Title: Information Collection for Document Delivery Services.

OMB Control Number: 0518-0027.

Summary of Collection: The National Agricultural Library (NAL) accepts requests from libraries and other organizations in accordance with the national and international interlibrary loan code and guidelines. In its national role, NAL collects and supplies copies or loans of agricultural materials not found elsewhere. 7 U.S.C. 3125a and 7 CFR part 505 gives NAL the authority to collect this information. NAL provides photocopies and loans of materials directly to USDA staff, other Federal agencies, libraries and other institutions, and indirectly to the public through their libraries. The Library charges for some of these activities through a fee schedule. In order to fill a request for reproduction or loan of items the library must have the name, mailing address, phone number of the respondent initiating the request, and may require either a fax number, e-mail address, or Ariel IP address. The collected information is used to deliver the material to the respondent, bill for and track payment of applicable fees, monitor the return to NAL of loaned material, identify and locate the requested material in NAL collections, and determine whether the respondent consents to the fees charged by NAL.

Need and Use of the Information: The NAL document delivery staff uses the information collected to identify the protocol for processing the request. The information collected determines whether the respondent is charged or exempt from any charges and what process the recipient uses to make payment if the request is chargeable. The staff also uses the information provided to process/package the reproduction or loan for delivery. Without the requested information NAL has no way to locate and deliver the loan or reproduction to the respondent, and thus cannot meet its mandate to supply agricultural material.

Description of Respondents: Federal Government; not-for-profit institutions; State, Local or Tribal Government; business or other for-profit.

Number of Respondents: 1,525.

Frequency of Responses: Reporting: On occasion.

Total Burden Hours: 506.

Summary of Collection: The U.S. Department of Agriculture, National Agricultural Library (NAL), Animal Welfare Information Center conducts a workshop titled "Meeting the Information Requirements of the Animal Welfare Act". The registration form collects information from interested parties necessary to register them for the workshop. The information includes: workshop data preferences, signature, name, title, organization name, mailing address, phone and fax numbers and e-mail address. The information will be collected using online and printed versions of the form. Also forms can be faxed or mailed.

Need and Use of the Information: NAL will collect information to register participants, contact them regarding schedule changes, control the number of participants due to limited resources and training space, and compile and customize class materials to meet the needs of the participants. Failure to collect the information would prohibit the delivery of the workshop and significantly inhibit NAL's ability to provide up-to-date information on the requirements of the Animal Welfare Act.
