The deadline for comments was July 31, 2008. By this notice, the Presidio Trust (Trust) is extending the public comment period to September 19, 2008. Although the time for comments has been extended, the Trust requests that interested parties provide comments as soon as possible.

DATES: Written comments should be submitted on or before September 19, 2008.

ADDRESSES: Written comments may be submitted to Main Post, Attn: Compliance Manager, The Presidio Trust, 34 Graham Street, P.O. Box 29052, San Francisco, CA 94129-0052. Electronic comments can be sent to Mainpost@Presidiotrust.gov. Please be aware that all comments and information submitted will be made available to the public, including, without limitation, any postal address, e-mail address, phone number, or other information contained in each submission.

SUPPLEMENTARY INFORMATION: In accordance with the National Environmental Policy Act, the Trust is requesting public comment on the Presidio Trust Management Plan (PTMP) Main Post Update Draft SEIS.

The Draft SEIS evaluates alternatives to the planning concept for the 120-acre Main Post district at the Presidio of San Francisco identified in the 2002 PTMP, the Trust's comprehensive land use plan and policy framework. The Draft SEIS considers planning proposals that were not anticipated in the PTMP, including a contemporary art museum and a lodge, and identifies Alternative 2 as the proposed action, which is further described in the PTMP Main Post Update.

Interested parties have requested that the Trust extend the public comment period. By extending the comment period, the Trust anticipates more in-depth comments on the Draft SEIS, which will promote a better-informed decision on the proposed action. The PTMP Main Post Update and Draft SEIS can be reviewed at local libraries and the Trust headquarters at the address given above, and on the Trust Web site at <http://www.Presidio.gov> in the Major Projects section.

DEPARTMENT OF TRANSPORTATION

[Docket No. DOT-OST-2008-0182]

Office of Small and Disadvantaged Business Utilization (OSDBU); Notice of Request for Renewal of Data Collection by the Office of Small and Disadvantaged Business Utilization's (OSDBU) Regional Small Business Transportation Resource Centers (SBTRCs); Agency Information Collection Activities; Request for Comments, Renewal and Approval of Information Collection(s): Regional Center Intake Form (DOT F 4500) and Regional Resource Center Monthly Report Form (DOT F 4502)

AGENCY: Office of the Secretary, DOT.

ACTION: Notice and request for comments.

SUMMARY: The Office of Small and Disadvantaged Business Utilization (OSDBU) invites the public to comment about our intention to request the Office of Management and Budget's (OMB) approval to renew information collection forms, associated with OSDBU. The collection involves the use of the Regional Center Intake Form,

(DOT F 4500) which documents the type of assistance provided to each small business that is enrolled in the program.

The use of the Regional Resource Center Monthly Report Form, (DOT F 4502) will highlight activities, such as counseling, marketing, meetings/conferences, and services to businesses as completed during the month. The information will be used to ascertain whether the program is providing services to its constituency, the small business community, in a fair and equitable manner. The information collected is necessary to determine whether small businesses are participating in DOT funded and DOT assisted opportunities with the DOT.

The Counseling Information Form, (DOT F 4640.1) has been eliminated and the information contained in that form is now consolidated into the Regional Resource Center Monthly Report Form (formerly titled Monthly Report of Operations Form). To eliminate duplication and to streamline the data collection process, OSDBU revised the Monthly Report of Operations Form into the Regional Resource Center Monthly Report Form.

We are required to publish this notice in the **Federal Register** by the Paperwork Reduction Act of 1995. On June 26, 2008, OSDBU published a 60-day notice in the **Federal Register** (73 FR 36368) Docket #OST-2008-0182, informing the public of OSDBU's intention to extend an approved information collection.

DATES: Written comments should be submitted by: September 2, 2008 and submitted to the attention of the DOT/OST Desk Officer, Office of Information and Regulatory Affairs, Office of Management and Budget, Docket library, Room 10102, 725 17th Street, NW., Washington, DC 20503 or oir_submission@omb.eop.gov (e-mail).

Jackson, 202-366-5344 Office of Small and Disadvantaged Business Utilization, Office of the Secretary, U.S. Department of Transportation, 1200 New Jersey Avenue, SE., Room W56 462, Washington, DC 20590. SUPPLEMENTARY INFORMATION:

Title: U.S. Department of Transportation, Office of Small and Disadvantaged Business Utilization (OSDBU)

OMB Control No: 2105-0554; Form No.: DOT F 4500, Regional Center Intake Form and Form No.: DOT F 4502, Regional Resource Center Monthly Report Form.

Abstract: In accordance with Public Law 95–507, an amendment to the Small Business Act and the Small Business Investment Act of 1953, OSDBU is responsible for the implementation and execution of the Department of Transportation (DOT) activities on behalf of small businesses, in accordance with Section 8, 15 and 31 of the Small Business Act (SBA), as amended. The Office of Small and Disadvantaged Business Utilization also administers the provisions of Title 49, of the United States Code, Section 332, the Minority Resource Center (MRC) which includes the duties of advocacy, outreach and financial services on behalf of small and disadvantaged business businesses and those certified under CFR 49 parts 23 and or 26 as Disadvantaged Business Enterprises (DBE). The cumulative data collected will be analyzed by the OSDBU to determine the effectiveness of services provided, including counseling, outreach, and financial services. Such data will also be analyzed by the OSDBU to determine agency effectiveness in assisting small businesses to enhance their opportunities to participate in government contracts and subcontracts.

The Regional Center Intake Form, (DOT F 4500) is used by the Regional SBTRC staff to enroll small business clients into the program in order to create a viable database of firms that can participate in government contracts and subcontracts, especially those projects that are transportation related. In addition, each enrolled small business will be assigned a client number that can track the firm's involvement in the services offered by the SBTRCs. Each area on the form must be filled in

electronically by the SBTRCs and retained in secured files of the client. The completion of the form is used as a tool for making decisions about the needs of the business, such as; referral to technical assistance agencies for help, identifying the type of profession or trade of the business, the type of certification that the business holds, length of time in business, and location of the firm. The SBTRCs must complete an Intake Form and retain copies in secured files in their offices. A limited amount of privacy information is requested on this form. We have informed the public that the Privacy Act is stated on the form. Under the Privacy Act (5 U.S.C. 552) any person can request to see or get copies of any personal information that DOT has in his or her file, when that file is retrievable by individual identifiers, such as name or social security numbers. Request for information about another party may be denied unless DOT has the written permission of the individual to release the information to the requestor or unless the information is subject to disclosure under the Freedom of Information Act. This can assist the SBTRCs in developing a business plan or adjusting their business plan to increase its ability to market its goods and services to buyers and potential users of their services.
