The Department of Labor (DOL) hereby announces the submission of the following public information collection requests (ICR) to the Office of Management and Budget (OMB) for review and approval in accordance with the Paperwork Reduction Act of 1995 (Pub. L. 104–13, 44 U.S.C. chapter 35). A copy of each ICR, with applicable supporting documentation; including among other things a description of the likely respondents, proposed frequency of response, and estimated total burden may be obtained from the RegInfo.gov Web site at <http://www.reginfo.gov/public/do/PRAMain> or by contacting Darrin King on 202–693–4129 (this is not a toll-free number)/e-mail: DOL_PRA_PUBLIC@dol.gov.

Interested parties are encouraged to send comments to the Office of Information and Regulatory Affairs, Attn: OMB Desk Officer for the Department of Labor–Employee Benefits Security Administration (EBSA), Office of Management and Budget, Room 10235, Washington, DC 20503, Telephone: 202–395–7316/Fax: 202–395–5806 (these are not toll-free numbers), E-mail: OIRA_submission@omb.eop.gov within 30 days from the date of this publication in the **Federal Register**. In order to ensure the appropriate consideration, comments should reference the OMB Control Number (see below).

The OMB is particularly interested in comments which:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

Agency: Employee Benefits Security Administration.

Type of Review: Extension without change of a currently approved collection.

Title of Collection: Prohibited Transaction Class Exemption for Cross-Trades of Securities by Index and Model-Driven Funds (PTE 2002–12).

OMB Control Number: 1210–0115.

Affected Public: Businesses or other for-profits.

Estimated Number of Respondents: 60.

Total Estimated Annual Burden Hours: 855.

Total Estimated Annual Costs Burden (excludes hourly wage costs): \$509.

Description: PTE 2002–12 exempts certain transactions that would be prohibited under the Employee Retirement Income Security Act of 1974 (the Act or ERISA) and the Federal Employees' Retirement System Act (FERSA), and provides relief from certain sanctions of the Internal Revenue Code of 1986 (the Code). The exemption permits cross-trades of securities among Index and Model-Driven Funds (Funds) managed by managers (Managers), and among such Funds and certain large accounts (Large Accounts) that engage such Managers to carry out a specific portfolio restructuring program or to otherwise act as a “trading adviser” for such a program. By removing existing barriers to these types of transactions, the exemption increases the incidences of cross-trading, thereby lowering the transaction costs to plans in a number of ways from what they would be otherwise. For additional information,

see related notice published at 74 FR 17985 on April 20, 2009.

Agency: Employee Benefits Security Administration.

Type of Review: Extension without change of a currently approved collection.

Title of Collection: Bank Collective Investment Funds; Prohibited Transaction Class Exemption 91–38.

OMB Control Number: 1210–0082.

Affected Public: Businesses or other for-profits.

Estimated Number of Respondents: 3,600.

Total Estimated Annual Burden Hours: 600.

Total Estimated Annual Costs Burden (excludes hourly wage costs): \$0.

Description: PTE 91–38 provides an exemption from the prohibited transaction provisions of the Employee Retirement Income Security Act of 1974 (ERISA) for certain transactions between a bank collective investment fund and persons who are parties in interest with respect to an employee benefit plan. Without the exemption, sections 406 and 407(a) of ERISA and section 4975(c)(1) of the Internal Revenue Code may prohibit transactions between the collective investment fund (CIF) and a party in interest to one or more of the employee benefit plans participating in the collective investment fund. Under PTE 91–38, a collective investment fund generally may engage in transactions with parties in interest to a plan that invests in the fund as long as the plan's total investment in the fund does not exceed a specified percentage of the total assets of the fund. The PTE also contains more limited or differently defined relief for funds holding more than the specified percentage, for multiemployer plans, and for transactions involving employer securities and employer real property. In order to ensure that the rights of participants and beneficiaries are protected, and that bank collective investment funds can demonstrate compliance with the terms of the exemption, the Department requires a bank to maintain records regarding the exempted transactions and make them available for inspection to specified interested persons (including the Department and the Internal Revenue Service) on request for a period of six years. For additional information, see related notice published at 74 FR 17988 on April 20, 2009.

Agency: Employee Benefits Security Administration.

Type of Review: Extension without change of a currently approved collection.
