

recruitment and selection of apprentices, and to all conditions of employment and training during apprenticeship. The procedures provide for review of apprenticeship programs, for registering apprenticeship programs, for processing complaints, and for deregistering non-complying apprenticeship programs. This part also provides policies and procedures for continuation or withdrawal of recognition of State agencies which register apprenticeship programs for Federal purposes.

II. Review Focus

The Department of Labor is particularly interested in comments which:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other

technological collection techniques or other forms of information technology, *e.g.*, permitting electronic submissions of responses.
