AGENCY: Office of the Assistant Secretary for Community Planning and Development, HUD.

ACTION: Notice.

SUMMARY: This Notice identifies unutilized, underutilized, excess, and surplus Federal property reviewed by HUD for suitability for possible use to assist the homeless.

call the toll-free Title V information line at 800-927-7588.

SUPPLEMENTARY INFORMATION: In accordance with 24 CFR part 581 and section 501 of the Stewart B. McKinney Homeless Assistance Act (42 U.S.C. 11411), as amended, HUD is publishing this Notice to identify Federal buildings and other real property that HUD has reviewed for suitability for use to assist the homeless. The properties were reviewed using information provided to HUD by Federal landholding agencies regarding unutilized and underutilized buildings and real property controlled by such agencies or by GSA regarding its inventory of excess or surplus Federal property. This Notice is also published in order to comply with the December 12, 1988 Court Order in *National Coalition for the Homeless v. Veterans Administration*, No. 88-2503-OG (D.D.C.).

Properties reviewed are listed in this Notice according to the following categories: Suitable/available, suitable/unavailable, suitable/to be excess, and unsuitable. The properties listed in the three suitable categories have been reviewed by the landholding agencies, and each agency has transmitted to HUD: (1) Its intention to make the property available for use to assist the homeless, (2) its intention to declare the property excess to the agency's needs, or (3) a statement of the reasons that the property cannot be declared excess or made available for use as facilities to assist the homeless.

Properties listed as suitable/available will be available exclusively for homeless use for a period of 60 days from the date of this Notice. Where property is described as for "off-site use only" recipients of the property will be required to relocate the building to their own site at their own expense. Homeless assistance providers interested in any such property should send a written expression of interest to HHS, addressed to Theresa Rita, Division of Property Management, Program Support Center, HHS, room 5B-17, 5600 Fishers Lane, Rockville, MD 20857; (301) 443-2265. (This is not a toll-free number.) HHS will mail to the interested provider an application packet, which will include instructions for completing the application. In order to maximize the opportunity to utilize a suitable property, providers should submit their written expressions of interest as soon as possible. For complete details concerning the processing of applications, the reader is encouraged to refer to the interim rule governing this program, 24 CFR part 581.

For properties listed as suitable/to be excess, that property may, if subsequently accepted as excess by GSA, be made available for use by the homeless in accordance with applicable law, subject to screening for other Federal use. At the appropriate time, HUD will publish the property in a Notice showing it as either suitable/available or suitable/unavailable.

For properties listed as suitable/unavailable, the landholding agency has decided that the property cannot be declared excess or made available for use to assist the homeless, and the property will not be available.

Properties listed as unsuitable will not be made available for any other purpose for 20 days from the date of this Notice. Homeless assistance providers interested in a review by HUD of the determination of unsuitability should call the toll free information line at 1-800-927-7588 for detailed instructions or write a letter to Mark Johnston at the address listed at the beginning of this Notice. Included in the request for review should be the property address (including zip code), the date of publication in the **Federal Register**, the landholding agency, and the property number.

For more information regarding particular properties identified in this Notice (*i.e.*, acreage, floor plan, existing sanitary facilities, exact street address), providers should contact the appropriate landholding agencies at the following addresses: *Coast Guard*: Commandant, United States Coast Guard, Attn: Teresa Sheinberg, 2100 Second St, SW., Rm 6109, Washington, DC 20593-0001; (202) 267-6142; *Energy*: Mr. Mark Price, Department of Energy, Office of Engineering and Construction Management, 1000 Independence Ave., SW., Washington, DC 20585; (202) 586-5422; *GSA*: Mr. John Smith, Deputy Assistant Commissioner, General Services Administration, Office of Property Disposal, 18th & F Streets, NW., Washington, DC 20405; (202) 501-0084; *Navy*: Mrs. Mary Arndt, Acting Director, Department of the Navy, Real Estate Services, Naval Facilities Engineering Command, Washington Navy Yard, 1322 Patterson Ave., SE., Suite 1000, Washington, DC 20374-5065; (202) 685-9305; (These are not toll-free numbers).

