("Toscelik"). *See Initiation of Antidumping and Countervailing Duty Administrative Reviews and Request for Revocation in Part*, 73 FR 37409 (July 1, 2008). SUPPLEMENTARY INFORMATION:

Background

On May 5, 2008, the Department of Commerce ("the Department") published in the **Federal Register** the notice of the "Opportunity to Request Administrative Review" of the antidumping duty order on welded carbon steel pipe and tube from Turkey, for the period May 1, 2007, through April 30, 2008 (73 FR 24532). On May 30, 2008, we received a request from the petitioner¹ to review Toscelik. On July 1, 2008, we published the notice of initiation of this antidumping duty administrative review with respect to Toscelik. *See Initiation of Antidumping and Countervailing Duty Administrative Reviews and Request for Revocation in Part*, 73 FR 37409 (July 1, 2008). On July 8, 2008, Toscelik submitted a letter certifying that it did not, directly or indirectly, export or sell for consumption in the United States any subject merchandise during the period of review ("POR").

Scope of the Order

The products covered by this order include circular welded non-alloy steel pipes and tubes, of circular cross-section, not more than 406.4 millimeters (16 inches) in outside diameter, regardless of wall thickness, surface finish (black, or galvanized, painted), or end finish (plain end, beveled end, threaded and coupled). Those pipes and tubes are generally known as standard pipe, though they may also be called structural or mechanical tubing in certain applications. Standard pipes and tubes are intended for the low pressure conveyance of water, steam, natural gas, air, and other liquids and gases in plumbing and heating systems, air conditioner units, automatic sprinkler

¹ The petitioner is Allied Tube and Conduit.

systems, and other related uses. Standard pipe may also be used for light load-bearing and mechanical applications, such as for fence tubing, and for protection of electrical wiring, such as conduit shells.

The scope is not limited to standard pipe and fence tubing, or those types of mechanical and structural pipe that are used in standard pipe applications. All carbon steel pipes and tubes within the physical description outlined above are included in the scope of this order, except for line pipe, oil country tubular goods, boiler tubing, cold-drawn or cold-rolled mechanical tubing, pipe and tube hollows for redraws, finished scaffolding, and finished rigid conduit.

Imports of these products are currently classifiable under the following Harmonized Tariff Schedule of the United States ("HTSUS") subheadings: 7306.30.10.00, 7306.30.50.25, 7306.30.50.32, 7306.30.50.40, 7306.30.50.55, 7306.30.50.85, and 7306.30.50.90. Although the HTSUS subheadings are provided for convenience and customs purposes, our written description of the scope of this proceeding is dispositive.

Intent to Rescind the 2007–2008 Administrative Review, in Part

Toscelik submitted a letter on July 8, 2008, certifying that it did not, directly or indirectly, export or sell for consumption in the United States any subject merchandise during the POR. The petitioner did not comment on Toscelik's no-shipment claim.

We conducted an internal customs data query on July 23, 2008. *See* September 29, 2005, Memorandum to The File through James Terpstra, Program Manager, entitled "Internal Customs Data Query." The data query indicated Toscelik had no entries, exports, or sales to the United States of subject merchandise during the POR.

Based on our analysis of the shipment data, Toscelik is a non-shipper for this review. Therefore, in accordance with 19 CFR 351.213(d)(3), and consistent with our practice, we preliminarily determine to rescind this review. *See e.g., Stainless Steel Bar from India; Preliminary Results of Antidumping Duty Administrative Review and New Shipper Review, and Partial Rescission of Administrative Review*, 65 FR 12209 (March 8, 2000); *Persulfates From the People's Republic of China; Preliminary Results of Antidumping Duty Administrative Review and Partial Rescission of Administrative Review*, 65 FR 18963 (April 10, 2000).

An interested party may request a hearing within 30 days of publication of this preliminary notice. *See* 19 CFR 351.310(c). Any hearing, if requested, will be held 44 days after the date of publication of this preliminary notice, or the first working day thereafter. Interested parties may submit case briefs no later than 30 days after the date of publication of this preliminary notice. *See* 19 CFR 351.309(c)(ii). The Department will issue the final notice, which will include the results of its analysis of issues raised in any such comments, or at a hearing, if requested, within 120 days of publication of this preliminary notice.

Dated: October 01, 1008.

Certain Orange Juice from Brazil: Preliminary Results of Antidumping Duty Changed Circumstances Review and Intent Not to Revoke, In Part

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: October 10, 2008.

SUMMARY: On April 29, 2008, the Department of Commerce (the Department) published a notice of initiation of a changed circumstances review of the antidumping duty order on certain orange juice from Brazil to consider partially revoking the order to exclude ultra low pulp orange juice (ULPOJ) pursuant to section 751(b)(1) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.216(b) and

351.222(g)(1)(i). *See Certain Orange Juice from Brazil: Initiation of Antidumping Duty Changed Circumstances Review*, 73 FR 23182 (Apr. 29, 2008) (*Initiation Notice*). Upon analyzing the industry support information provided by the interested parties participating in this review, we preliminarily determine there is not sufficient industry support for the Department to partially revoke the order on certain orange juice from Brazil to exclude ULPOJ.

FOR FURTHER INFORMATION CONTACT:

Elizabeth Eastwood or Henry Almond; AD/CVD Operations, Office 2, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482–3874 or (202) 482–0049, respectively.

SUPPLEMENTARY INFORMATION:

Background

On March 9, 2006, the Department published in the **Federal Register** an antidumping duty order on certain orange juice from Brazil. *See Antidumping Duty Order: Certain Orange Juice from Brazil*, 72 FR 12183 (Mar. 9, 2006).

On June 14, 2007, Tropicana Products, Inc. (Tropicana) requested that the Department initiate a changed circumstances review to consider partially revoking the antidumping duty order on certain orange juice from Brazil to exclude ULPOJ. According to Tropicana, producers accounting for substantially all of the production of the domestic like product have no interest in maintaining the order on ULPOJ, and no domestic producer is capable of producing ULPOJ.

On July 24, 2007, we notified Tropicana that its June 14 request was insufficient for the Department to initiate a changed circumstances review, and we requested documentation from Tropicana regarding its industry support assertions and further information regarding the pulp content of ULPOJ. On January 31, 2008, Tropicana responded to the Department's request for information, providing: 1) letters of support from processors either supporting or not opposing Tropicana's request to exclude ULPOJ from the order; 2) a calculation of the level of industry support; and 3) documentation regarding the pulp content of ULPOJ.

On February 29, 2008, we received comments from Florida Citrus Mutual, A. Duda & Sons, Inc. (doing business as Citrus Belle), and Citrus World, Inc., all
