SECURITIES AND EXCHANGE COMMISSION

Proposed Collection; Comment Request

Upon written request, copies available from: U.S. Securities and Exchange Commission, Office of Investor Education and Advocacy, Washington, DC 20549-0213.

Extension:

Rule 15c2-11; OMB Control No. 3235-0202; SEC File No. 270-196.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget for extension and approval.

- Rule 15c2-11 (17 CFR 240.15c2-11)—Initiation or resumption of quotations without specific information

On September 13, 1971, effective December 13, 1971 (*see* 36 FR 18641, September 18, 1971), the Commission adopted Rule 15c2-11 ("Rule 15c2-11" or "Rule") under the Securities Exchange Act of 1934 (15 U.S.C. 78a *et seq.*) to regulate the initiation or resumption of quotations in a quotation medium by a broker-dealer for over-the-counter ("OTC") securities. The Rule was designed primarily to prevent certain manipulative and fraudulent trading schemes that had arisen in connection with the distribution and trading of unregistered securities issued by shell companies or other companies having outstanding but infrequently traded securities. Subject to certain exceptions, the Rule prohibits brokers-dealers from publishing a quotation for a security, or submitting a quotation for publication, in a quotation medium unless they have reviewed specified information concerning the security and the issuer.

Based on information provided by Financial Industry Regulatory Authority, Inc. ("FINRA"), in the 2006 calendar year, FINRA received approximately 970 applications from broker-dealers to initiate or resume publication of covered OTC securities in the OTC Bulletin Board and/or the Pink Sheets or other quotation mediums. We estimate that (i) 80% of the covered OTC securities were issued by reporting issuers, while the other 20% were issued by non-reporting issuers, and (ii) it will take a broker-dealer about 4 hours to review, record and retain the information pertaining to a reporting issuer, and about 8 hours to review, record and retain the information pertaining to a non-reporting issuer.

We therefore estimate that broker-dealers who initiate or resume publication of quotations for covered OTC securities of reporting issuers will require 3,104 hours ($970 \times 80\% \times 4$) to review, record and retain the information required by the Rule. We estimate that broker-dealers who initiate or resume publication of quotations for covered OTC securities of non-reporting issuers will require 1,552 hours ($970 \times 20\% \times 8$) to review, record and retain the information required by the Rule. Thus, we estimate the total annual burden hours for broker-dealers to initiate or resume publication of quotations of covered OTC securities to be 4,656 hours ($3,104 + 1,552$). The Commission believes that these 4,656
