Indian Health Service

Tribal Self-Governance Program; Planning Cooperative Agreement

Announcement Type: New.

Funding Announcement Number: HHS-2009-IHS-TSGP-0001.

Catalog of Federal Domestic Assistance Number: 93.444.

Key Dates:

Application Deadline Date: June 22, 2009.

Review Date: July 6–7, 2009.

Anticipated Start Date: August 3, 2009.

I. Funding Opportunity Description

The purpose of the Planning Cooperative Agreement is to provide resources to Tribes interested in participating in the Tribal Self-Governance Program (TSGP), as authorized by Public Law 106-260, the Tribal Self-Governance Amendments of 2000, Title V of the Indian Self-Determination and Education Assistance Act, Public Law 93-638, as amended (Title V) (25 U.S.C. 458aaa-2(e)). There is limited competition under this announcement because the authorizing legislation restricts eligibility to Tribes that meet specific criteria (Refer to Section III.1.A., Eligible Applicants in this announcement). The TSGP is designed to promote Self-Determination by enabling Tribes to assume control of Indian Health Service

(IHS) programs, services, functions, and activities, or portions thereof (PSFAs), through compacts negotiated with the IHS. The Planning Cooperative Agreement enables a Tribe to gather information on the current types of PSFAs and related funding available at the Service Unit, Area, and Headquarters levels.

This program is described at 93.444 in the Catalog of Federal Domestic Assistance (CFDA).

II. Award Information

Type of Awards: Cooperative Agreement.

Estimated Funds Available: The total amount identified for Fiscal Year (FY) 2009 is \$600,000 for approximately eight Tribes. Awards under this announcement are subject to the availability of funds.

Anticipated Number of Awards: The estimated number of awards to be funded is approximately eight.

Project Period: 12 months.

Award Amount: \$75,000 per year.

Programmatic Involvement: Planning Cooperative Agreements entail substantial IHS programmatic involvement to establish a basic understanding of PSFAs and associated funding at the Service Unit, Area, and Headquarters levels.

The IHS roles and responsibilities include:

- Providing a description of PSFAs and associated funding at all levels, including funding formulas and methodologies related to determining Tribal shares.
- Identifying IHS staff who will consult with applicants on methods currently used to manage and deliver health care.
- Providing applicants with statutes, regulations and policies that provide authority for administering IHS programs.

The grantee roles and responsibilities are critical to the success of the TSGP and include:

- Researching and analyzing the complex IHS budget to gain a thorough understanding of funding distribution at all levels and to determine which PSFAs the Tribe may elect to assume.
- Establishing a process by which Tribes can effectively approach the IHS to identify programs and associated funding which could be incorporated into their current programs.
- Determining the Tribe's share of each PSFA and evaluating the current level of health care services being provided to make an informed decision on new program assumption(s).

III. Eligibility Information

1. Eligible Applicants

To be eligible for a Planning Cooperative Agreement under this announcement, an applicant must:

A. Be a Federally-recognized Tribe as defined in 25 U.S.C. 450b(e). However, Alaska Native Villages or Alaska Native Village Corporations are not eligible if they are located within the area served by an Alaska Native regional health entity already participating in the Alaska Tribal Health Compact. Those Tribes not represented by a self-governance Tribal consortium funding agreement within their area may still be considered to participate in the TSGP.

B. Submit a Tribal resolution or other official action from the appropriate governing body authorizing the submission of the Planning Cooperative Agreement application. Tribal Consortia applying for a Tribal Self-Governance Planning Cooperative Agreement shall submit Tribal Council Resolutions from each Tribe in the consortium. Draft resolutions, submitted with the application, are acceptable in lieu of an official signed resolution. However, an official signed Tribal resolution must be received by the Division of Grants Management (DGM), Attn: John Hoffman, 801 Thompson Avenue, TMP, Suite 360, Rockville, MD 20852, prior to the evaluation on July 6, 2009. If an official signed resolution is not received by July 6, 2009, the application will be considered incomplete and will be returned without consideration.

* It is highly recommended that the Tribal resolution be sent by a delivery method that includes proof of receipt.

C. Demonstrate, for three fiscal years, financial stability and financial management capability, which is defined as no uncorrected significant and material audit exceptions in the required annual audit of the Indian Tribe's self-determination contracts or self-governance funding agreements with any Federal agency. Applicants are required to submit annual audit reports for the three fiscal years prior to the year in which the applicant is applying for the planning cooperative agreement. The applicants may scan the documents and attach them to the electronic application. If the applicant determines that the audit reports are too lengthy, the applicants may submit them separately via regular mail by the due date, June 22, 2009. Applicants sending in audits via regular mail must submit two copies of the audits for the three previous fiscal years under separate cover directly to the Division of Grants Management, Attn: John Hoffman, 801 Thompson Avenue, TMP, Suite 360,
