The Office of Personnel Management inadvertently published a notice document in the **Federal Register** of April 11, 2008 (73 FR 19911) titled, "Privacy Act of 1974; New Computer Matching Program Between the Office of Personnel Management and Social Security Administration." This document replaces that notice.

The matching program will begin 30 days after the **Federal Register** notice has been published or 40 days after the date of OPM's submissions of the letters to Congress and OMB, whichever is later. The matching program will continue for 18 months from the beginning date and may be extended an additional 12 months thereafter. Subsequent matches will run until one of the parties advises the other in writing of its intention to reevaluate, modify and/or terminate the agreement.

ADDRESSES: Send comments to Sean Hershey, Chief, Management Information Branch, Office of Personnel Management, Room 4316, 1900 E. Street NW., Washington, DC 20415.

SUPPLEMENTARY INFORMATION:

A. General

The Privacy Act, as amended (5 U.S.C. 552a), establishes the conditions under which computer matching involving the Federal government could be performed and adding certain protections for individuals applying for and receiving Federal benefits. The Privacy Act regulates the use of computer matching by Federal agencies when records in a system of records are matched with other Federal, State, or local government records. Among other things, it requires Federal agencies involved in computer matching programs to:

(1) Negotiate written agreements with the other agency for agencies participating in the matching programs;

(2) Obtain the approval of the match agreement by the Data Integrity Boards (DIB) of the participating Federal agencies;

(3) Furnish detailed reports about matching programs to Congress and OMB;

(4) Notify applicants and beneficiaries that their records are subject to matching;

(5) Verify match findings before reducing, suspending, termination or denying an individual's benefits or payments.

B. OPM Computer Matches Subject to the Privacy Act

We have taken action to ensure that all of OPM's computer matching programs comply with the requirements of the Privacy Act.

E. Privacy Safeguards and Security

The Privacy Act (5 U.S.C. 552a(o)(1)(G)), requires that each matching agreement specify procedures for ensuring the administrative,

SECURITIES AND EXCHANGE COMMISSION

Submission for OMB Review; Comment Request

Upon Written Request,

Copies Available From: Securities and Exchange Commission, Office of Investor Education and Advocacy, Washington, DC 20549-0213.

Comment Request: "Tell Us How We're Doing!"; SEC File No. 270-406; OMB Control No. 3235-0463.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") is soliciting comments on the collection of information summarized below. The Commission plans to submit this previously-approved questionnaire to the Office of Management and Budget for approval.

The Commission currently sends the questionnaire to persons who have used the services of the Commission's Office of Investor Education and Advocacy (OIEA). The questionnaire consists mainly of eight (8) questions concerning the quality of services provided by OIEA. Most of the questions can be answered by checking a box on the questionnaire.

The Commission needs the information to evaluate the quality of services provided by OIEA. Supervisory personnel of OIEA use the information collected in assessing staff performance and for determining what improvements or changes should be made in OIEA operations for services provided to investors.

The respondents to the questionnaire are those investors who request assistance or information from OIEA.

The total reporting burden of the questionnaire in 2007 was approximately 142 hours and 45 minutes. This was calculated by multiplying the total number of investors who responded to the questionnaire times how long it is estimated to take to complete the questionnaire (571 respondents \times 15 minutes = 142 hours and 45 minutes).

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

Please direct your written comments to R. Corey Booth, Director and Chief Information Officer, Office of Information Technology, Securities and Exchange Commission, C/O Shirley Martinson, 6432 General Green Way, Alexandria, VA 22312, or send an e-mail to PRA_mailbox@sec.gov.

Dated: April 10, 2008.

Florence E. Harmon,
Deputy Secretary.

SECURITIES AND EXCHANGE COMMISSION

Submission for OMB Review; Comment Request

Upon written request, copies available from: U.S. Securities and Exchange Commission, Office of Investor Education and Advocacy, Washington, DC 20549-0213.

Extension: Rule 17a-13, OMB Control No. 3235-0035, SEC File No. 270-27.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") has submitted to the Office of Management and Budget ("OMB") a request for approval of the extension of the previously approved collection of information on the following rule: Rule 17a-13 (17 CFR 240.17a-13) under the Securities Exchange Act of 1934 (15 U.S.C. 78a *et seq.*).

Rule 17a-13(b) (17 CFR 17a-13(b)) generally requires that, at least once each calendar quarter, all registered brokers and dealers physically examine and count all securities held, and that they account for all other securities not in their possession, but subject to the broker-dealer's control or direction. Any discrepancies between the broker-dealer's securities count and the firm's records must be noted and, within seven days, the unaccounted for difference must be recorded in the firm's records. Rule 17a-13(c) (17 CFR 240.17a-13(c)) provides that under specified conditions, the securities counts, examination, and verification of the broker-dealer's entire list of securities may be conducted on a cyclical basis rather than on a certain date. Although Rule 17a-13 does not require filing a report with the Commission, discrepancies between a broker-dealer's records and the securities counts may be required to be reported, for example, as a loss on Form X-17A-5 (17 CFR 248.617), which must be filed with the
