## OFFICE OF PERSONNEL MANAGEMENT

### 5 CFR Part 733

RIN 3206-AL32

#### Political Activity—Federal Employees Residing in Designated Localities

**AGENCY:** Office of Personnel Management.

**ACTION:** Final rule.

**SUMMARY:** OPM is amending its regulations at 5 CFR part 733 to grant Federal employees residing in Fauquier County, Virginia, a partial exemption from the political activity restrictions in the Hatch Act, and to add Fauquier County to its regulatory list of designated localities. The amendment reflects OPM's determination that Fauquier County meets the criteria in the Hatch Act and OPM regulations for a partial exemption to issue.

**DATES:** This rule is effective June 16, 2008.

**FOR FURTHER INFORMATION CONTACT:** Jo-Ann Chabot, Office of the General Counsel, United States Office of Personnel Management, (202) 606-1700.

**SUPPLEMENTARY INFORMATION:** The Hatch Act, at 5 U.S.C. 7323(a)(2) and (3), prohibits Federal employees from becoming candidates for partisan political office and from soliciting, accepting, or receiving political contributions. However, 5 U.S.C. 7325, authorizes OPM to prescribe regulations permitting employees in certain communities to participate in local elections for partisan political office without regard to the prohibitions in 5 U.S.C. 7323(a)(2) and (3) only if the requirements described in section 7325 are met. The first requirement is that the community or political subdivision must be located in Maryland or Virginia, and in the immediate vicinity of the District of Columbia. Alternatively, the

majority of the community's registered voters must be employed by the United States Government. The second requirement is that OPM must determine that it is in the domestic interest of the employees to permit that political participation because of special or unusual circumstances existing in the community or political subdivision. These statutory requirements are reflected in 5 CFR 733.107(a). Under 5 CFR part 733, the exemption from the prohibitions in 5 U.S.C. 7323(a)(2) and (3) is a partial exemption because in 5 CFR 733.103-733.106, OPM has established limitations on political participation by most Federal employees residing in these designated municipalities and subdivisions.

On July 19, 2007, OPM issued a proposed rule at 72 FR 39582 to add Fauquier County, Virginia, to this regulatory list of designated localities at 5 CFR 733.107(c). In its notice of proposed rulemaking, OPM noted that Fauquier County, Virginia, had fulfilled the statutory requirements for a partial exemption to issue and proposed the addition of Fauquier County to the regulatory list of designated localities. 72 FR 39582 (July 19, 2007). OPM also placed a legal notice in *The Fauquier Times Democrat* on September 12, 2007.

OPM received only one comment. In this comment, an individual identifying himself as a resident of Fauquier County stated that he feared interference every four years from residents who had no long range plans to stay in the community, or had no understanding of the ancestral history of the area. This individual also noted that he had nothing against the potential expertise of the county's Federally employed residents. He also stated, however, that he was "sick of gerrymandering of" the election process. OPM notes that most Federal civilian employees are individuals who have made a career of public service and reside in the same communities for many years. This individual, moreover, did not submit to OPM any evidence that political participation of Federal employees in connection with local elections would result in any "gerrymandering" of the election process, and OPM has not received any such evidence from any other source.

Therefore, OPM is adding Fauquier County to its list of designated localities at 5 CFR 733.107(c). When this rule

becomes effective, Federally employed residents of Fauquier County will be permitted under 5 CFR 733.103 to participate in the following activities:

(1) Run as independent candidates for election to partisan political office in elections for local office in the municipality or political subdivision;

(2) Solicit, accept, or receive a political contribution as, or on behalf of, an independent candidate for partisan political office in elections for local office in the municipality or political subdivision;

(3) Accept or receive a political contribution on behalf of an individual who is a candidate for local partisan political office and who represents a political party;

(4) Solicit, accept, or receive uncompensated volunteer services as an independent candidate, or on behalf of an independent candidate, for local partisan political office, in connection with the local elections of the municipality or subdivision; and

(5) Solicit, accept, or receive uncompensated volunteer services on behalf of an individual who is a candidate for local partisan political office and who represents a political party.

Under 5 CFR 733.104 of title 5, however, Federally employed residents of Fauquier may not:

(1) Run as the representative of a political party for local partisan political office;

(2) Solicit a political contribution on behalf of an individual who is a candidate for local partisan political office and who represents a political party;

(3) Knowingly solicit a political contribution from any Federal employee, except as permitted under 5 U.S.C. 7323(a)(2)(A)-(C).

(4) Accept or receive a political contribution from a subordinate;

(5) Solicit, accept, or receive uncompensated volunteer services from a subordinate for any political purpose;

(6) Participate in political activities:

- While they are on duty;
- While they are wearing a uniform, badge, or insignia that identifies the employing agency or instrumentality or the position of the employee;
- While they are in any room or building occupied in the discharge of official duties by an individual employed or holding office in the Government of the United States or any agency or instrumentality thereof; or
- While using a Government-owned or leased vehicle or while using a privately owned vehicle in the discharge of official duties.

Moreover, candidacy for, and service in, a partisan political office shall not result in neglect of, or interference with, the performance of the duties of the

employee or create a conflict, or apparent conflict, of interest.

Sections 733.103 and 733.104 of Title 5, Code of Federal Regulations, do not apply to individuals, such as career senior executives and employees of the Federal Bureau of Investigation, who are employed in the agencies or positions listed in 5 CFR 733.105(a). These individuals are subject to the more stringent limitations described in 5 CFR 733.105 and 733.106.

Individuals who require advice concerning specific political activities, and whether an activity is permitted or prohibited under 5 CFR 733.103–733.106, should contact the United States Office of Special Counsel at (800) 854–2824 or (202) 254–3650. Requests for Hatch Act advisory opinions may be made by e-mail to: [hatchact@osc.gov](mailto:hatchact@osc.gov).

Fauquier County will be listed after Falls Church, Virginia, and before Herndon, Virginia, at 5 CFR 733.107(c).
