Public Notice for Waiver of Aeronautical Land-use Assurance; DeKalb-Taylor Municipal Airport, DeKalb, IL

AGENCY: Federal Aviation Administration, DOT.

ACTION: Notice of intent of waiver with respect to land.

SUMMARY: The Federal Aviation Administration (FAA) is considering a proposal to change a portion of airport land from aeronautical use to non-aeronautical use and to authorize the lease of airport property. The proposal consists of a leasing 3.528 acres of Lot 51 of the original M.D. Shipman's Farm parcel. Lot 51 became part of Tract No. 1 (16.83 acres) that was deeded to the City of DeKalb by the United States of America as government surplus property under the Surplus Property Act of 1944. Tract 1 also is currently subject to the National Emergency Use Provision (for times of National emergency), a condition that the City of DeKalb would also like to remove from the 3.528 parcel requesting the change in use. This subject land currently has a metal storage building on it miscellaneous bituminous and concrete drives and parking areas located on it. It is the intent of the City of DeKalb, as owner and operator of the DeKalb—Taylor Municipal Airport (DKB) to retain ownership of the 3.528 acre parcel and allow for commercial development on said parcel. This notice announces that the FAA is considering the proposal to authorize the change from aeronautical use to non-aeronautical use of the subject airport property at the DeKalb—Taylor Municipal Airport (DKB), DeKalb, IL. Approval does not constitute a commitment by the FAA to financially assist in the lease or development of the subject airport property nor a determination that all measures covered by the program are eligible for grant-in-aid funding from the FAA.

In accordance with section 47107(h) of Title 49, United States Code, this notice is required to be published in the

Federal Register 30 days before modifying the land-use assurance that requires the property to be used for an aeronautical purpose.
