INTERNATIONAL TRADE COMMISSION

[Investigation No. 731-TA-747 (Second Review)]

Fresh Tomatoes From Mexico

AGENCY: United States International Trade Commission.

ACTION: Termination of five-year review and resumption of antidumping investigation.

SUMMARY: The subject five-year review was instituted on November 1, 2007, to determine whether termination of the suspended investigation on fresh tomatoes from Mexico would be likely to lead to continuation or recurrence of material injury (72 FR 61903, November 1, 2007). On November 26, 2007, Mexican tomato growers/exporters accounting for a significant percentage of all fresh tomatoes imported into the United States from Mexico provided written notice to the Department of Commerce of their withdrawal from the agreement suspending the antidumping investigation on fresh tomatoes from Mexico. Effective January 18, 2008, the Department of Commerce terminated the suspension agreement, terminated the five-year review of the suspended investigation, and resumed the antidumping investigation on fresh tomatoes from Mexico because the suspension agreement no longer covered substantially all imports of fresh tomatoes from Mexico (73 FR 2887, January 16, 2008). Accordingly, the U.S. International Trade Commission gives notice of the termination of its review and the resumption of its antidumping investigation involving imports of fresh tomatoes from Mexico. A schedule for the final phase of the investigation will be established and announced at a later date.

DATES: *Effective Date:* January 18, 2008.

Background

The Commission instituted these reviews effective February 1, 2007 (72 FR 4293) and determined on May 7, 2007 that it would conduct full reviews (72 FR 28071, May 18, 2007). The hearing was held in Washington, DC, on November 6, 2007, and all persons who requested the opportunity were permitted to appear in person or by counsel.

The Commission transmitted its determinations in these reviews to the Secretary of Commerce on January 25,

¹ The record is defined in sec. 207.2(f) of the Commission's Rules of Practice and Procedure (19 CFR 207.2(f)).

Notice is hereby given that on January 8, 2008, a proposed Consent Decree ("Taylor Borough Consent Decree") in *United States v. City of Scranton*, Civil Action No. CV-86-1591 was lodged

with the United States District Court for the Middle District of Pennsylvania.
