Inviting Rural Business Enterprise Grant Program Preapplications for Technical Assistance for Rural Transportation Systems

AGENCY: Rural Business-Cooperative Service, USDA.

ACTION: Notice.

SUMMARY: The Rural Business-Cooperative Service (RBS), an Agency within the USDA Rural Development mission area, announces the availability of two individual grants: one grant from the passenger transportation funds appropriated for the Rural Business Enterprise Grant (RBEG) program and another grant for Federally Recognized Native American Tribes' (FRNAT) from funds appropriated for the RBEG program. USDA Rural Development will administer these awards under the RBEG program and 7 U.S.C. 1932(c)(2) for fiscal year (FY) 2008. Historically, Congress has appropriated funding for these specific programs. This notice is being issued prior to passage of a FY 2008 Appropriations Act, which may or may not provide an appropriation for these programs, to allow applicants sufficient time to leverage financing, submit applications, and give the Agency time to process applications within the current fiscal year. A subsequent notice identifying the amount received in the appropriations will be published, if any. Each grant is to be competitively awarded to a qualified national organization. One grant is for the provision of technical assistance to rural transportation projects. The other grant is for the provision of technical assistance to rural transportation projects operated by FRNAT's only. This notice will be amended to publish final funding levels, if any.

DATES: The deadline for receipt of preapplications in the USDA Rural Development State Office is January 31, 2008. Applications received at a USDA Rural Development State Office after

that date will not be considered for FY 2008 funding.

SUPPLEMENTARY INFORMATION:

Overview

Federal Agency: Rural Business-Cooperative Service (Rural Development).

Funding Opportunity Title: Rural Business Enterprise Grants.

Announcement Type: Initial Announcement.

Catalog of Federal Domestic Assistance Number: 10.769.

Dates: Application Deadline: Completed applications must be received in the USDA Rural Development State Office no later than January 31, 2008, to be eligible for FY 2008 grant funding. Applications received after this date will not be eligible for FY 2008 grant funding.

I. Funding Opportunity Description
The RBEG program is authorized by section 310B(c)(2) of the Consolidated Farm and Rural Development Act (CONACT) (7 U.S.C. 1932(c)(2)). Regulations are contained in 7 CFR part 1942, subpart G. The primary objective of the program is to improve the economic conditions of rural areas. The program is administered on behalf of RBS at the State level by the USDA Rural Development State Offices. Assistance provided to rural areas under this program may include on-site technical assistance to local and regional governments, public transit

agencies, and related nonprofit and for-profit organizations in rural areas; the development of training materials; and the provision of necessary training assistance to local officials and agencies in rural areas.

Awards under the RBEG passenger transportation program will be made on a competitive basis using specific selection criteria contained in 7 CFR part 1942, subpart G, and in accordance with section 310B(c)(2) of the CONACT. Information required to be in the application package include Forms SF 424; "Application for Federal Assistance;" RD 1940-20, "Request for Environmental Information;" Scope of Work Narrative; Income Statement; Balance Sheet or Audit for previous 3 years; AD-1047, "Debarment/Suspension Certification;" AD-1048, "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion;" AD-1049, "Certification Regarding Drug-Free Workplace Requirements;" Restrictions on Lobbying, RD 400-1; "Equal Opportunity Agreement;" RD 400-4, "Assurance Agreement;" Letter stating Board authorization to obtain assistance; and Letter certifying citizenship, as referenced in 7 CFR 1942.307(b). For the FRNAT grant, which must benefit Federally Recognized Native American Tribes, at least 75 percent of the benefits of the project must be received by members of Federally Recognized Native American Tribes. The project that scores the greatest number of points based on the RBEG selection criteria and the discretionary points will be selected for each grant. Applications will be tentatively scored by the State Offices and submitted to the National Office for review, final scoring, and selection.

Applicants must be qualified national nonprofit organizations with experience in providing technical assistance and training to rural communities for the purpose of improving passenger transportation service or facilities. To be considered "national" RBS requires a qualified organization to provide evidence that it operates rural transportation assistance programming in multiple States. There is not a requirement to use the grant funds in a multi-State area. Under this notice, grants will be made to qualified, private, nonprofit organizations for the provision of technical assistance and training to rural communities for the purpose of improving passenger transportation services or facilities.
