DEPARTMENT OF LABOR

Employment & Training Administration

[SGA/DFA–PY 08–17]

Solicitation for Grant Applications (SGA); Amendment One; State Labor Market Information Improvement Grants

AGENCY: Employment and Training Administration (ETA), Labor.

ACTION: Notice: Amendment to SGA/DFA–PY 08–17.

SUMMARY: The Employment and Training Administration published a document in the **Federal Register** on June 24, 2009, announcing the availability of funds and solicitation for grant applications (SGA) for State Labor Market Information Improvement Grants to be awarded through a competitive process. This amendment to the SGA clarifies items related to: (1) Strategies and Approaches (Section I.B.3.ii); (2) Evaluation Criteria, Deliverables (Section V.A.4.iii); (3) the number of applications from a Single State (Section III.A); and (4) Section B on Green Industries and Occupations (Supplementary Information). The changes in items 1 and 2 below were made in order to make the terminology for certificates or degrees match existing ETA definitions. The changes in items 3 and 4 below are to provide further

clarification on number of applications per Single State and targeted industries. The document is hereby amended.

1. *Section I.B.3.ii, “Funding Opportunity Description, Strategies and Approaches, Related Research Activities”* (page 30131) is revised by replacing the language designated below as “old text” with the language designated as “new text”:

a. *Old text:* “State-specific summaries of educational resources including post-secondary and higher educational institutions’ courses and programs leading to industry-recognized credentials, certifications, or degrees;”

b. *New text:* “State-specific summaries of educational resources including post-secondary and higher educational institutions’ courses and programs leading to certificates or degrees;”

2. *Section V.A.4.iii, “Application Review Information, Evaluation Criteria, Deliverables”* (page 30136) is revised by replacing the language designated below as “old text” with the language designated as “new text”:

a. *Old text:* “State-specific summaries of educational resources including post-secondary and higher educational institutions’ courses and programs leading to industry-recognized credentials, certifications, or degrees;”

b. *New text:* “State-specific summaries of educational resources including post-secondary and higher educational institutions’ courses and programs leading to certificates or degrees;”

3. *Section III.A, “Eligibility Information, Eligible Applicants”* (page 30131) is clarifying the number of applications that a Single State can submit. Accordingly, Section III.A. on p. 30131 is revised by replacing the language designated below as “old text” with the language designated as “new text”:

a. *Old text:* “Applicants must clearly indicate in the required grant abstract if they are applying as an individual State or as a consortium. Consortium applications must identify each participating State and designate a lead State as the applicant that will have the overall responsibility for administering the grant. The consortium lead State will coordinate reporting activities and must serve as the fiscal agent. Consortium applications will not count against the ‘single application’ per State limit for the partnering States, provided that the consortium proposal includes original strategies and is not duplicative of the strategies and deliverables included in the participating States’ individual applications.”

b. *New text:* “Applicants must clearly indicate in the required grant abstract if they are applying as an individual State or as a consortium. Consortium applications must identify each participating State and designate a lead State as the applicant that will have the overall responsibility for administering the grant. The consortium lead State will coordinate reporting activities and must serve as the fiscal agent. States may submit one application as a single State as well as one application as a consortium lead State. There is no limit to the number of consortium applications a State may be included with as a participating partner, provided that the consortium proposals include original strategies and are not duplicative of the strategies and deliverables included in the participating States’ individual applications.”

4. SUPPLEMENTARY INFORMATION,

Section B “Green Industries and Occupations” on p. 30129 is revised to include the following statement:

New Text: “We will also evaluate applications for projects that include emerging green occupations from industries that have not been discussed in this section.”

NATIONAL CREDIT UNION ADMINISTRATION

Temporary Corporate Credit Union Liquidity Guarantee Program

AGENCY: National Credit Union Administration (NCUA).

ACTION: Notice.

SUMMARY: This notice contains information about revisions to the National Credit Union Administration’s Temporary Corporate Credit Union Liquidity Guarantee Program (TCCULGP).

ADDRESSES: 1775 Duke Street, Alexandria, Virginia 22314.

