NOTICE TO APPLICANT:

Authority for Requiring Submission of Information in Application - The applicant is hereby notified that Ex-Im Bank and SBA request the information in this application under the authority of the Export-Import Bank Act of 1945, as amended (12 U.S.C. 635 et seq.) and section 7(a)(14) of the Small Business Act ("SB Act"), (15 U.S.C. 636(a)(14)), respectively. Providing the requested information is mandatory (except, see Privacy Act notice below concerning social security number), and failure to provide the requested information may result in SBA/Ex-Im Bank being unable to determine the applicant's eligibility for financial assistance. Unless a currently valid OMB control number is displayed on this form (see upper right of each page), SBA/Ex-Im Bank may not require the information requested in this application, and applicants are not required to provide such information.

Submission of Social Security Number (Privacy Act notice) - Under the Privacy Act, the applicant is not required to provide social security number information, and failure to provide social security number may not affect any right, benefit, or privilege to which applicant is entitled. Disclosures of name and other personal identifiers are required for a benefit, however, and SBA requires an applicant seeking financial assistance to provide sufficient information to allow SBA to make a character and credit determination concerning individuals that are borrowers, principals, and guarantors. In determining whether an individual is of good character, SBA considers the person's integrity, candor, and disposition toward criminal actions. In making loans pursuant to section 7(a) of the SB Act (15 U.S.C. 636(a)(6)), SBA is required to have reasonable assurance that the loan is of sound value and will be repaid, or that it is in the best interest of the Government to grant the financial assistance requested. Additionally, SBA is specifically authorized to verify the applicant's criminal history, or lack thereof, pursuant to section 7(a)(1) of the SB Act (15 U.S.C. 636(a)(1)(B)). Further, for all forms of assistance, SBA is authorized to make all investigations necessary to ensure that a person has not engaged in acts that violate or will violate the SB Act or the Small Business Investment Act (15 U.S.C. 634 and 687b(a)). For these purposes, applicant is asked to voluntarily provide social security numbers to assist SBA in making character determinations and to distinguish the individuals listed in this application from other individuals with the same or similar name or other personal identifier.

The Privacy Act authorizes SBA to make certain "routine uses" of information protected by that Act. One such routine use is that when this information indicates a violation or potential violation of law, whether civil, criminal, or administrative in nature, SBA may refer it to the appropriate agency, whether Federal, State, local or foreign, charged with responsibility for or otherwise involved in investigation, prosecution, enforcement or prevention of such violations. Another routine use is to assist in obtaining credit bureau reports, including business credit reports on the small business borrower and consumer credit reports and scores on the principals of the small business and guarantors on the loan for purposes of originating, servicing, and liquidating small business loans and for purposes of routine periodic loan portfolio management and lender monitoring. See 69 F.R. 58598, 58617 (and any subsequently published notices) for additional background and other routine uses.

Disclosure - Ex-Im Bank and SBA will hold confidential all information provided in the application, subject only to disclosure as required under the Freedom of Information Act (5 USC 552), the Privacy Act of 1974 (5 USC 552a), the Right to Financial Privacy Act of 1978 (12 USC 3401), or any other law or court order.

Public Burden Statement - Reporting for this collection of information is estimated to average 2.5 hours per response, including reviewing instructions, searching data sources, gathering information, and completing and reviewing the application. Send comments regarding the burden estimate, including suggestions for reducing it, to Office of Management and Budget, Paperwork Reduction Project OMB# 3048-0003, Washington, D.C. 20503.

STATEMENTS REQUIRED BY LAW AND EXECUTIVE ORDER

Federal executive agencies, including the Small Business Administration (SBA) and the Export Import Bank (Ex-Im), are required to withhold or limit financial assistance, to impose special conditions on approved loans, to provide special notices to applicants or borrowers and to require special reports and data from borrowers in order to comply with legislation passed by the Congress and Executive Orders issued by the President and by the provisions of various inter-agency agreements. SBA has issued regulations and procedures that implement these laws and executive orders, and they are contained in Parts 112, 113, 116, and 117, Title 13, Code of Federal Regulations Chapter 1, or Standard Operating Procedures.

Freedom of Information Act (5 U.S.C. 552)

This law provides, with some exceptions, that SBA and Ex-Im Bank must supply information reflected in agency files and records to a person requesting it. SBA information about approved loans that will be automatically released includes, among other things, statistics on SBA's loan programs (individual borrowers are not identified in the statistics) and other information such as the names of the borrowers (and their officers, directors, stockholders or partners), the collateral pledged to secure the loan, the amount of the loan, its purpose in general terms and the maturity. Proprietary information on a borrower contained in either SBA or Ex-Im files would not routinely be made available to third parties. All requests under this Act are to be addressed to the nearest SBA or Ex-Im Bank office and should be identified as a Freedom of Information request.

