

initial agency determinations are published in OSD Administrative Instruction 81; 32 CFR part 311; or may be obtained from the system manager.

RECORD SOURCE CATEGORIES:

Those individuals who submit initial requests and administrative appeals pursuant to the FOIA; the agency records searched in the process of responding to such requests and appeals; Department of Defense personnel assigned to handle such requests and appeals; other agencies or entities that have referred to the Department of Defense requests concerning Department of Defense records or that have consulted with the Department of Defense regarding the handling of particular requests; submitters of records; and information that have provided assistance to the Department of Defense in making FOIA access determinations.

EXEMPTIONS CLAIMED FOR THE SYSTEM:

During the course of a FOIA action, exempt materials from other systems of records may in turn become part of the case records in this system. To the extent that copies of exempt records from those "other" systems of records are entered into this FOIA case record, Washington Headquarters Services and DoD Education Activity hereby claims the same exemptions for the records from those "other" systems that are entered into this system, as claimed for the original primary systems of records which they are a part.

An exemption rule for this system has been promulgated in accordance with requirements of 5 U.S.C. 553(b)(1), (2), and (3), (c), and (e) and published in 32 CFR part 311. For additional information contact the system manager.

Full Text of Announcement

I. Funding Opportunity Description

Purpose of Program: The purposes of the Technology and Media Services for Individuals with Disabilities program are to: (1) Improve results for children with disabilities by promoting the development, demonstration, and use of technology; (2) support educational media services activities designed to be of educational value in the classroom setting to children with disabilities; and (3) provide support for captioning and video description that are appropriate for use in the classroom setting.

Priority: In accordance with 34 CFR 75.105(b)(2)(v), this priority is from allowable activities specified in the statute, or otherwise authorized in the

statute (see sections 674 and 681(d) of the Individuals with Disabilities Education Act (IDEA)).

Absolute Priority: For FY 2009 and any subsequent year in which we make awards based on the list of unfunded applications from this competition, this priority is an absolute priority. Under 34 CFR 75.105(c)(3), we consider only applications that meet this priority.

This priority is:

Technology and Media Services for Individuals With Disabilities—Steppingstones of Technology Innovation for Children With Disabilities

Background

The Department has made Steppingstones of Technology Innovation for Children with Disabilities awards for several years under the Technology and Media Services for Individuals with Disabilities program. Awards are made in two phases: (1) Development and (2) research on effectiveness. Abstracts of projects funded under these two phases can be found at http://www.nichcy.org/directories/FY07-Vol%203-R_I_T_M.pdf (see projects funded under CFDA 84.327A with Beginning Dates of June 1, 2007, or later).

Priority: The Steppingstones of Technology Innovation for Children with Disabilities absolute priority requires grantees to develop, implement, and evaluate innovative technology approaches designed to improve results for children with disabilities. Phase 1 projects must develop, refine, and test the feasibility of technology-based approaches. Phase 2 projects must subject technology-based approaches to rigorous field-based research to determine their effectiveness.

To be considered for funding under the Steppingstones of Technology Innovation for Children with Disabilities absolute priority, applicants must meet the application requirements contained in the priority. All projects funded under the absolute priority also must meet the programmatic and administrative requirements specified in the priority. The application, programmatic, and administrative requirements are as follows:

(a) In the application, an applicant must—

(1) Describe a technology-based approach for improving the results of (a) early intervention programs, (b) response-to-intervention (RTI) assessment techniques, or (c) preschool, elementary school, middle school, or high school educational programs for children with disabilities. The