FOR FURTHER INFORMATION CONTACT: Dianne Salva, Trial Attorney, Office of General Counsel, at the above address or telephone (703) 518–6540.

SUPPLEMENTARY INFORMATION:

On October 16, 2008, the National Credit Union Administration Board approved the TCCULGP. Under the terms of this original TCCULGP, the National Credit Union Share Insurance Fund (NCUSIF) guaranteed certain unsecured debt of participating corporate credit unions (corporates) issued from October 16, 2008 through June 30, 2009, and maturing on or before June 30, 2012. NCUA published notice of the original TCCULGP in the **Federal Register**, 73 FR 68450 (November 18, 2008). NCUA also published a list of corporates that agreed to participate in the original TCCULGP on NCUA's Web site at <http://www.ncua.gov/CorporateCU/index.htm>.

On May 21, 2009, the NCUA extended the terms and conditions of the TCCULGP and revised the fees charged to corporates participating in the program. It published notice of those changes in the **Federal Register**, 74 FR 25777 (May 29, 2009). On June 18, 2009 the NCUA Board decided to legally obligate the TCCUSF for any liability arising from the TCCULGP. At its July 16 meeting, the NCUA Board also decided to refine and improve the TCCULGP, by amending the agreement with participating corporates and adding sample forms that investors may use to file a claim for payment and assign their interests in the investment, in the event a default occurs under the program.

The Proof of Claim form and Assignment reproduced below are for the reference of interested parties. They are also available on the NCUA Web site at <http://www.ncua.gov/Resources/CorporateStabilization/Index>. While these are examples of such documents that the NCUA Board finds acceptable, their use is not mandatory. Investors who wish to use other written documents to file their claim or assign their interests may do so, as long as the documents they submit are acceptable to the NCUA Board in its capacity as manager of the TCCUSF.

Form of TCCULGP Assignment

The undersigned is the holder ("Holder") or a duly authorized representative ("Representative") of a holder or holders of Temporary Corporate Credit Union Stabilization Fund ("TCCUSF") guaranteed debt under the _____ [insert title of governing document and CUSIP Number, if any] dated _____ [insert month, day and year] by and between _____ Credit Union ("Issuer"), as the Issuer, and the undersigned (as amended from time to time, the "Agreement"), pursuant to which the TCCUSF-guaranteed debt obligations were issued by _____ Credit Union and are now outstanding. The undersigned Holder, or Representative on behalf of all holders, has demanded payment of amounts due and payable, and that are now in default, such default not having been cured as of the date hereof.

In conjunction with that demand, the undersigned Holder, or Representative on behalf of all holders, has executed and submits this Assignment made pursuant to the terms of Section [] of the Agreement. Capitalized terms used herein and not otherwise defined herein shall have the meanings assigned thereto in the Agreement.

For value received, the undersigned Holder, or Representative on behalf of all holders, (the "Assignor"), hereby assigns to the National Credit Union Administration ("NCUA") TCCUSF, without recourse, all of the Assignor's respective rights, title and interest in and to: (a) The promissory note or other instrument evidencing the debt issued under the Agreement (the "Note"); (b) the Agreement pursuant to which the Note was issued; and (c) any other instrument or agreement executed by the Issuer regarding obligations of the Issuer under the Note or the Agreement (collectively, the "Assignment").

The Assignor acknowledges and agrees that this Assignment is subject to the Agreement and to the following:

b. After the TCCUSF's first guarantee payment under the Agreement, the Assignor shall forward promptly to the TCCUSF such Non-TCCUSF Payment in accordance with the payment instructions provided in writing by the TCCUSF.

2) Acceptance by the Assignor of payment pursuant to the TCCULGP for its own behalf, or in the case of a Representative Assignor, on behalf of the holders, shall constitute a release by such Holder or holders of any liability of the TCCUSF and the NCUA under the TCCULGP with respect to such payment.

The person who is executing this Assignment on behalf of the Assignor hereby represents and warrants to the NCUA and the TCCUSF that he/she/it is duly authorized to do so.

IN WITNESS WHEREOF, the Assignor has caused this instrument to be executed and delivered this ____ day of ____, 20__.

Very truly yours,

[Assignor]
