

revocation of the antidumping duty order on stainless steel bar from the United Kingdom with respect to SAF 2507 grade bar. *See Initiation and Preliminary Results*. On October 25, 2007, the Domestic Industry submitted a letter reiterating that it does not object to the exclusion of SAF 2507 grade bar from the order.

Scope of the Order

For purposes of this order, the term "stainless steel bar" includes articles of stainless steel in straight lengths that have been either hot-rolled, forged, turned, cold-drawn, cold-rolled or otherwise cold-finished, or ground, having a uniform solid cross section along their whole length in the shape of circles, segments of circles, ovals, rectangles (including squares), triangles, hexagons, octagons, or other convex polygons. Stainless steel bar includes cold-finished stainless steel bars that are turned or ground in straight lengths, whether produced from hot-rolled bar or from straightened and cut rod or wire, and reinforcing bars that have indentations, ribs, grooves, or other deformations produced during the rolling process.

Except as specified above, the scope does not include stainless steel semi-finished products, cut length flat-rolled products (*i.e.*, cut length rolled products which if less than 4.75 mm in thickness have a width measuring at least 10 times the thickness, or if 4.75 mm or more in thickness having a width which exceeds 150 mm and measures at least twice the thickness), products that have been cut from stainless steel sheet, strip or plate, wire (*i.e.*, cold-formed products in coils, of any uniform solid cross section along their whole length, which do not conform to the definition of flat-rolled products), and angles, shapes and sections.

Also excluded from the scope of the order is grade SAF 2507 stainless steel bar. SAF 2507 is cold worked and finished Super Duplex stainless steel bar material having either a round or hexagonal cross section, conforming to UNS S32750, having a minimum elevated tensile strength in excess of 140 KSI, and a PRE (pitting resistant equivalent) value of 42.5 minimum, supplied in straight bar lengths. SAF 2507 grade stainless steel bar is currently classified under HTSUS subheadings 7222.20.00.45 and 7222.20.00.75.

The stainless steel bar subject to this order is currently classifiable under subheadings 7222.11.00.05, 7222.11.00.50, 7222.19.00.05, 7222.19.00.50, 7222.20.00.05, 7222.20.00.45, 7222.20.00.75, and

7222.30.00.00 of the *Harmonized Tariff Schedule of the United States* (HTSUS). Although the HTSUS subheadings are provided for convenience and customs purposes, the written description of the scope of this order is dispositive.

Final Results of Changed Circumstances Review and Revocation of Order in Part

Pursuant to sections 751(d)(1) and 782(h)(2) of the Tariff Act of 1930, as amended (the Act), the Department may partially revoke an antidumping duty order based on a review under section 751(b) of the Act (*i.e.*, a changed circumstances review). Section 751(b)(1) of the Act requires a changed circumstances review to be conducted upon receipt of a request which shows changed circumstances sufficient to warrant a review.

In the instant review, based on the information provided by Swagelok and the lack of interest on the part of the Domestic Industry, the Department found preliminarily that the continued relief provided by the order with respect to the product in question from the United Kingdom is no longer of interest to the Domestic Industry. *See Initiation and Preliminary Results*. We did not receive any comments objecting to our preliminary results. Therefore, the Department is partially revoking the order on stainless steel bar from the United Kingdom with respect to grade SAF 2507 stainless steel bar, as described in the Scope of the Order section of this notice.

We will instruct U.S. Customs and Border Protection (CBP) to liquidate without regard to antidumping duties and to refund any estimated antidumping duties collected on entries of all shipments of the product in question that are not covered by the final results of an administrative review or automatic liquidation. The most recent period for which the Department has completed an administrative review or ordered automatic liquidation under 19 CFR 351.212(c) is March 1, 2006, through February 28, 2007. Any prior entries are subject to either the final results of review or automatic liquidation. Therefore, we will instruct CBP to liquidate, without regard to antidumping duties, shipments of stainless steel bar from the United Kingdom meeting the specifications of the product in question entered, or withdrawn from warehouse, for consumption on or after March 1, 2007. We will also instruct CBP to release any cash deposits or bonds and pay interest on such refunds in accordance with section 778 of the Act and 19 CFR 351.222(g)(4). The Department intends

to issue assessment instructions to CBP 15 days after the date of publication of these final results of review.

This notice serves as a reminder to parties subject to administrative protective orders (APOs) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.306. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a sanctionable violation.

This determination is issued and published in accordance with sections 751(b)(1) and 777(i)(1) of the Act and 19 CFR 351.216.

Dated: November 15, 2007.

David M. Spooner,

Assistant Secretary for Import Administration.

