**SUPPLEMENTARY INFORMATION:** Section 8(a)(17) of the Small Business Act (Act), 15 U.S.C. 637(a)(17), requires that recipients of Federal contracts set aside for small businesses, service-disabled veteran-owned small businesses, or SBA's 8(a) Business Development Program provide the product of a small business manufacturer or processor, if the recipient is other than the actual manufacturer or processor of the product. This requirement is commonly referred to as the Nonmanufacturer Rule. The SBA regulations imposing this requirement are found at 13 CFR 21.406(b). Section 8(a)(17)(b)(iv) of the Act authorizes SBA to waive the Nonmanufacturer Rule for any "class of products" for which there are no small business manufacturers or processors available to participate in the Federal market.

As implemented in SBA's regulations at 13 CFR 121.1202(c), in order to be considered available to participate in the Federal market for a class of products, a small business manufacturer must have submitted a proposal for a contract solicitation or received a contract from the Federal government within the last 24 months.

The SBA defines "class of products" based on a six digit coding system. The coding system is the Office of Management and Budget North American Industry Classification System (NAICS).

The SBA is currently processing a request to waive the Nonmanufacturer Rule for Safety Zone Rubber Gloves Manufacturing, North American Industry Classification System (NAICS) code 339113 product number 9999.

The public is invited to comment or provide source information to SBA on the proposed waivers of the Nonmanufacturer Rule for this class of

NAICS code within 15 days after date of publication in the **Federal Register**.

## SMALL BUSINESS ADMINISTRATION

### Small Business Size Standards: Waiver of the Nonmanufacturer Rule

**AGENCY:** U.S. Small Business Administration.

**ACTION:** Notice of intent to Waive the Nonmanufacturer Rule for Trash Bags Manufacturing.

**SUMMARY:** The U.S. Small Business Administration (SBA) is considering granting a request for a waiver of the Nonmanufacturer Rule for Trash Bags Manufacturing. This U.S. industry comprises establishments primarily engaged in (1) converting plastics resins into plastics bags or pouches; and/or (2) forming, coating, or laminating plastics film or sheet into single web or multi-web plastics bags or pouches. Establishments in this industry may print on the bags or pouches they manufacture. According to the request, no small business manufacturers supply this class of product to the Federal government. If granted, the waiver would allow otherwise qualified regular dealers to supply the products of any domestic manufacturer on a Federal contract set aside for small businesses; service-disabled veteran-owned small businesses or SBA's 8(a) Business Development Program.
