SUPPLEMENTARY INFORMATION: USAID is proposing to alter its system of records pursuant to the Privacy Act (5 U.S.C. 552a), entitled the Deployment Tracking System (DTS). This system was established to support USAID's responsibilities as part of an interagency effort led by the Department of State, known as the Civilian Response Corps (CRC). In order to participate as a partner agency, USAID must have mechanisms in place to identify, assign or employ personnel with appropriate skill sets and have the ability to mobilize these resources rapidly in response to stabilization crisis.

USAID is proposing to alter its "Deployment Tracking System Records" to increase the categories of records contained within the system of records.

This expansion is needed in order to fully participate with the other partner agencies and meet the data collection requirements of the CRC. USAID proposes to add the following categories of records: Citizenship, military service information, social security number, medical clearance information and security clearance information. This information is required by the CRC to help determine which individuals are appropriate for each mission, assist in coordinating visas, registering individuals on military flights, ensuring individuals are properly cleared for deployment and determining if an individual has the appropriate clearances to attend briefings.

Philip M. Heneghan,
Chief Privacy Officer.

SUPPLEMENTARY INFORMATION:

Background

In response to timely requests by two manufacturers/exporters, on August 26, 2008, the Department published in the **Federal Register** a notice of initiation of an administrative review of the antidumping duty order on certain SSSSC from Japan with respect to Hitachi Cable and NKKK covering the period July 1, 2007, through June 30, 2008. *See Initiation of Antidumping and Countervailing Duty Administrative Reviews*, 73 FR 50308 (August 26, 2008).

On September 4, 2008, we issued the antidumping duty questionnaire to Hitachi Cable and NKKK. We received responses to sections A, B, and C of the questionnaire from Hitachi Cable and NKKK in October and November 2008.

On November 12, and 25, 2008, the petitioners in the above-referenced administrative review (*i.e.*, AK Steel Corporation and Allegheny Technologies, Inc.) (collectively, the petitioners) filed timely sales-below-cost-allegations against Hitachi Cable and NKKK, respectively. *See* 19 CFR 351.301(d)(2)(ii). Accordingly, on December 18, 2008, the Department initiated sales-below-cost investigations on both Hitachi Cable and NKKK and, as a result, required Hitachi Cable and NKKK to submit responses to section D of the Department's antidumping duty questionnaire.¹ We received responses

to section D of the questionnaire in January 2009.

During the period December 2008 through July 2009, we issued to Hitachi Cable and NKKK supplemental questionnaires with respect to sections A, B, C, and D of the original questionnaire. We received responses to these questionnaires during the period December 2008 through July 2009.

On March 9, 2009, pursuant to section 751(a)(3) of the Tariff Act of 1930, as amended (the Act), the Department postponed the preliminary results of this review until July 31, 2009. *See Stainless Steel Sheet and Strip in Coils from Japan and Taiwan: Notice of Extension of Time Limit for Preliminary Results of the 2007-2008 Administrative Reviews*, 74 FR 10885 (March 13, 2009).

Pursuant to section 782(i) of the Act, the Department conducted verifications of the questionnaire responses submitted by Hitachi Cable, NKKK, and one of NKKK's affiliated resellers, Nikkin Steel Co., Ltd. in May and June 2009.² *See* Memoranda to The File, "Verification of the Sales Responses of Nippon Kinzoku Co.