Right to Financial Privacy Act of 1978 (12 U.S.C. 3401)

This is notice to you as required by the Right of Financial Privacy Act of 1978, of SBA's access rights to financial records held by financial institutions that are or have been doing business with you or your business, including any financial institutions participating in a loan or loan guarantee. The law provides

that SBA shall have a right of access to your financial records in connection with its consideration or administration of assistance to you in the form of a Government loan or loan guaranty agreement. SBA is required to provide a certificate of its compliance with the Act to a financial institution in connection with its first request for access to your financial records, after which no further certification is required for subsequent accesses. The law also provides that SBA's access rights continue for the term of any approved loan or loan guaranty agreement. No further notice to you of SBA's access rights is required during the term of any such agreement.

The law also authorizes SBA to transfer to another Government authority any financial records included in an application for a loan, or concerning an approved loan or loan guarantee, as necessary to process, service or foreclose on a loan or loan guarantee or to collect on a defaulted loan or loan guarantee. No other transfer of your financial records to another Government authority will be permitted by SBA except as required or permitted by law.

Debt Collection Act of 1982 Deficit Reduction Act of 1984 (31 U.S.C. 3701 et seq. and other titles)

These laws require SBA to aggressively collect any loan payments which become delinquent. SBA must obtain your taxpayer identification number when you apply for a loan. If you receive a loan, and do not make payments as they come due, SBA may take one or more of the following actions:

- Report the status of your loan(s) to credit bureaus
- Hire a collection agency to collect your loan
- Offset your income tax refund or other amounts due to you from the Federal Government
- Suspend or debar you or your company from doing business with the Federal Government
- Refer your loan to the Department of Justice or other attorneys for litigation
- Foreclose on collateral or take other action permitted in the loan instruments.

Flood Disaster Protection Act (42 U.S.C. 4011)

Regulations have been issued by the Federal Insurance Administration (FIA) and by SBA implementing this Act and its amendments. These regulations prohibit SBA from making certain loans in an FIA designated floodplain unless Federal flood insurance is purchased as a condition of the loan. Failure to maintain the required level of flood insurance makes the applicant ineligible for any future financial assistance from SBA under any program, including disaster assistance.

Executive Orders 11988 and 11990 – Floodplain Management and Wetland Protection (42 F.R. 26951 and 42 F.R. 26961)

The SBA discourages any settlement in or development of a floodplain or a wetland. This statement is to notify all SBA loan applicants that such actions are hazardous to both life and property and should be avoided. The additional cost of flood preventive construction must be considered in addition to the possible loss of all assets and investments in future floods.

Occupational Safety and Health Act (15 U.S.C. 651 et seq.)

This legislation authorizes the Occupational Safety and Health Administration in the Department of Labor to require businesses to modify facilities and procedures to protect employees or pay penalty fees. In some instances the business can be forced to cease operations or be prevented from starting operations in a new facility. Therefore, in some instances SBA may require additional information from an applicant to determine whether the business will be in compliance with OSHA regulations and allowed to operate its facility after the loan is approved and disbursed. Signing this form as borrower is a certification that the OSHA requirements that apply to the borrower's business have been determined and the borrower to the best of its knowledge is in compliance.

Civil Rights Legislation

All businesses receiving SBA financial assistance must agree not to discriminate in any business practice, including employment practices and services to the public, on the basis of categories cited in 13 C.F.R., Parts 112, 113, and 117 of SBA Regulations. This includes making their goods and services available to handicapped clients or customers. All business borrowers will be required to display the "Equal Employment Opportunity Poster" prescribed by SBA.

Equal Credit Opportunity Act (15 U.S.C. 1691)

The Federal Equal Credit Opportunity Act prohibits creditors from discriminating against credit applicants on the basis of race, color, religion, national origin, sex, marital status or age (provided that the applicant has the capacity to enter into a binding contract); because all or part of the applicant's income derives from any public assistance program, or because the applicant has in good faith exercised any right under the Consumer Credit Protection Act. The Federal agency that administers compliance with this law concerning this creditor is the Federal Trade Commission, Equal Credit Opportunity, Washington, D.C. 20580.

Executive Order 11738 -- Environmental Protection (38 C.F.R. 25161)

The Executive Order charges SBA with administering its loan programs in a manner that will result in effective enforcement of the Clean Air Act, the Federal Water Pollution Act and other environmental protection legislation. SBA must, therefore, impose conditions on some loans. By acknowledging receipt of this form and presenting the application, the principals of all small businesses borrowing \$100,000 or more in direct funds stipulate to the following:

1. That any facility used, or to be used, by the subject firm is not cited on the EPA list of Violating Facilities.

2. That subject firm will comply with all the requirements of Section 114 of the Clean Air Act (42 U.S.C. 7414) and Section 308 of the Water Act (33 U.S.C 1318) relating to inspection, monitoring, entry, reports and information, as well as all other requirements specified in Section 114 and Section 308 of the respective Acts, and all regulations and guidelines issued there under.
3. That subject firm will notify SBA of the receipt of any communication from the Director of the Environmental Protection Agency indicating that a facility utilized, or to be utilized, by subject firm is under consideration to be listed on the EPA List of Violating Facilities.

