The electronic file of this document is available on the date of publication in the **Federal Register** at <http://www.gpoaccess.gov/fr/index.html>.

Background

On August 9, 2007, we issued an interim final rule permitting some attorney advisors to conduct certain prehearing procedures. 72 FR 44763. We instituted this practice to enable us to provide more timely service to the increasing number of applicants for Social Security disability benefits and SSI payments based on disability. We considered the public comments we received on the interim final rule and, on March 3, 2008, issued the rule without change as a final rule. 73 FR 11349. Under this rule, attorney advisors may develop claims and, in appropriate cases, issue fully favorable decisions.

We included in the interim final rule a provision that the program would end on August 10, 2009, unless we decided to either terminate the rule earlier or to extend it beyond that date. We explained that we would announce any such termination or extension by publishing a final rule. 72 FR 44763, 44764 (August 10, 2007).

Explanation of Changes

The number of requests for hearings has increased significantly in recent years, and we expect that trend to continue. While we are pursuing a number of initiatives to address this increase, it will take time to feel the full effects. The attorney advisor program is an important part of our ongoing efforts to decide cases efficiently, issue decisions timely, and reduce the number of claims pending at the hearing level. Accordingly, we have decided to extend the attorney advisor rule for two more years, until August 10, 2011. As before, we are reserving the authority to end the program earlier, or to extend it, by publishing a final rule in the **Federal Register**.

We are also making a minor editorial change to the language in this rule. We are changing the term “wholly favorable” to “fully favorable” in §§ 404.942 and 416.1442, for clarity and consistency.

Regulatory Procedures

Justification for Issuing Final Rule Without Notice and Comment

We follow the Administrative Procedure Act (APA) rulemaking procedures specified in 5 U.S.C. 553 when developing regulations. Section

702(a)(5) of the Social Security Act, 42 U.S.C. 902(a)(5). The APA provides exceptions to its notice and public comment procedures when an agency finds there is good cause for dispensing with such procedures because they are impracticable, unnecessary, or contrary to the public interest. We have determined that good cause exists for dispensing with the notice and public comment procedures for this rule. 5 U.S.C. 553(b)(B). Good cause exists because this final rule only extends the sunset date of an existing rule. It makes no substantive changes to the rule. The current regulations expressly provide that we may extend or terminate this rule. Therefore, we have determined that opportunity for prior comment is unnecessary, and we are issuing this rule as a final rule.

In addition, because we are not making any substantive changes to an existing rule, there is good cause for dispensing with the 30-day delay in the effective date of a substantive rule provided by 5 U.S.C. 553(d)(3). To ensure that we have uninterrupted authority to use attorney advisors to reduce the number of pending cases at the hearing level, it is in the public interest to make this final rule effective on the date of publication.

Executive Order 12866

We have consulted with the Office of Management and Budget (OMB) and determined that this final rule does not meet the criteria for a significant regulatory action under Executive Order 12866 and was not subject to OMB formal review.

Regulatory Flexibility Act

We certify that this final rule will not have a significant economic impact on a substantial number of small entities as it affects only persons. Therefore, a regulatory flexibility analysis is not required under the Regulatory Flexibility Act, as amended.

Paperwork Reduction Act

This final rule contains reporting requirements in the regulation sections listed below. However, because there are fewer than ten respondents for each section, the Paperwork Reduction Act of 1995 does not require us to seek OMB clearance for these sections.

Regulation section	Description of public reporting requirement	Number of respondents (annually)	Frequency of response	Average burden per response (minutes)	Estimated annual burden
404.942(a), 416.1442(a).	If prehearing proceedings are not complete before the date of a hearing, an administrative law judge (ALJ) will receive the case unless a fully favorable decision is in process or all of the parties in the hearing agree in writing to delay the hearing until the proceedings are completed.	Less than 10 (PRA exempt).
404.942(d), 416.1442(d).	If the attorney advisor issues a fully favorable decision under this section, we will mail a written notice of the decision to all parties at their last known address. We will state the basis for the decision and advise all parties that an ALJ will dismiss the hearing request unless a party requests that the hearing proceed. Parties who want to proceed with the hearing must request in writing within 30 days after the notice of the attorney advisor's decision is mailed.	Less than 10 (PRA-exempt).