BILLING CODE 3510-DS-P

DEPARTMENT OF COMMERCE

Minority Business Development Agency

[Docket No.: 071116709-7711-01]

Extension of the Award Period for Certain Minority Business Enterprise Centers

AGENCY: Minority Business Development Agency, Commerce.

ACTION: Notice.

SUMMARY: The Minority Business Development Agency (MBDA) is publishing this notice to allow for up to a 180-day funded extension, on a non-competitive basis, of the overall award periods for those Minority Business Enterprise Centers (MBECs) identified in this notice. MBDA is taking this action to allow for continued program delivery by the incumbent MBEC operators while MBDA completes the competitive solicitation and award processes for the next three (3) year MBEC award period.

DATES: The award period and related funding, if approved by the Department of Commerce Grants Officer, will commence January 1, 2008 and will continue for a period not to exceed 180 days.

FOR FURTHER INFORMATION CONTACT: Mr. Efrain Gonzalez, Chief, Office of Business Development, Minority Business Development Agency, 1401 Constitution Avenue, NW., Room 5075, Washington, DC 20230. Mr. Gonzalez

may be reached by telephone at (202) 482-1940 and by e-mail at egonzalez@mbda.gov.

SUPPLEMENTARY INFORMATION: Pursuant to Executive Order 11625, the MBEC Program provides standardized business assistance and development services directly to eligible minority-owned businesses. The MBEC Program is a key component of MBDA's overall business development assistance program and promotes the growth and competitiveness of minority business enterprises and further incorporates an entrepreneurial approach to the delivery of client services. This entrepreneurial strategy expands the reach and service delivery of the MBEC Program by requiring project operators to develop and to build upon strategic alliances with public and private sector partners as a means of serving eligible businesses within each MBEC's applicable geographical service area.

This notice amends MBDA's prior **Federal Register** notice dated August 17, 2004 (69 FR 51064), as amended on March 19, 2007 (72 FR 12769), to allow for up to a 180-day funded extension, on a non-competitive basis, of the overall award period for the following three MBECs: Miami/Ft. Lauderdale MBEC (M. Gill and Associates); Oklahoma City MBEC (Langston University); and the Honolulu MBEC (University of Hawaii). MBDA is taking this action to allow for continued program delivery by the incumbent MBEC operators while MBDA completes the competitive solicitation and award processes for the next three (3) year MBEC award period.

The allowable award extensions and additional funding set forth herein will be made at the sole discretion of MBDA and the Department of Commerce using the evaluation criteria and process used to determine the continuation of funding for the optional third-year of the original award. In making such determinations, the following factors will be considered: (1) The MBEC's program performance rating during the prior program period; (2) the availability of appropriated funds; and (3) MBDA and Department of Commerce priorities. MBDA will review the project's performance rating as evaluated through the standardized performance reports and assessments required under the MBEC Program.

Funding for the allowable award extensions listed in this notice is contingent upon the availability of Fiscal Year 2008 appropriations, which have not yet been appropriated for the NABEC program. MBDA therefore issues this notice subject to the appropriations made available under the

current continuing resolution, H.J. Res. 52, "Making continuing appropriations for the fiscal year 2008, and for other purposes," Public Law 110-92, as amended by H.R. 3222, Public Law 110-116. In no event will MBDA or the Department of Commerce be responsible to cover any costs incurred outside of the current award period by the incumbent operators of the MBEC projects affected by this notice if the MBEC Program fails to receive funding or is cancelled because of other MBDA or Department priorities. Publication of this announcement does not oblige MBDA or the Department to award any extensions or to obligate any available funds for such purpose.

Department of Commerce Pre-Award Notification Requirements for Grants and Cooperative Agreements

The Department of Commerce Pre-Award Notification Requirements for Grants and Cooperative Agreements contained in the December 30, 2004 **Federal Register** notice (69 FR 78389) are applicable to this notice.

Executive Order 12866

This notice has been determined to be not significant for purposes of E.O. 12866.

Executive Order 13132 (Federalism)

It has been determined that this notice does not contain policies with Federalism implications as that term is defined in Executive Order 13132.

Administrative Procedure Act/Regulatory Flexibility Act

Prior notice and an opportunity for public comment are not required by the Administrative Procedure Act for rules concerning public property, loans, grants, benefits, and contracts (5 U.S.C. 553(a)(2)). Because notice and opportunity for comment are not required pursuant to 5 U.S.C. 553 or any other law, the analytical requirements of the Regulatory Flexibility Act (5 U.S.C. 601 *et seq.*) are inapplicable. Therefore, a regulatory flexibility analysis is not required and has not been prepared.

Authority: 15 U.S.C. 1512 and Executive Order 11625.

Dated: November 16, 2007.

Ronald J. Marin,

Financial Management Officer, Minority Business Development Agency.
