

Increase of Award Amount: The January 22, 2009 NOAA also announced that the Fund expects that it will provide allocation awards of not more than \$100 million per applicant. Due to the additional allocation authority authorized through the Recovery Act, this notice announces that the Fund now expects that it may provide allocation awards of not more than \$125 million per applicant.

Waiver of QEI Issuance Requirements for CY 2008 Allocatees: The January 22, 2009 NOAA provided information regarding QEI issuance requirements for prior-year allocatees, including CY 2008 round allocatees. This notice announces that, for the CY 2009 round of the NMTC Program, a prior allocatee in the sixth round of the NMTC Program (CY 2008) is not required to issue a minimum amount of QEIs relating to its CY 2008 NMTC Allocation in order to be eligible for an allocation under the seventh round (CY 2009).

Reporting Requirements for CY 2009 Allocatees Receiving Recovery Act Allocations: The January 22, 2009 NOAA indicated that each applicant that is selected to receive a NMTC allocation (including the applicant's Subsidiary transferees) must sign a Notice of Allocation and enter into an Allocation Agreement with the Fund. The Notice of Allocation and Allocation Agreement will set forth certain required terms and conditions of the NMTC allocation which will include, among other things, reporting requirements for all applicants receiving NMTC allocations. This notice announces that, due to the nature of the Recovery Act, it is expected that allocatees receiving NMTC allocations under the Recovery Act will be required, at a minimum, to: (i) Invest QEI proceeds in low-income communities in an expedited manner; (ii) track the use of these QEI proceeds on all investments; and (iii) provide data to the Federal government on a quarterly basis that indicates how QEI proceeds were spent and the impacts (e.g., job creation) that were realized in the low-income communities. Specific reporting requirements are still under development and will be outlined in each allocatee's Allocation Agreement. In the meantime, the Fund encourages all allocatees to review the Office of Management and Budget's (OMB's) memorandum (M-09-10; http://www.whitehouse.gov/omb/assets/memoranda_fy2009/m09-10.pdf) regarding potential reporting requirements for organizations that receive awards under the Recovery Act, as well as any subsequent guidance

posted on OMB's or the Fund's Web site.

All other information and requirements set forth in the January 22, 2009 NOAA shall remain effective, as published.
