FEDERAL COMMUNICATIONS COMMISSION

47 CFR Part 90

[WT Docket No. 02–55; FCC 08–276]

Improving Public Safety Communications in the 800 MHz Band; County of Chester, PA and Sprint Nextel Corporation; City of Chesapeake, VA and Sprint Nextel Corporation

AGENCY: Federal Communications Commission.

ACTION: Final rule.

SUMMARY: On December 23, 2008, the Commission addressed the June 25, 2008 request by Sprint Nextel Corporation (Sprint) to defer the 800 MHz rebanding financial “true-up” process until after rebanding is completed. The Commission concluded that the true-up should be deferred until additional progress in rebanding has occurred, and therefore postponed the true-up date from December 26, 2008 to July 1, 2009. The Commission also directed the 800 MHz Transition Administrator (TA) to file a report by May 1, 2009, with its recommendation on whether the true-up should be conducted on July 1, 2009 or postponed to a later date.

DATES: Effective February 6, 2009.

ADDRESSES: Federal Communications Commission, 445 12th Street, SW., Washington, DC 20554.

FOR FURTHER INFORMATION CONTACT: Joy Ragsdale, Policy Division, Public Safety and Homeland Security Bureau, (202) 418–0838; John Evanoff, Policy Division, Public Safety and Homeland Security Bureau.

SUPPLEMENTARY INFORMATION: This is a summary of the Commission's *Fourth Memorandum Opinion and Order*, FCC 08–276, released on December 23, 2008. The complete text of this document is available for inspection and copying during normal business hours in the FCC Reference Information Center, Portals II, 445 12th Street, SW., Room CY–A257, Washington, DC 20554. This document may also be purchased from the Commission's duplicating contractor, Best Copy and Printing, Inc., 445 12th Street, SW., Room CY–B402, Washington, DC 20554, telephone (800)

378–3160 or (202) 863–2893, facsimile (202) 863–2898, or via e-mail at <http://www.bcpweb.com>. It is also available on the Commission's Web site at <http://www.fcc.gov>.

In the *800 MHz Report and Order*, 69 FR 67823, November 22, 2004, the Commission ordered rebanding of the 800 MHz band to resolve interference between commercial and public safety systems in the band. The Commission required that band reconfiguration in non-border regions be completed in 36 months. The Commission further ordered the TA to perform a financial reconciliation or “true-up” six months after the 36-month transition period ended, *i.e.*, 42 months after the start of rebanding. The purpose of the true-up is to assess Sprint's total creditable rebanding costs for both 800 MHz rebanding and relocating of Broadcast Auxiliary Service (BAS) licensees in the 1.9 GHz band, and to compare these costs to the value of the 1.9 GHz spectrum that the Commission awarded to Sprint. If the value of the 1.9 GHz spectrum exceeds Sprint's creditable costs, Sprint must pay the difference to the U.S. Treasury as an “anti-windfall” payment. The 36-month rebanding period established by the *800 MHz Report and Order* expired on June 26, 2008. Accordingly, under the currently applicable timetable, the true-up must occur no later than six months after that date, or by December 26, 2008.

On December 23, 2008, the Commission addressed the June 25, 2008 request by Sprint Nextel Corporation (Sprint) to defer the 800 MHz rebanding financial “true-up” process until after rebanding is completed. The Commission concluded that the true-up should be deferred until additional progress in rebanding has occurred, and therefore postponed the true-up date from December 26, 2008 to July 1, 2009. The Commission also directed the 800 MHz Transition Administrator (TA) to file a report by May 1, 2009, with its recommendation on whether the true-up should be conducted on July 1, 2009 or postponed to a later date.

The Commission also addressed several pending petitions for reconsideration or review of prior rebanding orders and public notices. First, the Commission denied two petitions that seek reconsideration of its decision in the *Second Memorandum Opinion and Order*, 72 FR 39756, July 20, 2007, in this proceeding requiring parties to bear their own costs in rebanding-related litigation before the Commission. Second, the Commission exercised its discretion to treat two pending petitions for de novo review
