BILLING CODE 3510-16-P

POSTAL SERVICE

39 CFR Part 111

Revised Standards for Mailing Adult Fowl

AGENCY: Postal Service.

ACTION: Proposed rule.

SUMMARY: The Postal Service proposes new requirements for containers used for mailing adult chickens. Currently, we require all mailable adult fowl other than chickens to be mailed in containers approved by the manager of Mailing Standards. With this proposal, we intend to require adult chickens to be mailed in approved containers also.

DATES: We must receive your comments on or before March 19, 2007.

ADDRESSES: Mail or deliver written comments to the Manager, Mailing Standards, U.S. Postal Service, 475 L'Enfant Plaza SW., Room 3436, Washington, DC 20260-3436. You may inspect and photocopy all written comments at Postal Service Headquarters Library, 475 L'Enfant Plaza SW., 11th Floor N, Washington, DC between 9 a.m. and 4 p.m., Monday through Friday.

FOR FURTHER INFORMATION CONTACT: Bert Olsen, 202-268-7276.

SUPPLEMENTARY INFORMATION: To promote the safety of Postal Service employees, customers, and all mailed adult fowl, we propose to revise our requirements for containers used for mailing adult chickens. Current mailing standards permit adult chickens to be mailed in containers that pass basic

package performance tests. By contrast, other adult fowl (such as turkeys, guinea fowl, doves, pigeons, pheasants, partridges, and quail) must be mailed in containers approved by the manager of Mailing Standards. The container standards for other adult fowl are more stringent than the standards for adult chickens. Because there is no compelling reason to treat adult chickens differently from other adult fowl, the revised standards will require adult chickens to be mailed in the same containers approved by Mailing Standards for use with other adult fowl.

Vendors who wish to submit a container for USPS approval can contact the office of Mailing Standards for a list of container criteria. Additionally, the term "biologically secure" has been replaced by the word "secure" to eliminate any implication that such packaging will completely prevent the spread of disease during handling.

Although we are exempt from the notice and comment requirements of the Administrative Procedure Act [5 U.S.C. of 553(b), (c)] regarding proposed rulemaking by 39 U.S.C. 410(a), we invite public comment on the following proposed revisions to *Mailing Standards of the United States Postal Service*, Domestic Mail Manual (DMM), incorporated by reference in the Code of Federal Regulations. See 39 CFR 111.1.

a. The mailer must send adult fowl by Express Mail in secure containers approved by the manager of Mailing Standards (see 608.8.0 for address).

SUPPLEMENTARY INFORMATION:

A. Background

FAR Part 3 provides guidance on improper business practices and personal conflicts of interest, but it does not discuss the contractor's responsibilities with regard to code of ethics and business conduct and the avoidance of improper business practices. Currently, three agencies (the Departments of Defense, Veterans Affairs, and the Environmental Protection Agency) maintain policy for contractor code of ethics and business conduct and the contractor's responsibility to avoid improper business practices. With few exceptions, the agencies' clauses and prescriptions are very similar to one another, in that they—establish agency policy and recommend contents of a contractor's

system of management and internal controls in connection with Government contracts; establish contract dollar thresholds for display of the agency Inspector General poster; provide instructions for obtaining the hotline posters; and provide exemptions to displaying posters. However, the agencies' policies differ on the contract dollar thresholds and the address and phone number of the Office of the Inspector General (OIG) to obtain a fraud hotline poster.

In view of the significant sums of Federal dollars spent by agencies to acquire goods and services, this rule establishes a clear and consistent policy regarding contractor code of ethics and business conduct, responsibility to avoid improper business practices, and procedures for displaying an agency OIG Fraud Hotline poster to facilitate the reporting of wrongdoing in Federal contracting. This rule also recognizes the need for agencies to cooperate with the Department of Homeland Security to ensure that contracts funded with disaster assistance funds require display of any event-specific fraud hotline posters announcing ad hoc or other special hotline reporting information applicable to the specific contract. This rule proposes amending the FAR to add FAR Subpart 3.10, Contractor Code of Ethics and Business Conduct, that will—

1. Define the "United States" to mean the 50 States, the District of Columbia and outlying areas as used in FAR 25.003, and exclude contracts performed outside the United States from the requirements of the rule.

2. Include policy stating that contractors "should" have a code of ethics and business conduct.

3. Exclude commercial item contracts awarded pursuant to FAR Part 12 from the requirements of the rule, because the rule will not implement statute or executive order, and because ethics programs and hotline posters are not standard commercial practices as stipulated by the Federal Acquisition Streamlining Act.

4. Provide that contractors receiving awards in excess of \$5,000,000 that have performance periods of 120 days or more, shall have a written code of ethics and business conduct within 30 days after contract award. Furthermore, the contractor shall promote compliance by establishing, within 90 days after contract award, an employee ethics and compliance training program and an internal control system proportionate to the size of the company and extent of its business with the Federal Government.

5. Provide that contractors receiving awards in excess of \$5,000,000 shall
