SUPPLEMENTARY INFORMATION:

I. Introduction

The Postal Accountability and Enhancement Act (PAEA), Public Law 109-435, 120 Stat. 3218 (2006), directs the Commission to prepare several reports on special topics. One directive requires the Commission to examine an exception to the cooperative mail rule to determine whether this change in eligibility for reduced postage contains adequate safeguards to protect against abuses of rates for nonprofit mail and deception of consumers. The Commission is to report the results of this examination to the Postal Service, along with any recommendations it deems appropriate. If the Postal Service fails to act thereon, the Commission may take such action it deems necessary to prevent abuse of rates or deception of consumers. See section 711, 120 Stat. 3248 (2006).¹

The Commission establishes Docket No. PI2008-4 to facilitate compliance with the directive in section 711 and seeks comments from the public on the scope and nature of the examination, report, and potential recommendations. 39 U.S.C. 505 requires the designation of an officer of the Commission in all public proceedings to represent the interests of the general public. The Commission designates Katja M. Eichinger to serve as the Public Representative. Pursuant to this designation, Ms. Eichinger will direct the activities of Commission personnel assigned to assist her and, upon request, will provide their names for the record. Neither she nor any of the assigned personnel will participate in or provide advice on any Commission decision in this proceeding.

II. The Cooperative Mail Rule

The cooperative mail rule is a longstanding provision in the DMM. It traditionally has controlled access to reduced postage rates by limiting the ability of an entity that is eligible for reduced rates to "cooperate" or partner with another entity in a mailing and still retain its reduced rate eligibility for the mailing in question. The rule generally accomplishes this, in brief, by requiring that each cooperating entity independently qualify for nonprofit rates at the post office of mailing; by

requiring that the mail matter being sent be that of the eligible entity; and by prohibiting "sharing" a permit with an entity not authorized to mail at reduced rates. These restrictions effectively foreclose a nonprofit from cooperating with a for-profit entity if the mailing is to be sent at nonprofit rates, unless the cooperation involves a legitimate principal-agent relationship in a fee-for-service arrangement. See DMM § 703.1.6.3.

The traditional rationale for imposing limits on cooperative mailings has been that access to reduced rates is a privilege—initially subsidized by taxpayers, but more recently by other mailers—and that the limits help prevent abuse of this privilege. The extent of the benefit has varied in the years since its introduction, but eligible cooperative mailings currently pay 60 percent of the Regular Standard Mail rate.

III. The Emergence of the Fundraising Exception

In 2003, the Postal Service initiated an administrative rulemaking to address a revision to the cooperative mail rule. The rulemaking resulted in a revision, effective November 13, 2003, widely referred to as the Fundraising Exception. In practical effect, this revision expands eligibility in a limited respect by exempting fundraising mailings seeking only monetary donations from application of the DMM's conditions for an eligible cooperative mailing. See 68 FR 23937 (May 6, 2003) and 68 FR 58273 (October 9, 2003), setting out the proposed and final rule, respectively. The revision requires that the cooperating nonprofit entity either receive a detailed donor list (containing the name of donor, contact information, and the amount of donation) from its mailing partner or execute a written waiver of such receipt.

A. The Fundraising Exemption, as Initially Proposed

The Postal Service notice of proposed rulemaking included a discussion of the history of the cooperative mail rule and its application to fundraising mailings; the traditional role of Congress with respect to eligibility for nonprofit Standard Mail rates; recent concerns about the impact of the cooperative mail rule on fundraising mailings; and proposed legislation to exempt certain fundraising mail from the rule. It noted, with respect to the impact of the rule on fundraising mailings, that over the last several years, some nonprofit organizations have made the Postal Service aware of concerns that the application of the cooperative mail rule

¹ Section 711 of the PAEA refers to section E670.5.3 of the Domestic Mail Manual (DMM). The text of this provision now appears at DMM § 703.1.6.3 due to a reorganization of the DMM.
