SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-58073; File No. SR-CBOE-2008-71]

Self-Regulatory Organizations; Chicago Board Options Exchange, Incorporated; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Relating to the Temporary Membership Status Access Fee

July 1, 2008.

Pursuant to section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on June 30, 2008, the Chicago Board Options Exchange, Incorporated ("CBOE" or "Exchange"), filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II, and III below, which Items have been prepared by CBOE. CBOE has designated this proposal as one establishing or changing a due, fee, or other charge imposed by the Exchange under section 19(b)(3)(A),³ and Rule 19b-4(f)(2) thereunder,⁴ which renders the proposal effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested parties.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

CBOE proposes to adjust the monthly access fee for persons granted temporary CBOE membership status ("Temporary Members") pursuant to Interpretation and Policy .02 under CBOE Rule 3.19 ("Rule 3.19.02"). The text of the proposed rule change is available on the Exchange's Web site (<http://www.cboe.org/Legal/>), at the Exchange's Office of the Secretary, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, CBOE included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. CBOE has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The current access fee for Temporary Members under Rule 3.19.02⁵ is \$10,868 per month and took effect on June 1, 2008. The Exchange proposes to revise the access fee to be \$12,387 per month commencing on July 1, 2008.

The Exchange used the following process to set the proposed access fee: The Exchange polled each of the clearing firms that assists in facilitating at least 10% of the transferable CBOE membership leases and obtained the Clearing Firm Floating Monthly Rate⁶ designated by each of these clearing firms for the month of July 2008. The Exchange then set the proposed access fee at an amount equal to the highest of these Clearing Firm Floating Monthly Rates.

The Exchange used the same process to set the proposed access fee that it used to set the current access fee. The only difference is that the Exchange used Clearing Firm Floating Monthly Rate information for the month of July 2008 to set the proposed access fee (instead of Clearing Firm Floating Monthly Rate information for the month of June 2008 as was used to set the current access fee) in order to take into account changes in Clearing Firm Floating Monthly Rates for the month of July 2008.

The Exchange believes that the process used to set the proposed access fee and the proposed access fee itself are appropriate for the same reasons set forth in CBOE rule filing SR-CBOE-

2008-12 in support of that process and the original access fee for Temporary Members under Rule 3.19.02.⁷

The proposed access fee will remain in effect until such time either that the Exchange submits a further rule filing pursuant to section 19(b)(3)(A)(ii) of the Act⁸ to modify the proposed access fee or the Temporary Membership status under Rule 3.19.02 is terminated. Accordingly, the Exchange may, and likely will, further adjust the proposed access fee in the future if the Exchange determines that it would be appropriate to do so taking into consideration lease rates for transferable CBOE memberships prevailing at that time.

The procedural provisions of the CBOE Fee Schedule related to the assessment of the proposed access fee are not proposed to be changed and will remain the same as the current procedural provisions regarding the assessment of the current access fee.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with section 6(b) of the Act,⁹ in general, and furthers the objectives of section 6(b)(4) of the Act,¹⁰ in particular, in that it is designed to provide for the equitable allocation of reasonable dues, fees, and other charges among persons using its facilities.

B. Self-Regulatory Organization's Statement on Burden on Competition

CBOE does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing rule change establishes or changes a due, fee, or other charge imposed by the Exchange, it has become effective pursuant to

⁷ See Securities Exchange Act Release No. 57293 (February 8, 2008), 73 FR 8729 (February 14, 2008) (SR-CBOE-2008-12), which established the original access fee for Temporary Members under Rule 3.19.02, for detail regarding the rationale in support of the original access fee and the process used to set that fee, which is also applicable to this proposed rule change as well.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-58072; File No. SR-ISE-2008-51]

Self-Regulatory Organizations; International Securities Exchange, LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change to Establish an Exemption for Certain Regulation NMS-Compliant Intermarket Sweep Orders From the Requirements in Rule 2119 (Equity EAMs Acting as Brokers) and Conform Rule 2119 to Financial Industry Regulatory Authority Rules

July 1, 2008.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² notice is hereby given that on June 24, 2008, the International Securities Exchange, LLC ("Exchange" or "ISE") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I and II below, which Items have been substantially prepared by the Exchange. The Exchange has designated this proposal as non-controversial under Section 19(b)(3)(A)(iii) of the Act³ and Rule 19b-4(f)(6) thereunder,⁴ which renders the proposed rule change effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The ISE proposes to amend its Rule 2119 (Equity EAMs Acting as Brokers) to conform it to similar Financial Industry Regulatory Authority, Inc.

("FINRA") rules. The text of the proposed rule change is available on the Exchange's Web site (<http://www.ise.com>), at the principal office of the Exchange, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

ISE Rule 2119 generally prohibits an Equity Electronic Access Member ("Equity EAM") from trading for its own account in a security when the Equity EAM is either holding an unexecuted customer market order in that security or trades at a price that is equal to or better than an unexecuted customer limit order that it holds in that security. Although FINRA rules impose similar obligations, FINRA provides for exceptions and exemptions to this obligation that the Exchange now seeks to adopt.

The Exchange proposes to amend Rule 2119 to include an exception that allows an Equity EAM to trade for its own account in a security when the Equity EAM is either holding an unexecuted customer market order in that security or trades at a price that is equal to or better than an unexecuted customer limit order that it holds in that security, provided that the Equity EAM immediately thereafter executes the customer order up to the size and at the same price at which it traded for its own account or better.

The Exchange also proposes to amend Rule 2119 to add an exemption that was recently adopted by FINRA. On May 6, 2008, the Commission approved amendments to FINRA Rule 2111 and IM-2110-2 that establish an intermarket sweep order ("ISO") exemption.⁵ This exemption provides members with relief
