

representative requirement and that therefore an issuer representative must be an officer or employee of an issuer listed on a particular exchange. The NASDAQ Exchange does not believe that such a constrained interpretation is warranted, however, in light of either the existing language of the By-Laws or the policies underlying them. Rather, the NASDAQ Exchange believes that a director of an issuer who is not also its officer or employee would be fully familiar with the concerns of public companies and could therefore adequately represent the issuer community in the deliberations of the NASDAQ Exchange and NASDAQ OMX Boards. Moreover, with regard to the NASDAQ Exchange Board, the NASDAQ Exchange notes that Section 6(b)(3) of the Act¹⁰ requires the inclusion on the NASDAQ Exchange Board of at least one director "representative of issuers and investors" but does not define this requirement and that other self-regulatory organizations appear to satisfy this requirement through election of persons that may serve as directors on other boards. Indeed, the NASDAQ Exchange believes that the requirement of a director to represent issuers and investors implies that a director of a public company would be well suited to fit this role, because the business of the issuer is managed under the direction of its board and because the director is the fiduciary of investors in the issuer.

Nevertheless, to make it clear that the definition of Non-Industry Director does not serve as an impediment to a director of an issuer serving as an issuer representative, NASDAQ OMX and the NASDAQ Exchange propose to amend the definitions of Non-Industry Director to insert appropriate references to the director of an issuer.

2. Statutory Basis

The NASDAQ Exchange believes that the proposed rule change is consistent with the provisions of Section 6 of the Act,¹¹ in general, and with Sections 6(b)(1) and (b)(3) of the Act,¹² in particular, in that the proposal enables the NASDAQ Exchange and NASDAQ OMX to be so organized as to have the capacity to be able to carry out the purposes of the Act and to comply with and enforce compliance by members and persons associated with members with provisions of the Act, the rules and regulations thereunder, and the rules of the exchange, and is designed to provide that one or more directors of the

NASDAQ Exchange shall be representative of issuers and investors and not associated with a member of the exchange, broker, or dealer.

B. Self-Regulatory Organization's Statement on Burden on Competition

The NASDAQ Exchange does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

Written comments were neither solicited nor received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Within 35 days of the date of publication of this notice in the **Federal Register** or within such longer period (i) as the Commission may designate up to 90 days of such date if it finds such longer period to be appropriate and publishes its reasons for so finding or (ii) as to which the self-regulatory organization consents, the Commission will:

- A. By order approve such proposed rule change, or

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-57902; File No. SR-Amex-2008-45]

Self-Regulatory Organizations; American Stock Exchange LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Relating to Exchange-Traded Note Transaction Fees

June 2, 2008.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² notice is hereby given that on May 23, 2008, the American Stock Exchange LLC ("Exchange" or "Amex") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II, and

¹⁰ 15 U.S.C. 78f(b)(3).

¹¹ 15 U.S.C. 78f.

¹² 15 U.S.C. 78f(b)(1) and (3).

¹³ 17 CFR 200.30-3(a)(12).

¹ 15 U.S.C. 78s(b)(1).

² 17 CFR 240.19b-4.

III below, which Items have been substantially prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to apply the Exchange-Traded Fund and Trust-Issued Receipts Fee Schedule ("ETF Fee Schedule") to transactions in exchange-traded notes ("ETNs").

The text of the proposed rule change is available on Amex's Web site at <http://www.amex.com>, at the Exchange's principal office, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to apply the ETF Fee Schedule to transactions in ETNs beginning June 1, 2008.

ETNs are securities listed under Sections 107D (Index-Linked Securities), 107E (Commodity-Linked Securities), 107F (Currency-Linked Securities), 107G (Fixed Income-Linked Securities), 107H (Futures-Linked Securities), or 107I (Combination-Linked Securities) of the Amex *Company Guide* that offer redemption at least weekly to holders of such securities. In February 2008, the Commission approved an Exchange proposal to permit ETNs to be subject to the AEMI trading rules specific to exchange-traded funds ("ETFs").³ Currently, ETNs are subject to the transaction charges for equities traded on the Exchange. The instant proposal would provide that ETNs be subject to

the identical fees that currently apply to ETFs traded on the Exchange.

Currently, ETF transaction charges differ from equity transaction charges relating to customer accounts⁴ and are \$0.0023 per share (or \$0.23 per 100 shares), subject to a \$100 per transaction cap, resulting in transaction charges being assessed only on the first 43,478 shares. ETF and equity transaction charges both include: (i) A \$0.0004 per share (or \$0.04 per 100 shares) clearing charge for orders routed to and executed at another market center; (ii) a \$0.0030 per share (or \$0.30 per 100 shares) charge for orders routed to and executed at another market; and (iii) 0.3% of the total dollar value for transactions in a security with a share price of less than \$1.00 (for ETFs the per transaction maximum fee of \$100 applies). Transactions in both ETFs and equities also are subject to an order cancellation fee.⁵

Consistent with the Exchange's current ETF revenue sharing program, the Exchange proposes to distribute revenue to the specialists, Registered Traders, and DARTs as outlined below. This is identical to the revenue sharing program that exists in connection with ETFs.

