 FR 5265 (February 5, 2007). On February 23, 2007, the Department aligned the new shipper review and the administrative review. See Letter from Christopher Riker: Antidumping Duty New Shipper Review of Honey from the People's Republic of China ("PRC"): Alignment with Administrative Review, dated February 23, 2007.

On July 31, 2007, the Department published a notice extending the deadline of the preliminary results by 90 days, currently due no later than December 3, 2007. See *Honey From the People's Republic of China: Extension of Preliminary Results of Antidumping Duty Administrative Review and Antidumping Duty New Shipper Review*, 72 FR 41710 (July 31, 2007).

Statutory Time Limits

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended ("the Act"), requires the Department to make a preliminary determination within 245 days after the last day of the anniversary month of an order for which a review is requested, and a final determination within 120 days after the date on which the preliminary results are published. However, if it is not practicable to complete the review within these time periods, section 751(a)(3)(A) of the Act allows the Department to extend the time limit for the preliminary determination to a maximum of 365 days after the last day of the anniversary month.

Extension of Time Limit for Preliminary Results of Review

We determine that it is not practicable to complete the preliminary results of these administrative and new shipper reviews within the original time limit because the Department requires additional time to conduct verification and evaluate the most appropriate surrogate value data to use during the period of review. Therefore, the

Department is extending the time limit for completion of the preliminary results of the aligned administrative and new shipper reviews by an additional 16 days. The preliminary results will now be due no later than December 17, 2007. The final results continue to be due 120 days after the publication of the preliminary results.

We are issuing and publishing this notice in accordance with sections 751(a)(3)(A) and 777(i) of the Act.

Dated: November 7, 2007.

Deputy Assistant Secretary for Import Administration.
