Notice of Final Federal Agency Actions on NYS Route 17, Access Control Project, Elmira to Chemung, City of Elmira, Towns of Ashland, Chemung and Elmira, Chemung County, NY

AGENCY: Federal Highway Administration (FHWA), DOT.

ACTION: Notice of Limitation on Claims for Judicial Review of Actions by FHWA and Other Federal Agencies.

SUMMARY: This notice announces actions taken by the FHWA and other Federal agencies that are final within the meaning of 23 U.S.C. 139(l)(1). The actions relate to a proposed highway project, which consists of the reconstruction of New York State (NYS) Route 17 from Elmira to Chemung in Chemung County, New York. This project will convert a section of NYS Route 17 from a partial control access expressway having at-grade intersections to a full control of access freeway. Those actions grant licenses, permits, and approvals for the project.

DATES: By this notice, the FHWA is advising the public of final agency actions subject to 23 U.S.C. 139(l)(1). A claim seeking judicial review of the Federal agency actions on the highway project will be barred unless the claim is filed on or before January 21, 2009. If the Federal law that authorizes judicial review of a claim provides a

time period of less than 180 days for filing such claim, then that shorter time period still applies.

FOR FURTHER INFORMATION CONTACT:

O'Brien Federal Building, 7th Floor, Clinton Avenue and North Pearl Street, Albany, New York 12207, Telephone: (518) 431-4127 or Peter White, P.E., Regional Director, NYSDOT Region 6, 107 Broadway, Hornell, NY 14843, Telephone: (607) 324-8404.

The project will reconstruct a portion of New York State (NYS) Route 17 from Elmira to Chemung in Chemung County, New York. NYS Route 17 will be constructed as a controlled access freeway primarily on its existing alignment with provisions for a 60' median throughout its limits, from Exit 56 at Jerusalem Hill Road/Water Street to a point east of the existing connector road near Reed's Crossing. A new diamond interchange would be constructed on NYS Route 17 near the existing connector road just east of Reed's Crossing. The project will provide for a continuous County Road (CR) 60 from Exit 56 at Jerusalem Hill Road/Water Street to the new interchange by constructing new CR 60 links between Jerusalem Hill Road/Water Street and Brant Road, between Brant Road and Oneida Road, and between Oneida Road and the existing CR 60 cul-de-sac west of the Lowman Interchange. The actions by the Federal agencies, and the laws under which such actions were taken, are described in the Final Environmental Impact Statement (FEIS) for the project, approved on December 4, 2007 and in the FHWA Record of Decision (ROD) issued on July 10, 2008. The FEIS, ROD, and other project records are available by contacting the FHWA or the New York State Department of Transportation at the addresses provided above.

Surface Transportation Board

[STB Finance Docket No. 35162]

Kern W. Schumacher, V&S Railway, Inc., and Louisiana & Mississippi Railway, LLC—Control Exemption—Gloster Southern Railroad Company LLC

Kern W. Schumacher (applicant), a noncarrier, has filed a verified notice of

exemption to acquire indirect control of Gloster Southern Railroad Company LLC (GLSR), which is currently wholly owned by Georgia-Pacific Wood Products LLC (GPWP). Applicant currently controls three Class III railroads: Tulare Valley Railroad Company (TVR), which operates in California; Kern Valley Railroad Company (KVR), which operates in Colorado; and V&S Railway, Inc. (V&S), which operates in Kansas and Colorado. Applicant states that he has organized Louisiana & Mississippi Railway, LLC, (L&M), in which V&S holds 100% of the membership interests, to acquire 100% of the membership interests in GLSR. As a result of the transaction, L&M will acquire direct control of GLSR, and applicant and V&S will acquire indirect control of GLSR through their control of L&M. Pursuant to 49 CFR 1180.6(a)(7)(ii), applicant has concurrently filed, under seal, a copy of the highly confidential Membership Interest Purchase Agreement between GPWP and the L&M.

The transaction is scheduled to be consummated on or after the date that this notice becomes effective (which will occur on August 10, 2008).

Applicant states that: (i) The rail lines involved in this transaction do not connect with any rail lines of the TVR, KVR, V&S or any other railroad now controlled by applicant; (ii) the acquisition of indirect control of GLSR is not part of a series of anticipated transactions that would connect any of the railroads with each other or with any railroad in their corporate family; and (iii) this transaction does not involve a Class I rail carrier. Therefore, the transaction is exempt from the prior approval requirements of 49 U.S.C. 11323. *See* 49 CFR 1180.2(d)(2).

Under 49 U.S.C. 10502(g), the Board may not use its exemption authority to relieve a rail carrier of its statutory obligation to protect the interests of its employees. Section 11326(c), however, does not provide for labor protection for transactions under sections 11324 and 11325 that involve only Class III rail carriers. Accordingly, the Board may not impose labor protective conditions here, because all the carriers involved are Class III rail carriers.

If the notice contains false or misleading information, the exemption is void *ab initio*. Petitions to revoke the exemption under 49 U.S.C. 10502(d) may be filed at any time. The filing of a petition to revoke will not automatically stay the effectiveness of the exemption. Petitions for stay must be filed no later than August 1, 2008 (at least 7 days before the exemption becomes effective).
