

is no registration fee for the public workshop. Early registration is recommended because seating is limited to 175 attendees. Registration on the day of the public workshop will be provided on a space available basis beginning at 7:30 a.m.

If you need special accommodations due to a disability, please contact Rhonda Dawson at least 7 days in advance of the workshop.

SUPPLEMENTARY INFORMATION: FDA; the National Heart, Lung, and Blood Institute, National Institutes of Health; and the Department of Health and Human Services' Office of the Secretary and Office of Public Health and Science are co-sponsoring this public workshop. The primary goal of the workshop is to discuss what is known about the safety of HBOCs, and possible paths forward for development of these products. Topics to be discussed on April 29, 2008, will include: (1) Introduction to the issues and unmet needs surrounding HBOC development, (2) overview of the physiology and chemistry of hemoglobin in HBOCs, (3) nitric oxide physiology and pathophysiology related to HBOCs, (4) review of nonclinical studies of HBOCs, (5) risk-benefit considerations in clinical trials of HBOCs, (6) proposed clinical indications for HBOCs, and (7) industry's experience with HBOC clinical trials. Panel deliberations on the safety and efficacy of HBOCs in various clinical settings and potential mechanisms of effects on organs will be the main topics of discussion on April 30, 2008. We also will discuss future development pathways with a focus on the use and development of animal models, biochemical redesign approaches, and alternative clinical designs where benefit exceeds risk.

Please note that on January 15, 2008, the FDA Web site transitioned to the Federal Dockets Management System (FDMS). FDMS is a Government-wide, electronic docket management system. Electronic submissions will be accepted by FDA through FDMS only.

Transcripts: Transcripts of the public workshop may be requested in writing from the Freedom of Information Office (HFI-35), Food and Drug Administration, 5600 Fishers Lane, rm. 6-30, Rockville, MD 20857, approximately 15 working days after the public workshop at a cost of 10 cents per page. A transcript of the public workshop will be available on the Internet at <http://www.fda.gov/cber/minutes/workshop-min.htm>.

Health Resources and Services Administration

Advisory Committee on Interdisciplinary, Community-Based Linkages; Notice of Request for Nominations

AGENCY: Health Resources and Services Administration, HHS.

ACTION: Notice.

SUMMARY: The Health Resources and Services Administration (HRSA) is requesting nominations to fill five (5) upcoming vacancies on the Advisory Committee on Interdisciplinary, Community-Based Linkages (ACICBL).

Authority: 42 U.S.C. 294f, section 756 of the PHS Act, as amended. The Advisory Committee is governed by provisions of Public Law (Pub. L.) 92-463, as amended (5 U.S.C. Appendix 2) which sets forth standards for the formation and use of advisory committees.

DATES: The Agency must receive nominations on or before March 12, 2008.

ADDRESSES: All nominations are to be submitted by mail to Louis D. Coccodrilli, Designated Federal Official, ACICBL, Bureau of Health Professions (BHP), HRSA, Parklawn Building, Room 9-05, 5600 Fishers Lane; Rockville, MD 20857.

FOR FURTHER INFORMATION CONTACT:

Adriana Guerra, Public Health Fellow, Division of Medicine and Dentistry, by e-mail aguerra@hrsa.gov or telephone, (301) 443-6194.

SUPPLEMENTARY INFORMATION: Under the authorities that established the ACICBL, the Federal Advisory Committee Act of October 6, 1972 (Pub. L. 92-463), and section 2119 of the Act, 42 U.S.C. 00aa-19, as added by Pub. L. 99-660 and amended, HRSA is requesting nominations for five (5) voting members.

The ACICBL provides advice and recommendations to the Secretary and to the Congress concerning policy, program development and other matters of significance related to interdisciplinary, community-based training grant programs authorized under sections 751-756, Title VII, Part

D of the Public Health Service Act. The ACICBL prepares an annual report describing the activities conducted during the fiscal year, identifying findings and developing recommendations to enhance Title VII Interdisciplinary, Community-Based Training Grant Programs. The Annual Report is submitted to the Secretary of the U.S. Department of Health and Human Services, and ranking members of the Committee on Health, Education, Labor and Pensions of the Senate, and the Committee on Energy and Commerce of the House of Representatives.

The Department of Health and Human Services is requesting a total of five (5) nominations for voting members of the ACICBL from schools that have administered or are currently administering awards from the following programs: Allied Health—one (1) nominee, Geriatric Education and Training Programs—one (1) nominee, and Health Education and Training Centers (HETCs)—one (1) nominee. Nominations are also requested for two (2) students, residents, and/or fellow representatives.

The legislation governing this Committee requires a fair balance of health professionals who represent the general population with regard to a broad geographic distribution and an evenness of urban and rural areas, along with professionals who are women and minorities. As such, the pool of appropriately qualified nominations should reflect these requirements to the degree possible.

Interested individuals may nominate multiple qualified professionals for membership to the ACICBL to allow the Secretary a diverse listing of highly qualified potential candidates. Nominees willing to serve as members of the ACICBL should not have an appearance of a conflict of interest that would preclude their participation. Potential candidates will be asked to provide detailed information concerning consultancies, research grants, or contracts to permit an evaluation of possible sources of conflicts of interest. In addition, a curriculum vitae and a statement of interest will be required of the nominee to support experience working with Title VII Interdisciplinary, Community-Based Training Grant Programs, expertise in the field, and personal desire in participating on a National Advisory Committee. Qualified candidates will be invited to serve a two or three-year term. All nominations must be received no later than March 12, 2008.

Dated: February 5, 2008.

Alexandra Huttinger,

Acting Director, Division of Policy Review and Coordination.
