

against Coos County for violating the Clean Water Act by discharging pollutants in violation of a permit or without a permit into waters of the United States. The proposed Consent Decree resolves the allegations against Coos County by requiring Coos County to restore the impacted areas, to pay a civil penalty, and to perform supplemental environmental projects.

The Department of Justice will accept written comments relating to this proposed Consent Decree for thirty (30) days from the date of publication of this Notice. Please address comments to Kent E. Hanson, Environmental Defense Section, P.O. Box 23986, Washington, DC 20026-3986, and refer to *United States v. Coos County, Oregon*, DJ #90-5-1-1-17191.

The proposed Consent Decree may be examined at the Clerk's Office, United States District Court for the District of Oregon, Wayne L. Morse US Courthouse, 405 East Eighth Avenue, Room 2100, Eugene, OR 97401. In addition, the proposed Consent Decree may be viewed at http://www.usdoj.gov/enrd/Consent_Decrees.html.

Russell Young,

Assistant Chief, Environmental Defense Section, Environment & Natural Resources Division.

BILLING CODE 4410-15-M

DEPARTMENT OF JUSTICE

Bureau of Alcohol, Tobacco, Firearms and Explosives

[OMB Number 1140-0057]

Agency Information Collection Activities: Proposed Collection; Comments Requested

ACTION: 60-Day Notice of Information Collection Under Review: A National Repository for the Collection and Inventory of Information Related to Arson and the Criminal Misuse of Explosives.

The Department of Justice (DOJ), Bureau of Alcohol, Tobacco, Firearms and Explosives (ATF), will be submitting the following information collection request to the Office of Management and Budget (OMB) for review and approval in accordance with the Paperwork Reduction Act of 1995. The proposed information collection is published to obtain comments from the public and affected agencies. Comments are encouraged and will be accepted for "sixty days" until June 9, 2008. This process is conducted in accordance with 5 CFR 1320.10.

If you have comments especially on the estimated public burden or associated response time, suggestions, or need a copy of the proposed information collection instrument with instructions or additional information, please contact Jose Vazquez, Chief, U.S. Bomb Data Center, 99 New York Avenue, NE., Washington, DC 20226.

Written comments and suggestions from the public and affected agencies concerning the proposed collection of information are encouraged. Your comments should address one or more of the following four points:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agencies estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

Overview of this information collection:

(1) *Type of Information Collection:* Extension of a currently approved collection.

(2) *Title of the Form/Collection:* A National Repository for the Collection and Inventory of Information Related to Arson and the Criminal Misuse of Explosives.

(3) *Agency form number, if any, and the applicable component of the Department of Justice sponsoring the collection:* Form Number: None. Bureau of Alcohol, Tobacco, Firearms and Explosives.

(4) *Affected public who will be asked or required to respond, as well as a brief abstract:* *Primary:* State, Local or Tribal Government. *Other:* Federal Government. All Federal agencies are required to report information relating to arson and the criminal misuse of explosives in a national repository database maintained by the Bureau of Alcohol, Tobacco, Firearms and Explosives (ATF)—United States Bomb Data Center (USBDC). State, Local and Tribal law enforcement agencies report this information on a voluntary basis.

The ATF USBDC maintains all National Repository databases within the Department of Justice.

(5) An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond: It is estimated that 2,000 respondents will report the information within approximately 10 minutes.

(6) An estimate of the total public burden (in hours) associated with the collection: There are an estimated 333 annual total burden hours associated with this collection.

If additional information is required contact: Lynn Bryant, Department Clearance Officer, Policy and Planning Staff, Justice Management Division, Department of Justice, Patrick Henry Building, Suite 1600, 601 D Street, NW., Washington, DC 20530.

Dated: April 4, 2008.

Lynn Bryant,

Department Clearance Officer, PRA, U.S. Department of Justice.

BILLING CODE 4410-FY-P

DEPARTMENT OF LABOR

Bureau of International Labor Affairs; Proposed Collection: Comment Request

ACTION: Notice.

SUMMARY: The Department of Labor, as part of its continuing effort to reduce paperwork and respondent burden, conducts a preclearance consultation program to provide the general public and Federal agencies with an opportunity to comment on proposed and/or continuing collections of information in accordance with the Paperwork Reduction Act of 1995 (PRA95) [44 U.S.C. 3506(c)(2)(A)]. This program helps to ensure that requested data can be provided in the desired format, reporting burden (time and financial resources) is minimized, collection instruments are clearly understood, and the impact of collection requirements on respondents can be properly assessed. Currently, the International Labor Affairs Bureau is soliciting comments concerning the proposed collection regarding the international child labor technical assistance program of the Office of Child Labor, Forced Labor, and Human Trafficking (OCFT). A copy of the proposed information collection request can be obtained by contacting the office listed below in the addresses section of this Notice.

