

making informed health decisions, and measure the impact of our prevention and health promotion activities. Healthy People 2020 will reflect assessments of major risks to health and wellness, changing public health priorities, and emerging technologies related to our nation's health preparedness and prevention.

Public Participation at Meeting: Members of the public are invited to observe the Advisory Committee meeting. Please note that there will be no opportunity for oral public comments during the initial Secretary's Advisory Committee on National Health Promotion and Disease Prevention Objectives for 2020 meeting, however, written comments are welcome throughout the development process of the national health promotion and disease prevention objectives for 2020 and may be e-mailed to HP2020@hhs.gov.

To observe the Committee meeting, individuals must pre-register to attend the Secretary's Advisory Committee on National Health Promotion and Disease Prevention Objectives for 2020 at the Healthy People Web site located at <http://www.healthypeople.gov>. Registrations must be completed by close of business Eastern Standard Time January 28, 2007. Space for the meeting is limited. Registrations will be accepted until maximum room capacity is reached. A waiting list will be maintained should registrations exceed room capacity. Individuals on the waiting list will be contacted as additional space for the meeting becomes available. On January 31 and February 1, 2008, registrants for the Secretary's Advisory Committee on National Health Promotion and Disease Prevention Objectives for 2020 meeting must present valid photo identification (i.e., driver's license) and should arrive 45 minutes prior to the start of the meeting to pass through security.

Registration questions may be directed to Hillary Scherer at HP2020@norc.org (e-mail), (301) 634-9374 (phone) or (301) 634-9301 (fax).

Dated: January 9, 2008.

Penelope Slade Royall,

RADM, USPHS, Deputy Assistant Secretary for Health (Disease Prevention and Health Promotion), Office of Disease Prevention and Health Promotion

Administration for Children and Families

Proposed Information Collection Activity; Comment Request

Proposed Projects

Title: Cross-Site Evaluation of the Infant Adoption Awareness Training Program for Projects Initially Funded in Fiscal Year 2006.

OMB No.: New Collection.

Description: The Administration for Children and Families (ACF), Children's Bureau (CB), will conduct the Cross-Site Evaluation of the Infant Adoption Awareness Training Program (IAATP). Title XII, Subtitle A, of the Children's Health Act of 2000 (CHA) authorizes the Department of Health and Human Services to make Infant Adoption Awareness Training grants available to national, regional, and local adoption organizations for the purposes of developing and implementing programs that train the staff of public and non-profit private health service organizations to provide adoption information and referrals to pregnant women on an equal basis with all other courses of action included in non-directive counseling of pregnant women. Participants in the training include individuals who provide pregnancy or adoption information and those who will provide such services after receiving the training, with Title X (relating to voluntary family planning projects), Section 330 (relating to community health centers, migrant health centers, and centers serving homeless individuals and residents of public housing), and CHA-funded school-based health centers, receiving priority to receive the training. A total of six organizations were awarded IAATP funding in 2006.

Section 1201(a)(2)(A) of the IAATP legislation requires grantees to develop and deliver trainings that are consistent with the *Best Practice Guidelines for Infant Adoption Awareness Training*. The IAATP guidelines address training goals, basic skills, curriculum and training structure. A complete description of the guidelines is available at http://www.acf.hhs.gov/programs/cb/programs_fund/discretionary/iaatp.htm. In addition, grantees are required to conduct local evaluation of program outcomes and participate in the national evaluation of the extent to

which IAATP training objectives are met. The *Infant Adoption Awareness Training Program: Trainee Survey* is the primary data collection instrument for the national cross-site evaluation. Respondents will complete the survey prior to receiving training and approximately 90 days after the training to assess the extent to which trainees demonstrate sustained gains in their knowledge about adoption, and to determine the impact of the training on their subsequent work with pregnant women.

Data collected through the proposed survey will enable ACF to objectively assess the knowledge and skills gained, retained, and applied by trainees as a result of their participation in the Infant Adoption Awareness Training Program, and will answer the following research questions:

1. Do health care workers who participate in the IAATP training:
 - Demonstrate enhanced knowledge, attitudes, skills, and behaviors with respect to adoption counseling following completion of the program?
 - Provide adoption information to pregnant women on an equal basis with other pregnancy planning options?
 - Demonstrate enhanced awareness of community adoption-related resources and refer expectant mothers to them as needed?
2. Are trainees more confident about discussing all three pregnancy planning options (parenting, abortion, and adoption) in a non-directive counseling style than they were prior to participating in the training?

