D. National Environmental Policy Act

This NOFA has been reviewed in accordance with 7 CFR part 1940, subpart G, "Environmental Program." Rural Development has determined that an Environmental Impact Statement is not required because the issuance of regulations and instructions, as well as amendments to them, describing administrative and financial procedures for processing, approving, and implementing the Agency's financial programs is categorically excluded in the Agency's National Environmental Policy Act (NEPA) regulation found at 7 CFR Part 1940.310(e)(3) of subpart G, "Environmental Program." Thus, in accordance with NEPA of 1969 (42 U.S.C. 4321-4347), Rural Development has determined that this NOFA does not constitute a major Federal action significantly affecting the quality of the human environment. Furthermore, individual awards under this NOFA are hereby classified as Categorical Exclusions according to 1940.310(e), the award of financial assistance for planning purposes, management and feasibility studies, or environmental impact analyses, which do not require any additional documentation.

E. Civil Rights Compliance Requirements

All grants made under this Notice are subject to Title VI of the Civil Rights Act of 1964 as required by the USDA (7 CFR

15, subpart A) and Section 504 of the Rehabilitation Act of 1973.

F. Intergovernmental Review of Applications

Executive Order 12372, Intergovernmental Review of Federal Programs, applies to this program. This EO requires that Federal agencies provide opportunities for consultation on proposed assistance with State and local governments. Many States have established a Single Point of Contact (SPOC) to facilitate this consultation. A list of States that maintain an SPOC may be obtained at <http://www.whitehouse.gov/omb/grants/spoc.html>. If your State has an SPOC, you may submit your application directly for review. Any comments obtained through the SPOC must be provided to Rural Development for consideration as part of your application. If your State has not established a SPOC or you do not want to submit your application to the SPOC, Rural Development will submit your application to the SPOC or other appropriate agency or agencies.

V. Application Scoring Criteria Review Information

A. Criteria

All eligible and complete applications will be evaluated based upon the following criteria. Failure to address any one of the following criteria by the application deadline will result in the application being determined ineligible and the application will not be considered for funding. The total points possible for the criteria are 50. Any application receiving less than 30 total points will not be funded.

1. *Technical Assistance.* (0-15 points) The application will be evaluated to determine the applicant's ability to assess the needs of small socially-disadvantaged producers, plan and conduct appropriate and effective technical assistance, and identify the expected outcomes of that assistance.

(i) 0 points will be awarded if the applicant does not substantively address this criterion.

(ii) 5 points will be awarded if the applicant demonstrates weakness in addressing this criterion.

(iii) 10 points will be awarded if the applicant demonstrates they meet part but not all of the criterion.

(iv) 15 points will be awarded if the applicant identifies specific needs of the socially-disadvantaged producers to be assisted; clearly articulates a logical and detailed plan of assistance for addressing those needs; and discusses

realistic outcomes of planned assistance.

2. *Experience.* (0–15 points) Points will be awarded based upon length of experience of identified staff or consultants in providing technical assistance, as defined in this Notice. Applicants must describe the specific type of technical assistance experience for each identified staff member or consultant, as well as years of experience in providing that assistance. In addition, résumés for each individual staff member or consultant must be included as an attachment, listing their experience for the type of technical assistance proposed. The attachments will not count toward the maximum page total. The Agency will compare the described experience to the work plan to determine relevance of experience.

(i) 0 points will be awarded if the staff or consultants demonstrate no relevant experience in providing technical assistance;

(ii) 5 points will be awarded if at least one of the identified staff or consultants demonstrates more than two years of experience in providing relevant technical assistance;

3. *Commitment.* (0–15 points) The Agency will evaluate the applicant's commitment to providing technical assistance to small, socially-disadvantaged producers in rural areas. Points will be awarded based upon the number of socially-disadvantaged producers being assisted. Applicants must list the number and location of small, socially-disadvantaged producers that will directly benefit from the assistance provided.

(i) 0 points will be awarded if the applicant does not substantively address this criterion.

(ii) 5 points will be awarded if the proposed Project will benefit 1–10 small, socially-disadvantaged producers;

(iii) 10 points will be awarded if the proposed Project will benefit 11–50 small, socially-disadvantaged producers; or

(iv) 15 points will be awarded if the proposed Project will benefit more than 50 small, socially-disadvantaged producers.

4. *Local support.* (0–5 points) Applications will be reviewed for local

support for the technical assistance activities of the cooperative. Applicants that demonstrate strong support from potential beneficiaries and other developmental organizations will receive more points than those not evidencing such support.

(i) 0 points will be awarded if the applicant does not substantively address this criterion.

(ii) 1 point will be awarded if the applicant provides or references 2–3 support letters that demonstrate substantive support from potential beneficiaries and/or support from local organizations.

(iii) 2 points will be awarded if the applicant provides or references 4–5 support letters that demonstrate substantive support from potential beneficiaries and/or support from local organizations.

(iv) 3 points will be awarded if the applicant provides or references 6–7 support letters that demonstrate substantive support from potential beneficiaries and/or support from local organizations.
