SUPPLEMENTARY INFORMATION:

Background and Purpose

Section 70110 of the Maritime Transportation Security Act of 2002 (Pub. L. 107-295, Nov. 25, 2002) provides that the Secretary of Homeland Security may impose conditions of entry on vessels requesting entry into the United States arriving from ports that are not maintaining effective anti-terrorism measures. The Coast Guard has been delegated the authority by the Secretary to carry out the provisions of this section. The Docket contains previous notices imposing or removing conditions of entry on vessels arriving from certain countries and those conditions of entry and the countries they pertain to remain in effect unless modified by this notice.

The Coast Guard has determined that ports in Indonesia, with certain exceptions, are not maintaining effective anti-terrorism measures. Accordingly, effective March 10, 2008, Coast Guard will impose the following conditions of entry on vessels that visited ports in Indonesia with the exception of PT Terminal Petikemas Surabaya, Banjarmasin Port, PT Pertamina Unit Pemasaran III Jakarta, Pertamina Unit Pengolahan V Balikpapan, Senipah Terminal Total E&P Indonesia Balikpapan, Caltex Oil Terminal Dumai, Pelindo II Conventional Terminal Jakarta, Jakarta International Container Terminal, PT Pupuk Kaltim Bontang, PT Badak Bontang, PT Indominco Mandiri Bontang, Pertamina Unit Pengolahan II Dumai, PT Pelabuhan Indonesia I Cabang Dumai, Semarang International Container Terminal, Belawan Multi-Purpose Terminal and PT Multimas Nabati Asahan during their last five port calls. Vessels must:

- Implement measures per the ship's security plan equivalent to Security Level 2;
- Ensure that each access point to the ship is guarded and that the guards have total visibility of the exterior (both landside and waterside) of the ship while the ship is in an Indonesian port other than those specified above. Guards may be provided by the ship's crew, however additional crewmembers should be placed on the ship if necessary to ensure that limits on maximum hours of work are not exceeded and/or minimum hours of rest are met, or provided by outside security forces approved by the ship's master and Company Security Officer;
- Attempt to execute a Declaration of Security;
- Log all security actions in the ship's log;
- Report actions taken to the cognizant U.S. Coast Guard Captain of