ETN specialists may receive an aggregate revenue sharing program payment (calculated monthly) of as much as \$0.0024 per share (or \$0.24 per 100 shares) whenever the specialist either buys or sells its specialty ETN on the Exchange and is a provider of

liquidity in that transaction (e.g., whose quote is traded against or who offsets an order imbalance as part of an opening or closing transaction). The revenue sharing program payment is comprised of \$0.0004 per share (or \$0.04 per 100 shares) for all shares executed on the Exchange in its specialty ETN (irrespective of whether the specialist is the provider of liquidity), plus another \$0.0020 (or \$0.20 per 100 shares) if the specialist is the provider of liquidity in the transaction. If the specialist is not the liquidity provider, then the revenue sharing program payment is limited to \$0.0004 per share executed on the Exchange in its specialty ETN.⁶

A Registered Trader in ETNs will receive a revenue sharing payment of \$0.0010 per share (or \$0.10 per 100 shares) whenever the Registered Trader either buys or sells an ETN on the Exchange and is a provider of liquidity in that transaction. A DART in ETNs will receive a revenue sharing payment of \$0.0015 per share (or \$0.15 per 100 shares) whenever the DART either buys or sells an ETN on the Exchange and is a provider of liquidity in that transaction.⁷ Neither the specialist, Registered Trader, nor DART will receive a payment when it is a contra-party to the same transaction. It should be noted that revenue sharing will also be paid on transactions in securities trading at less than \$1.00 equal to the amount collected by the Exchange. However, the revenue sharing payment will be paid only on the portion of a transaction for which the Exchange collects revenue.

2. Statutory Basis

The proposed rule change is consistent with Section 6(b) of the Act⁸ in general and furthers the objectives of Section 6(b)(4) of the Act⁹ in particular in that it is intended to assure the equitable allocation of reasonable dues, fees, and other charges among its members and issuers and other persons using its facilities. Specifically, the Exchange believes that the proposal provides for an equitable allocation of reasonable fees among Exchange members through the application of existing ETF transaction charges to ETNs.

⁶ See e-mail from Jeffrey Burns, Vice President and Associate General Counsel, Amex, to Nathan Saunders, Special Counsel, and Linda Jeng-Braun, Attorney, Division of Trading and Markets, Commission, dated May 29, 2008.

⁷ DARTs were recently added to the revenue sharing program for ETFs. See Securities Exchange Act Release No. 57540 (March 20, 2008), 73 FR 16399 (March 27, 2008) (SR-Amex-2008-23).

⁸ 15 U.S.C. 78f(b).

⁹ 15 U.S.C. 78f(b)(4).

³ See Securities Exchange Act Release No. 57400 (February 29, 2008), 73 FR 12234 (March 6, 2008) (SR-Amex-2007-109).

⁴ Customer accounts are defined for purposes of the fee schedule to include accounts for all market participants except specialists, Registered Traders, and Designated Amex Remote Traders (DARTs). Therefore, customer accounts (and the fees charged to them) include members' off-floor proprietary accounts, competing market makers on other exchanges, and other member and non-member broker-dealers.

⁵ The ETF and equity order cancellation fee provides that the executing clearing member is charged \$0.25 for every additional equities and ETF order sent for a mnemonic and cancelled through Amex systems in a given month when the total number of equities and ETF orders cancelled for that mnemonic is more than 50 times the equities and ETF orders executed through Amex systems for that mnemonic in that same month. Cancellations resulting from "Immediate or Cancel" or "Fill or Kill" orders and cancellations entered to cancel at the opening orders not executed at the opening will not be counted towards the number of cancellations used to determine whether the fee should be applied to a mnemonic and will not be counted when determining the amount of the cancellation fee charged to an executing clearing member. Executions of "Immediate or Cancel" and "Fill or Kill" orders will however be counted towards the number of executions. The Equities Order Cancellation Fee and ETF Order Cancellation Fee set forth in the Equity Fee Schedule and ETF Fee Schedule, respectively, would be revised under this proposal to clarify that ETN orders be included as part of the calculation to determine whether the order cancellation fee applies to a particular executing clearing member.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange believes that the proposed rule change does not impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change establishes or changes a due, fee, or other charge imposed by the Exchange, it has become effective upon filing pursuant to Section 19(b)(3)(A) of the Act¹⁰ and Rule 19b-4(f)(2) thereunder.¹¹ At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:
