Cash-Deposit Requirements

The following deposit requirements will be effective upon publication of the notice of final results of administrative review for all shipments of CVP 23 from India entered, or withdrawn from warehouse, for consumption on or after the date of publication, as provided by section 751(a)(2)(C) of the Act: (1) The cash-deposit rate for Alpanil will be the rate established in the final results of this review; (2) for a previously investigated or reviewed company, the cash-deposit rate will continue to be the company-specific rate; (3) if the exporter is not a firm covered in this review, or a previous review, or the less-than-fair-value investigation but the manufacturer is, the cash-deposit rate will be the rate established for the most recent period for the manufacturer of the merchandise; (4) if neither the exporter nor the manufacturer has its own rate, the cash-deposit rate will be 27.48 percent, the all-others rate published in the less-than-fair-value investigation (69 FR at 77989). These deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importer

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Department's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

These preliminary results of administrative review are issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: December 15, 2009.

Ronald K. Lorentzen,

Deputy Assistant Secretary for Import Administration.

Foreign-Trade Zones Board

[Docket 58-2009]

Foreign-Trade Zone 2—New Orleans, LA, Area Application for Reorganization Under Alternative Site Framework

An application has been submitted to the Foreign-Trade Zones (FTZ) Board (the Board) by the Board of Commissioners of the Port of New Orleans, grantee of FTZ 2, requesting authority to reorganize the zone under the alternative site framework (ASF) adopted by the Board (74 FR 1170, 1/12/09; correction 74 FR 3987, 1/22/09). The ASF is an option for grantees for the establishment or reorganization of general-purpose zones and can permit significantly greater flexibility in the designation of new "usage-driven" FTZ sites for operators/users located within a grantee's "service area" in the context of the Board's standard 2,000-acre activation limit for a general-purpose zone project. The application was submitted pursuant to the Foreign-Trade Zones Act, as amended (19 U.S.C. 81a-81u), and the regulations of the Board (15 CFR part 400). It was formally filed on December 14, 2009.

FTZ 2 was approved by the Board on July 16, 1946 (Board Order 12), had eleven boundary changes from 1950-1969 (Board Orders 22, 36, 40, 45, 49, 52, 56, 64, 67, 70 and 79), and was expanded on April 9, 1984 (Board Order 245), on May 8, 1986 (Board Order 331), on November 13, 1991 (Board Order 544), on August 25, 1998 (Board Order 1000), and on December 30, 2003 (Board Order 1310).

The grantee's proposed service area under the ASF would be Orleans, Jefferson and St. Bernard Parishes, Louisiana. If approved, the grantee would be able to serve sites throughout the service area based on companies' needs for FTZ designation. The proposed service area is adjacent to the New Orleans Customs and Border Protection port of entry.

The applicant is requesting authority to reorganize its existing zone project as follows: Sites 2, 4, 6 and 7 would become "magnet" sites; Sites 1 and 8–61 would become "usage-driven" sites; and, Site 3 would be removed from the zone project due to changed circumstances. The applicant proposes that Site 2 be exempt from "sunset" time limits that otherwise apply to sites under the ASF. No new magnet or usage-driven sites are being requested at this time. Because the ASF only pertains to establishing or reorganizing a general-purpose zone, the application would

have no impact on FTZ 2's authorized subzones.

In accordance with the Board's regulations, Camille Evans of the FTZ Staff is designated examiner to evaluate and analyze the facts and information presented in the application and case record and to report findings and recommendations to the Board.

Public comment is invited from interested parties. Submissions (original and 3 copies) shall be addressed to the Board's Executive Secretary at the address below. The closing period for their receipt is February 22, 2010. Rebuttal comments in response to material submitted during the foregoing period may be submitted during the subsequent 15-day period to March 8, 2010.

A copy of the application will be available for public inspection at the Office of the Executive Secretary, Foreign-Trade Zones Board, Room 2111, U.S. Department of Commerce, 1401 Constitution Avenue, NW., Washington, DC 20230–0002, and in the "Reading Room" section of the Board's Web site, which is accessible via <http://www.trade.gov/ftz>. Executive Secretary.