DATES: Written comments must be submitted to the office listed in the

address section below on or before June 9, 2008.

ADDRESSES: Ms. Maureen Jaffe, U.S. Department of Labor, 200 Constitution Avenue, NW., Room S-5317, Washington, DC 20210, telephone (202) 693-4848, fax (202) 693-4830, e-mail jaffe.maureen@dol.gov. Please use only one method of transmission for comments (mail, fax, or e-mail). The telephone and fax numbers listed here are not toll free.

SUPPLEMENTARY INFORMATION:

I. Background

Since 1995, Congress has provided \$660 million to the Department of Labor for efforts to combat exploitive child labor internationally. This funding has been used to support technical cooperation projects in more than 75 countries implemented by over 30 international, nonprofit, for-profit and faith-based organizations. Technical cooperation projects funded by DOL aim to remove and prevent children from exploitive child labor, increase the capacity of foreign governments and civil society organizations to combat exploitive child labor, and to increase public knowledge and understanding of the problem. This is a new data collection that will provide critical information for an evaluation of the impact and effectiveness of OCFT's technical cooperation program. The collection will gather information relating to the issues of program purpose, strategic planning, program management, and program results.

II. Review Focus

The Department of Labor is particularly interested in comments which:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
 - Enhance the quality, utility and clarity of the information to be collected; and
 - Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submissions of responses.

III. Current Actions

The Department of Labor seeks comments concerning the proposed new collection. A contractor has been hired to conduct the evaluation of OCFT's child labor technical assistance program and will collect qualitative and quantitative information. The data will be collected through on-site interviews, focus groups, and an e-mail survey.

Type of Review: New Collection.

Agency: International Labor Affairs Bureau.

Title of Collection: Data collection for OCFT program evaluation.

OMB Control Number: 1290-0NEW.

Affected Public: International organizations, for-profit and not-for-profit institutions, individual households.

Estimated Total Annual Respondents: 309.

Total Annual Responses: This is a one-time data collection effort.

Estimated Total Annual Burden Hours: 845 hours.

Estimated Time per Response: 30 minutes for e-mail survey; 90 minutes for interviews; 90 minutes for focus groups.

Frequency: One time only.

Total Burden Cost (capital/startup): \$0.

Total Burden Cost (operating/maintenance): \$0.

Comments submitted in response to this notice will be summarized and/or included in the request for Office of Management and Budget approval of the information collection request; they will also become a matter of public record.

Signed at Washington, DC, this 3rd day of April, 2008.

Lawrence W. Casey,

Associate Deputy Under Secretary for International Affairs, Bureau of International Labor Affairs.

BILLING CODE 4510-23-P

SUMMARY: Pursuant to the Council on Environmental Quality Regulations (40 CFR part 1500-08) implementing procedural provisions of the National Environmental Policy Act (NEPA), the Department of Labor, Office of the Secretary (OSEC), in accordance with 29 CFR 11.11(d), gives final notice of the proposed construction of a new Job Corps Center located at 4000 Airport Road approximately two miles northwest of Riverton, Wyoming, and that this construction will not have a significant adverse impact on the environment. In accordance with 29 CFR 11.11(d) and 40 CFR 1501.4(e)(2), a preliminary FONSI for the new Job Corps Center was published in the December 12, 2007 **Federal Register** (72 FR Page 70615-70616). No comments were received that related to the environmental findings of the preliminary FONSI. The Job Corps has reviewed the conclusion of the environmental assessment (EA), and agrees with the finding of no significant impact. This notice serves as the Final Finding of No Significant Impact for the new Job Corps Center located at 4000 Airport Road approximately two miles northwest of Riverton, Wyoming. The preliminary FONSI and the EA are adopted in final with no change.

DATES: *Effective Date:* These findings are effective as of March 28, 2008.

FOR FURTHER INFORMATION CONTACT:

Edward C. Campbell, Realty Officer, Department of Labor, U.S. Department of Labor, 200 Constitution Avenue, NW., Room N-4460, Washington, DC 20210, (202) 693-6653 (this is not a toll-free number).

Dated: April 3, 2008.

Esther R. Johnson,

National Director of Job Corps.