BILLING CODE 4210-67-P

DEPARTMENT OF THE INTERIOR

Bureau of Land Management

[CA 660-07-5101-ER]

Notice of Availability of Final Environmental Impact Statement/Environmental Impact Report (EIS/EIR) for the Proposed Mountain View IV Wind Energy Project

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice of Availability.

SUMMARY: In accordance with the National Environmental Policy Act of 1969 (NEPA, 42 U.S.C. 4321 *et seq.*) and the Federal Land Policy and Management Act of 1976 (FLPMA, 43 U.S.C. 1701 *et seq.*), the Bureau of Land Management (BLM), with the City of Palm Springs, has prepared a Final Environmental Impact Statement/Environmental Impact Report (EIS/EIR) for the proposed Mountain View IV Wind Energy Project and by this notice is announcing the availability of the document. The BLM is the lead Federal agency for the preparation of this EIS and the City of Palm Springs is the lead State of California agency for the preparation of this EIR.

DATES: The document will be available for 30 days following publication of a Notice of Availability (NOA) of this document, in the **Federal Register**, by the Environmental Protection Agency (EPA). The BLM will not issue a final decision on the proposal for a minimum of 30 days following publication of EPA's NOA.

ADDRESSES: A copy of the Final EIS/EIR for the Proposed Mountain View IV Wind Energy Project is available for review at the BLM Palm Springs-South Coast Field Office, 690 W. Garnet Avenue, North Palm Springs, California, during regular business hours of 7:45 a.m. to 4:30 p.m., Monday through Friday, except holidays, and at the Palm Springs Public Library located at 300 South Sunrise Way, Palm Springs, CA 92262. Copies are also available via the Internet at <http://www.blm.gov/ca/palmsprings>. Electronic (on CD-ROM) or paper copies may also be obtained by contacting the BLM at the aforementioned address.

FOR FURTHER INFORMATION CONTACT: For further information contact Greg Hill, Bureau of Land Management, Palm Springs-South Coast Field Office, (760) 251-4840, or by e-mail at Greg_Hill@ca.blm.gov.

SUPPLEMENTARY INFORMATION: Mountain View Power Partners IV, LLC has applied for a right-of-way on public lands and a conditional use permit on private lands to construct a wind energy generating facility in the Coachella Valley, in Riverside County. The project site is west of Indian Avenue and is within the corporate boundary of the City of Palm Springs and within the planning area for the draft Coachella Valley Multiple Species Habitat Conservation Plan. Operations are expected to last approximately 30 years. The proposed project would install a total of approximately 42 to 50 wind turbines on public and private lands, with a total generating capacity of approximately 49 megawatts. Related structures would include access roads, a 34.5-kV powerline and an electrical substation. If approved, the wind energy generating facility on public lands would be authorized in accordance with Title V of FLPMA and the Federal regulations at 43 CFR part 2800. The proposed project would take approximately 7 months to construct. A Notice of Intent To Prepare an EIS/EIR was published in the **Federal Register** on June 5, 2006, and invited comments on issues which may have been relevant to preparation of the document. A public scoping meeting was held on June 27, 2006 in the City of Palm Springs. The Draft EIS/EIR was released for public review, with a 45-day comment period, on February 23, 2007. Following release of the Draft EIS/EIR, a public meeting was held to solicit additional comments on the document. Two comment letters were submitted on the Draft EIS/EIR. No comments contained in these letters resulted in substantive changes being made to the Draft EIS/EIR in preparing the Final EIS/EIR.

The BLM will consider any comments submitted during this period to determine whether they identify significant new circumstances or information relevant to environmental concerns bearing upon the proposed action. The BLM will prepare a Record of Decision (ROD) for the proposed project after the 30-day period following publication of the NOA. Before including your address, phone number, e-mail address, or other personal identifying information in your comment, you should be aware that your entire comment—including your