Cross-site evaluation data will be collected on an annual basis throughout the five-year funding period. Pre-test and follow-up versions of the survey are expected to require approximately 10 to 15 minutes to complete. Estimated response time for the follow-up survey includes time for respondents to access the web-based survey, complete the survey online, and electronically submit the survey. Respondents will not need to implement a recordkeeping system or compile source data in order to complete the survey. Where possible, fields in the follow-up version of the survey will be pre-filled with static data from the respondent's pre-test (e.g., demographics, agency type) in order to further expedite completion of the survey and minimize respondent burden.

Respondents: Infant Adoption Awareness Program Trainees.

ANNUAL BURDEN ESTIMATES

Instrument	Number of respondents	Number of responses per respondent	Average hours per response	Total burden hours
IAATP: Trainee Survey Pre-Test Administration	1,200	1	.15	180
IAATP: Trainee Survey Follow-Up Administration	1,200	1	.10	120

Estimated Total Annual Burden Hours: 300

In compliance with the requirement of Section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995, the Administration for Children and Families is publishing the following summary of a proposed collection for public comment. Copies of the proposed collection of information can be requested from L'Enfant Promenade, SW., Washington, DC 20447, Attn: ACF Reports Clearance Officer. E-mail address: infocollection@acf.hhs.gov. All requests should be identified by the title of the information collection.

The Department specifically requests comments on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden of the proposed collection of information; (c) the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted within 60 days of this publication.

Dated: January 8, 2008.

Title: Statewide Automated Child Welfare Information System (SACWIS) Assessment Review Guide (SARGE).
OMB No.: 0970-0159.

Description: The Department of Health and Human Services (HHS) cannot fulfill its obligation to effectively serve the nation's adoption and foster care populations, nor report meaningful and reliable information to Congress about the extent of problems facing these children or the effectiveness of assistance provided to this population, without access to timely and accurate information. Currently, SACWIS support State efforts to meet the following Federal reporting requirements: The Adoption and Foster Care Analysis and Reporting System (AFCARS) required by section 479(b)(2) of the Social Security Act; the National Child Abuse and Neglect Data System (NCANDS); Child Abuse Prevention and

Treatment Act (CAPTA); and the Chafee Independent Living Program. These systems also support State efforts to provide the information to conduct the Child and Family Service Reviews. Currently, 42 States and the District of Columbia have developed, or are developing, a SACWIS with Federal financial participation. The purpose of these reviews is to ensure that all aspects of the project, as described in the approved Advance Planning Document, have been adequately completed, and conform to applicable regulations and policies.

To initiate a review, States will submit the completed SACWIS Assessment Review Guide (SARGE) and other documentation at the point that they have completed system development and the system is operational statewide. The additional documents submitted as part of this process should all be readily available to the State as a result of good project management practices.

The information collected in the SACWIS Assessment Review Guide will allow State and Federal officials to determine if the State's SACWIS meets the requirements of title IV-E Federal Financial Participation (FFP) defined at 45 CFR 1355.50. Additionally, other States will be able to use the documentation provided as part of this review process in their own system development efforts.

Respondents: State Title IV-E Agencies.

ANNUAL BURDEN ESTIMATES

Instrument	Number of respondents	Number of responses per respondent	Average burden hours per response	Total burden hours
SACWIS Assessment Review Guide (SARGE)	3	1	250	750

Estimated Total Annual Burden Hours: 750.

In compliance with the requirements of Section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995, the Administration for Children and Families is soliciting public comment on the specific aspects of the information collection described above. Copies of the proposed collection of

information can be obtained and comments may be forwarded by writing to the Administration for Children and Families, Office of Information Services, 370 L'Enfant Promenade, SW., Washington, DC 20447, Attn: ACF Reports Clearance Officer. All requests should be identified by the title of the information collection.

The Department specifically requests comments on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden of the proposed collection of information; (c) the quality, utility, and clarity of the
