SUPPLEMENTARY INFORMATION:

The OCC is proposing to extend OMB approval of the following information collection:

Title: Leasing (12 CFR Part 23).

OMB Control No.: 1557–0206.

Description: This submission covers an existing regulation and involves no change to the regulation or to the information collection requirements. The OCC requests only that OMB extend the expiration date.

Information Collection Requirements Found in 12 CFR Part 23

12 CFR 23.4(c)

Under 12 CFR 23.4(c), national banks must liquidate or re-lease personal property that is no longer subject to lease (off-lease property) within five years from the date of the lease expiration. If a bank wishes to extend the five-year holding period for up to an additional five years, it must obtain OCC approval. Permitting a bank to extend the holding period may result in cost savings to national banks. It also provides flexibility for a bank that experiences unusual or unforeseen conditions that would make it imprudent to dispose of the off-lease property before the expiration date of the five-year period. Section 23.4(c) requires a bank seeking an extension to provide a clearly convincing demonstration as to why an additional holding period is necessary. In addition, a bank must value off-lease property at the lower of current fair market value or book value promptly after the property comes off-lease. These requirements enable the OCC to ensure that a bank is not holding the property for speculative reasons and that the value of the property is recorded in accordance with

generally accepted accounting principles (GAAP).

Section 23.5

Under 12 CFR 23.5, leases are subject to the lending limits prescribed by 12 U.S.C. 84 or, if the lessee is an affiliate of the bank, to the restrictions on transactions with affiliates prescribed by 12 U.S.C. 371c and 371c-1. See 12 CFR 23.6. Twelve U.S.C. 24 contains two separate provisions authorizing a national bank to acquire personal property for purposes of lease financing. Twelve U.S.C. 24(Seventh) authorizes leases of personal property (Section 24(Seventh) Leases) if the lease serves as the functional equivalent of a loan. See 12 CFR 23.20. A national bank also may acquire personal property for purposes of lease financing under the authority of 12 U.S.C. 24(Tenth) (CEBA Leases). Section 23.5 requires that if a bank enters into both types of leases, its records must distinguish between the two types of leases. This information is required to demonstrate that the national bank is complying with the limitations and requirements applicable to the two types of leases.

National banks use the information to ensure their compliance with applicable Federal banking law and regulations and accounting principles. The OCC uses the information in the conduct of bank examinations and as an audit tool to verify bank compliance with law and regulations. In addition, the OCC uses national bank requests for permission to extend the holding period for off-lease property to ensure national bank compliance with relevant law and regulations and to ensure bank safety and soundness.

Type of Review: Extension of a currently approved collection.

Affected Public: Individuals; Businesses or other for-profit.

Estimated Number of Respondents: 370.

Estimated Total Annual Responses: 370.

Frequency of Response: On occasion.

Estimated Total Annual Burden: 685.

The OCC issued a 60-day **Federal Register** notice on August 14, 2009. 74 FR 41187. No comments were received. Comments continue to be invited on:

(a) Whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information has practical utility;

(b) The accuracy of the agency's estimate of the burden of the collection of information;

(c) Ways to enhance the quality, utility, and clarity of the information to be collected;

(d) Ways to minimize the burden of the collection on respondents, including through the use of automated collection techniques or other forms of information technology; and

(e) Estimates of capital or start-up costs and costs of operation, maintenance, and purchase of services to provide information.

Dated: October 27, 2009.
