The OMB has promulgated regulations describing what must be included in such a document. Under OMB's regulation (at 5 CFR 1320.8(d)), an agency must ask for public comment on the following:

(i) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

(ii) The accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

(iii) How to enhance the quality, utility, and clarity of the information to be collected;

(iv) How to minimize the burden of the collection of information on those who are to respond, including the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g. permitting electronic submission of responses.

In compliance with these requirements, NHTSA asks for public comments on the following proposed collections of information:

Estimated Annual Burden: 780.

Number of Respondents: 56.

Comments are invited on: whether the proposed collections of information are necessary for the proper performance of the functions of the Department, including whether the information will have practical utility; the accuracy of the Department's estimate of the burden of the proposed information collection; ways to enhance the quality, utility and clarity of the information to be collected; and ways to minimize the burden of the collection of information on respondents, including the use of automated collection techniques or other forms of information technology.

BILLING CODE 4910-59-P

DEPARTMENT OF THE TREASURY

Internal Revenue Service

Privacy Act of 1974, as Amended

AGENCY: Internal Revenue Service, Treasury.

ACTION: Notice of Proposed New Privacy Act System of Records.

SUMMARY: In accordance with the requirements of the Privacy Act of 1974, as amended, 5 U.S.C. 552a, the Department of the Treasury, Internal Revenue Service, gives notice of a proposed new system of records entitled "Whistleblower Office Records—Treasury/IRS 42.005."

DATES: Comments must be received no later than February 8, 2008. This new system of records will be effective February 19, 2008 unless the IRS receives comments that would result in a contrary determination.

ADDRESSES: Comments should be sent to the Director, Whistleblower Office, SE:WO, Internal Revenue Service, 1111 Constitution Avenue, NW., Washington, DC 20224. Comments will be available for inspection and copying in the Freedom of Information Reading Room (Room 1621), at the above address. The telephone number for the Reading Room is (202) 622-5164.

FOR FURTHER INFORMATION CONTACT: Director, Whistleblower Office, SE:WO,

Internal Revenue Service, 1111 Constitution Avenue, NW., Washington, DC 20224.

SUPPLEMENTARY INFORMATION: The proposed system will allow the IRS to maintain records pertinent to determining claimants' eligibility for and amount of awards pursuant to 26 U.S.C. 7623. The Whistleblower Office was created by section 406 of the Tax Relief and Health Care Act of 2006. Prior to its amendment by Section 406, 26 U.S.C. 7623 authorized the IRS to pay awards to claimants who provided information that led to the collection of taxes. The IRS maintained a decentralized procedure for processing requests for such awards. Section 406 amended 26 U.S.C. 7623 to establish criteria for the payment of certain awards, and to provide a judicial remedy in the U.S. Tax Court for review of these award determinations. Section 406 of the Act amends section 7623 of the Internal Revenue Code concerning the payment of awards to certain claimants denominated as "whistleblowers." New section 7623(b) provides an award floor based on information regarding tax law violations provided by these claimants. Claimants are eligible for section 7623(b) awards based on the amount collected as a result of any administrative or judicial actions resulting from the information provided.

The Whistleblower Office has responsibility for the administration of a whistleblower program, and the Secretary is required to provide an annual report to Congress on the use of section 7623. Records pertaining to award applications filed prior to the creation of the Whistleblower Office, for which an award has not yet been determined, will also be maintained in this system of records. An exemption rule is being published separately under the rules section of the **Federal Register**.

The report of a new system of records, as required by 5 U.S.C. 552a(r) of the Privacy Act, has been submitted to the Committee on Government Reform of the House of Representatives, the Committee on Homeland Security and Governmental Affairs of the Senate, and the Office of Management and Budget, pursuant to Appendix I to OMB Circular A-130, "Federal Agency Responsibilities for Maintaining Records About Individuals," dated November 30, 2000.

The proposed new system of records entitled "Treasury/IRS 42.005—Whistleblower Office Records" is published in its entirety below.

Dated: December 21, 2007.