Immigration Reform and Control Act of 1986 (Pub. L. 99-603)

If you are an alien who was in this country illegally since before January 1, 1982, you may have been granted lawful temporary resident status by the United States Immigration and Naturalization Service pursuant to the Immigration Reform and Control Act of 1986 (Pub. L. 99-603). For five years from the date you are granted such status, you are not eligible for financial assistance from the SBA in the form of a loan or guaranty under section 7(a) of the Small Business Act unless you are disabled or a Cuban or Haitian entrant. When you sign this document, you are making the certification that the Immigration Reform and Control Act of 1986 does not apply to you, or if it does apply, more than five years have elapsed since you have been granted lawful temporary resident status pursuant to such 1986 legislation.

Lead-Based Paint Poisoning Prevention Act (42 U.S.C. 4821 et seq.)

Borrowers using SBA funds for the construction or rehabilitation of a residential structure are prohibited from using lead-based paint (as defined in SBA regulations) on all interior surfaces, whether accessible or not, and exterior surfaces, such as stairs, decks, porches, railings, windows and doors, which are readily accessible to children under 7 years of age. A "residential structure" is any home, apartment, hotel, motel, orphanage, boarding school, dormitory, day care center, extended care facility, college or other school housing, hospital, group practice or community facility and all other residential or institutional structures where persons reside.

FHFA Study of Securitization of Acquired Member Assets**AGENCY:** Federal Housing Finance Agency.**ACTION:** Notice of Concept Release; request for comments.

SUMMARY: The Federal Housing Regulatory Reform Act (Act), Division A of the Housing and Economic Recovery Act of 2008 (HERA), requires the Federal Housing Finance Agency (FHFA) to conduct a study on the securitization of home mortgage loans purchased or to be purchased from Federal Home Loan Bank (Bank) System member financial institutions under the Acquired Member Assets (AMA) programs. FHFA is seeking public comment and hopes that the responses to this request for comments will constitute an important source of information that will assist it in its preparation of the study. FHFA urges commenters to analyze, in light of current market conditions, the benefits and risks associated with securitization, the potential impact of securitization upon liquidity and competitiveness in the mortgage and broader credit markets, the ability of the Banks to manage the risks associated with a securitization program, and the effect of a securitization program on the Banks' existing activities, as well as on the joint and several liability of the Banks and the cooperative structure of the Bank System. This release in no way alters current requirements, restrictions or prohibitions on the Banks with respect to the purchase or sale of mortgages or to the AMA programs.

II. Purpose of Release

Effective July 30, 2008, the Act, Public Law 110-289, 122 Stat. 2654 (2008),

transferred the supervisory and oversight responsibilities of the Office of Federal Housing Enterprise Oversight (OFHEO) over the Federal National Mortgage Association (Fannie Mae) and the Federal Home Loan Mortgage Corporation (Freddie Mac) (collectively, Enterprises), and the oversight responsibilities of the Federal Housing Finance Board (FHFB) over the Banks and the Office of Finance (which acts as the Banks' fiscal agent) to FHFA, a new independent executive branch agency. FHFA is responsible for ensuring that the Enterprises and the Banks operate in a safe and sound manner, that they maintain adequate capital and internal controls, that their activities foster liquid, efficient, competitive and resilient national housing finance markets, and that they carry out their public policy missions through authorized activities. See § 1102, Public Law 110-289, 122 Stat. 2663-64. The Enterprises and the Banks continue to operate under regulations promulgated by OFHEO and the FHFB until FHFA issues its own regulations. See *id.* at §§ 1302, 1313, 122 Stat. 2795, 2798.

Section 1215 of the Act requires the Director of FHFA to conduct a study on securitization of home mortgage loans purchased or to be purchased from Bank member financial institutions under the AMA programs.¹ See *id.* at § 1215, 122 Stat. 2791. The Act requires FHFA to submit a report to Congress by July 30, 2009, detailing the results of the study. The report must include policy recommendations based on the Director's analysis of the feasibility of the Banks, either individually or collectively, issuing mortgage-backed securities (MBS), and the benefits and risks associated with such a program.

The Act stipulates that the study address the benefits and risks associated with securitization of AMA; the potential impact of securitization upon liquidity in the mortgage and broader credit markets; the ability of the Banks to manage the risks associated with such a program; the impact of such a program on the existing activities of the Banks, including their mortgage portfolios and advances; and the effects of securitization on joint and several liability of the Banks and the cooperative structure of the Bank System. The Act further requires that in conducting the study, the Director

¹ As explained more fully in this release, AMA is the name given to conforming mortgage loans that the Banks purchase from their members pursuant to part 955 of current regulations. 12 CFR part 955. The transactions through which the Banks purchase AMA must meet a number of conditions set forth in the regulations. These conditions are explained more fully below.
