

Fisheries Commission and the Gulf States Marine Fisheries Commission.

If NMFS requires additional members to ensure a diverse pool of individuals to draw from for data or assessment workshops, NMFS may request individuals to be members of the SEDAR Pool outside of the annual nomination period.

Panel members serve at the discretion of the Secretary. Not all members will attend each SEDAR workshop. Rather, NMFS will invite certain members to participate at specific stock assessment workshops dependent on their ability to participate, discuss, and recommend scientific decisions regarding the species being assessed. If an invited SEDAR Pool member is unable to attend the workshop, the member may send a designee who may represent them and participate in the activities of the workshop. In order to ensure the designee meets the requirements of participating in the data and/or assessment workshop, the designee must receive written approval of the Director of the Office of Sustainable Fisheries at least six weeks in advance of the beginning of the relevant data and/or assessment workshop. Written notification must include the name, address, telephone, e-mail, and position of the individual designated. A designee may not name another designee.

NMFS is not obligated to fulfill any requests (e.g., requests for an assessment of a certain species) that may be made by the SEDAR Pool or its individual members. Members of the SEDAR Pool who are invited to attend stock assessment workshops may be reimbursed for their travel-related expenses to attend such workshops.

B. Nomination Procedures for Appointments to the SEDAR Pool

Member tenure will be for three years. Nominations are sought for terms beginning February 2010 and expiring January 2013. Nomination packages should include:

1. The name, address, phone number, and e-mail of the applicant or nominee;
2. A description of his/her interest in Atlantic shark stock assessments or the Atlantic shark fishery;
3. A statement of background and/or qualifications; and
4. A written commitment that the applicant or nominee shall participate actively and in good faith in the tasks of the SEDAR Pool, as requested.

C. Meeting Schedule

Individual members of the SEDAR Pool meet to participate in stock assessments at the call of the Office of Sustainable Fisheries, NMFS. Stock

assessment timing, frequency, and relevant species will vary depending on the need determined by NMFS and SEDAR staff. Meetings and meeting logistics will be determined according to the SEDAR Guidelines. All meetings are open for observation by the public.

Dated: January 12, 2010.

Emily Menashes,

Deputy Director, Office of Sustainable Fisheries, National Marine Fisheries Service.

Comments

A 60-day public comment Notice was published in the **Federal Register** on October 14, 2009. This comment period ended December 13, 2009. No public comments were received from this Notice.

Description: The Corporation is seeking approval of the renewal of the President's Volunteer Service Awards application. The President's Volunteer Service Awards were created by Executive Order on January 30, 2003. The awards are administered by the Corporation for National and Community Service. Under the Executive Order, the Corporation was directed to (among other things) design and recommend programs to recognize individuals, schools, and organizations that excel in their efforts to support volunteer service and civic participation, especially with respect to students in primary schools, secondary schools, and institutions of higher learning. The President's Volunteer Service Awards meet this requirement. In order to recognize individuals, schools and organizations, the program must collect information about the individuals and organizations and their activities to verify that they have earned the award.

The information collected will be used by the Program primarily to identify recipients of the President's Volunteer Service Awards and the Call to Service Awards (4000 hours or more.) Individuals or organizations can be nominated by an organization or third party. The nominations will be reviewed by the administering agency for compliance and awards will be made on that basis. Information also will be used to assure the integrity of the Program (so that, for example, an individual or organization does not receive an award twice for the same project), for reporting on the

accomplishments of the Program, for the public awareness campaign (such as press releases and Web site information on winning projects), and to further the purposes of the Executive Order (such as fostering partnerships and coordination of projects and to promote civic engagement).

Type of Review: Renewal.
