PENSION BENEFIT GUARANTY CORPORATION

PBGC Flat Premium Rates

AGENCY: Pension Benefit Guaranty Corporation.

ACTION: Notice of flat premium rates.

SUMMARY: This notice informs the public of the PBGC flat premium rates for premium payment years beginning in 2008. These rates can be derived from information published elsewhere but are published in this notice for the convenience of the public.

DATES: The flat premium rates apply to premium payment years beginning in 2008.

FOR FURTHER INFORMATION CONTACT:

Catherine B. Klion, Manager, Regulatory and Policy Division, Legislative and Regulatory Department, Pension Benefit Guaranty Corporation, 1200 K Street, NW., Washington, DC 20005, 202-326-4024. (TTY/TDD users may call the Federal relay service toll-free at 1-800-877-8339 and ask to be connected to 202-326-4024.)

SUPPLEMENTARY INFORMATION: The Pension Benefit Guaranty Corporation (PBGC) administers the pension plan termination insurance program under Title IV of the Employee Retirement Income Security Act of 1974 (ERISA). Pension plans covered by Title IV must pay premiums to PBGC. Section 4006 of ERISA deals with premium rates.

The Deficit Reduction Act of 2005 (Pub. L. 109-171) (DRA 2005) amended section 4006 of ERISA. DRA 2005 changed the per-participant flat premium rate for plan years beginning in 2006 from \$19 to \$30 for single-employer plans and from \$2.60 to \$8 for multiemployer plans and provided for inflation adjustments to the flat rates for future years. The adjustments are based on changes in the national average wage index as defined in section 209(k)(1) of the Social Security Act, with a two-year lag—for example, for 2008, the 2006 index is compared to the baseline (the 2004 index). The new provisions are written in such a way that the premium rate can never go down; if the change in the national average wage index is negative, the premium rate remains the same as in the preceding year. Also, premium rates are rounded to the nearest whole dollar.

The baseline national average wage index, the 2004 index, was \$35,648.55. The 2006 index was \$38,651.41. The ratio of the 2006 index to the 2004 index is 1.084235. Multiplying this ratio by \$30.00 gives \$32.53 which rounds to \$33.00. Multiplying the ratio by \$8.00 gives \$8.67, which rounds to \$9.00. Thus, the 2008 flat premium rates for PBGC's two insurance programs will be \$33.00 per participant for single-employer plans and \$9.00 per participant for multiemployer plans.

The PBGC will publish the flat premium rates annually for the convenience of the public.

Issued in Washington, DC, on this 27th day of November 2007.

Vincent K. Snowbarger,

Deputy Director, Pension Benefit Guaranty Corporation.

SECURITIES AND EXCHANGE COMMISSION

Submission for OMB Review; Comment Request

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of Investor Education and Advocacy, Washington, DC 20549-0213.

Extension:

Rule 7d-1; SEC File No. 270-176; OMB Control No. 3235-0311

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520), the Securities and Exchange Commission ("Commission") has submitted to the Office of Management and Budget a request for extension of the previously approved collection of information discussed below.

Section 7(d) of the Investment Company Act of 1940 (15 U.S.C. 80a-7(d)) (the "Act" or "Investment Company Act") requires an investment company ("fund") organized outside the United States ("foreign fund") to obtain an order from the Commission allowing the fund to register under the Act before making a public offering of its securities through the United States mail or any means of interstate commerce. The Commission may issue an order only if it finds that it is both legally and practically feasible effectively to enforce the provisions of the Act against the foreign fund, and that the registration of the fund is consistent with the public interest and protection of investors.

Rule 7d-1 (17 CFR 270.7d-1) under the Act, which was adopted in 1954, specifies the conditions under which a Canadian management investment company ("Canadian fund") may request an order from the Commission permitting it to register under the Act. Although rule 7d-1 by its terms applies only to Canadian funds, other foreign funds generally have agreed to comply with the requirements of rule 7d-1 as a prerequisite to receiving an order permitting the foreign fund's registration under the Act.

The rule requires a Canadian fund proposing to register under the Act to file an application with the Commission that contains various undertakings and agreements of the fund. Certain of these undertakings and agreements, in turn, impose the following additional information collection requirements:

- (1) The fund must file agreements between the fund and its directors, officers, and service providers requiring them to comply with the fund's charter and bylaws, the Act, and certain other
