

decision to designate a class of employees at the Mound Plant, near Dayton, Ohio, as an addition to the Special Exposure Cohort (SEC) under the Energy Employees Occupational Illness Compensation Program Act of 2000. On March 3, 2008, as provided for under 42 U.S.C. 7384q(b), the Secretary of HHS designated the following class of employees as an addition to the SEC:

Employees of the Department of Energy (DOE), its predecessor agencies, and DOE contractors or subcontractors who worked in any areas at the Mound Plant site from October 1, 1949, through February 28, 1959, for a number of work days aggregating at least 250 work days or in combination with work days within the parameters established for one or more other classes of employees in the Special Exposure Cohort.

This designation became effective on April 2, 2008, as provided for under 42 U.S.C. 7384l(14)(C). Hence, beginning on April 2, 2008, members of this class of employees, defined as reported in this notice, became members of the Special Exposure Cohort.

National Institute for Occupational Safety and Health

Final Effect of Designation of a Class of Employees for Addition to the Special Exposure Cohort

AGENCY: National Institute for Occupational Safety and Health (NIOSH), Department of Health and Human Services (HHS).

ACTION: Notice.

SUMMARY: The Department of Health and Human Services (HHS) gives notice concerning the final effect of the HHS decision to designate a class of employees at the Lawrence Livermore National Laboratory, Livermore, California, as an addition to the Special

Exposure Cohort (SEC) under the Energy Employees Occupational Illness Compensation Program Act of 2000. On March 3, 2008, as provided for under 42 U.S.C. 7384q(b), the Secretary of HHS designated the following class of employees as an addition to the SEC:

Employees of the Department of Energy (DOE), its predecessor agencies, and DOE contractors or subcontractors who were monitored for radiation exposure while working at the Lawrence Livermore National Laboratory from January 1, 1950, through December 31, 1973, for a number of work days aggregating at least 250 work days or in combination with work days within the parameters established for one or more other classes of employees in the Special Exposure Cohort.

This designation became effective on April 2, 2008, as provided for under 42 U.S.C. 7384l(14)(C). Hence, beginning on April 2, 2008, members of this class of employees, defined as reported in this notice, became members of the Special Exposure Cohort.

BILLING CODE 4163-19-P

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Administration for Children and Families

Proposed Information Collection Activity; Comment Request

Proposed Projects

Title: Mentoring Children of Prisoners Service Delivery Demonstration Project Data Collection.

OMB No.: New Collection.

Description: The Promoting Safe and Stable Families Amendments, as reauthorized (2006), amended Title IV-B of the Social Security Act (42 U.S.C. 629-629e) providing funding for a service delivery demonstration project for the Mentoring Children of Prisoners (MCP) program. Grantees shall identify children of prisoners not being served by the grant program, provide families of identified children with a voucher for mentoring services and a list of quality mentoring programs, and monitor the delivery of mentoring services provided.

The Family and Youth Services Bureau (FYSB) of the Administration for Children and Families (ACF), United States Department of Health and Human Services, administers the MCP program.

The MCP program provides children of prisoners with caring adult mentors, supporting one-to-one mentoring relationships. Research in other populations has shown that such relationships can lead to reductions in risk behaviors and improvements in academic, behavioral, and psychological outcomes in children and youth. Although the MCP program was developed based on research documenting the efficacy of mentoring as a general intervention strategy, it is not yet known if this particular intervention yields positive outcomes for the children of prisoners population. Little is known about how mentoring

relationships work for these youth and how effective mentoring relationships for children of prisoners differ from effective mentoring relationships for other youth. In addition, little is known about children of prisoners in general and thus a survey of MCP program youth has the potential to provide important data about this relatively unstudied population.

The evaluation and data collection proposed in this notice are to fulfill the statutory requirement under Section 8, subsection h(1) of the Child and Family Services Improvement Act of 2006, as amended, that the Secretary of the Department of Health and Human Services evaluate outcomes of the MCP service delivery demonstration project and report to Congress on the findings. The information collected will also be used for accountability monitoring,

management improvement, and research.

Data collection will ensure that grantees know that mentoring relationships are meeting the established milestones and that mentoring activities are faithful to characteristics established by research as essential to success. Data collected will allow ACF to compare the MCP service delivery demonstration project with the MCP grant program. Data collected will also support grantees as they carry out ongoing responsibilities and manage information for internal use.

Respondents: Public, faith-based and community organizations applying to and implementing the MCP service delivery demonstration project.

In compliance with the requirements of Section 506(c)(2)(A) of the Paperwork Reduction Act of 1995, the Administration for Children and Families is soliciting public comment on the specific aspects of the information collection described above. Copies of the proposed collection of information can be obtained and comments may be forwarded by writing to the Administration for Children and Families, Office of Administration, Office of Information Services, 370 L'Enfant Promenade, SW., Washington, DC 20447, Attn: ACF Reports Clearance Officer. E-mail address: infocollection@acf.hhs.gov. All requests should be identified by the title of the information collection.

The Department specifically requests comments on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden of the

proposed collection of information; (c) the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted within 60 days of this publication.

Dated: April 23, 2008.
