

FOR FURTHER INFORMATION CONTACT: Ms. Deborah Queenan, AHRQ, at (301) 427-1330.

SUPPLEMENTARY INFORMATION: Section 931 of the PHS Act, 42 U.S.C. 299c, provides that the Secretary shall appoint to the National Advisory Council for Healthcare Research and Quality twenty-one appropriately qualified individuals. At least seventeen members shall be representatives of the public and at least one member shall be a specialist in the rural aspects of one or more of the professions or fields listed in the above summary. In addition, the Secretary designates, as ex officio members, representatives from other Federal agencies specified in the authorizing legislation, principally agencies that conduct or support health care research, as well as Federal officials the Secretary may consider appropriate. The Council meets in the Washington, DC metropolitan area, generally in Rockville, Maryland, approximately three times a year to provide broad guidance to the Secretary and AHRQ's Director on the direction of and programs undertaken by AHRQ.

Seven individuals will be selected presently by the Secretary to serve on the Council beginning with the meeting in the spring of 2010. Members generally serve 3-year terms. Appointments are staggered to permit an orderly rotation of membership.

Interested persons may nominate one or more qualified persons for membership on the Council. Self-nominations are accepted. Nominations shall include: (1) A copy of the nominee's résumé or curriculum vitae; and (2) a statement that the nominee is willing to serve as a member of the Council. Selected candidates will be asked to provide detailed information concerning their financial interests, consultant positions and research grants and contracts, to permit evaluation of possible sources of conflict of interest.

The Department seeks a broad geographic representation. In addition, AHRQ conducts and supports research concerning priority populations, which include: Low-income groups; minority groups; women; children; the elderly; and individuals with special health care needs, including individuals with disabilities and individuals who need chronic care or end-of-life health care. See 42 U.S.C. 299(c). Nominations of candidates with expertise in health care for these priority populations are encouraged.

Dated: October 2, 2009.

Carolyn M. Clancy,
Director.

SUPPLEMENTARY INFORMATION: In
accordance with 24 CFR part 581 and

11411), as amended, HUD is publishing
this Notice to identify Federal buildings
and other real property that HUD has
reviewed for suitability for use to assist
the homeless. The properties were
reviewed using information provided to
HUD by Federal landholding agencies
regarding unutilized and underutilized
buildings and real property controlled
by such agencies or by GSA regarding
its inventory of excess or surplus
Federal property. This Notice is also
published in order to comply with the
December 12, 1988 Court Order in
National Coalition for the Homeless v.

Veterans Administration, No. 88-2503-
OG (D.D.C.).

*Properties reviewed are listed in this
Notice according to the following
categories:* Suitable/available, suitable/
unavailable, suitable/to be excess, and
unsuitable. The properties listed in the
three suitable categories have been
reviewed by the landholding agencies,
and each agency has transmitted to
HUD: (1) Its intention to make the
property available for use to assist the
homeless, (2) its intention to declare the
property excess to the agency's needs, or
(3) a statement of the reasons that the
property cannot be declared excess or
made available for use as facilities to
assist the homeless.

Properties listed as suitable/available
will be available exclusively for
homeless use for a period of 60 days
from the date of this Notice. Where
property is described as for "off-site use
only" recipients of the property will be
required to relocate the building to their
own site at their own expense. Homeless
assistance providers interested in any
such property should send a written
expression of interest to HHS, addressed

of interest as soon as possible. For
complete details concerning the
processing of applications, the reader is
encouraged to refer to the interim rule
governing this program, 24 CFR part
581.

For properties listed as suitable/to be
excess, that property may, if
subsequently accepted as excess by
GSA, be made available for use by the
homeless in accordance with applicable
law, subject to screening for other
Federal use. At the appropriate time,
HUD will publish the property in a
Notice showing it as either suitable/
available or suitable/unavailable.

For properties listed as suitable/
unavailable, the landholding agency has
decided that the property cannot be
declared excess or made available for
use to assist the homeless, and the
property will not be available.

Properties listed as unsuitable will
not be made available for any other
purpose for 20 days from the date of this
Notice. Homeless assistance providers
