## SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-62816; File No. SR-BATS-2010-022]

### Self-Regulatory Organizations; BATS Exchange, Inc.; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change To Amend the Name of a BATS Exchange Routing Strategy

September 1, 2010.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the "Act"),<sup>1</sup> and Rule 19b-4 thereunder,<sup>2</sup> notice is hereby given that on August 30, 2010, BATS Exchange, Inc. (the "Exchange" or "BATS") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I and II, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

#### I. Self-Regulatory Organization's Statement of the Terms of the Substance of the Proposed Rule Change

The Exchange is filing with the Commission a proposal a proposed rule change to amend BATS Rule 11.13(a)(3)(E) to rename the routing strategy identified as "DART" to "DRT". The text of the proposed rule change is available at the Exchange's Web site at <http://www.batstrading.com>, at the principal office of the Exchange, and at the Commission's Public Reference Room.

#### II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant parts of such statements.

##### A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

###### 1. Purpose

The purpose of the proposed rule change is to change the references in

Rule 11.13(a)(3)(E) from "DART" to "DRT," consistent with the Exchange's re-branding of this routing strategy as the "Dark Routing Technique." The name change from DART to DRT is a non-substantive change. No changes to the functionality of this routing strategy have taken place.

###### 2. Statutory Basis

The Exchange believes that its proposal is consistent with the requirements of the Act and the rules and regulations thereunder that are applicable to a national securities exchange, and, in particular, with the requirements of Section 6(b) of the Act.<sup>3</sup> In particular, the Exchange believes that the proposal is consistent with Section 6(b)(5) of the Act,<sup>4</sup> because it would promote just and equitable principles of trade, remove impediments to, and perfect the mechanism of, a free and open market and a national market system, and, in general, protect investors and the public interest.

##### B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change imposes any burden on competition.

##### C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

The Exchange has neither solicited nor received written comments on the proposed rule change.

#### III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because it is concerned solely with the administration of the Exchange, the foregoing proposed rule change has become effective pursuant to Section 19(b)(3)(A)(iii) of the Act<sup>5</sup> and Rule 19b-4(f)(3) thereunder.<sup>6</sup> At any time within 60 days of the filing of the proposed rule change, the Commission may summarily temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

#### IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule

("Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

**I. Self-Regulatory Organization's

**II. Self-Regulatory Organization's  
Statement of the Purpose of, and  
Statutory Basis for, the Proposed Rule  
Change**

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

*A. Self-Regulatory Organization's  
Statement of the Purpose of, and  
Statutory Basis for, the Proposed Rule  
Change*

1. Purpose

In connection with the acquisition of the former Boston Stock Exchange by The NASDAQ OMX Group, Inc., the Exchange discontinued its listing marketplace and delisted all securities previously listed on the Exchange.<sup>3</sup> Since January 2009, the Exchange has operated as a trading venue only, allowing market participants to trade securities listed on other national securities exchanges pursuant to unlisted trading privileges.

The Exchange is proposing to begin listing securities again, through the creation of a new listing market, to be called "BX." BX will have minimal quantitative listing standards, but have qualitative requirements, which are, in many respects, similar to those required for listing on The NASDAQ Stock Market ("Nasdaq") and other national securities exchanges.<sup>4</sup> The Exchange believes that this market will provide an attractive alternative to companies being delisted from another national securities exchange for failure to meet quantitative listing standards (including price or other market value measures) and to smaller companies contemplating an initial exchange listing. The Exchange further believes that the proposed listing venue will provide a transparent, well-regulated marketplace for these companies and their investors.<sup>5</sup> As is currently the case with respect to the trading occurring on the Exchange pursuant to unlisted trading privileges, FINRA will regulate market activity and staff of the Exchange will monitor real-time trading of securities listed on BX.

The Exchange expects that the securities listed on BX will not be classified as national market system securities. As a result, BX-listed securities will not be subject to a national market system plan and will not be subject to Regulation NMS under

<sup>3</sup> See Securities Exchange Act Release No. 59265 (January 16, 2009), 74 FR 4790 (January 27, 2009) (approving SR-BSE-2008-36 relating to the delisting of all securities from the Exchange in connection with the Exchange's discontinuation of trading).

<sup>4</sup> The Exchange notes that not all qualitative requirements imposed by other exchanges would be required. See Listing Requirements, *infra*, for a full discussion of the proposed quantitative and qualitative requirements for listing on BX.

<sup>5</sup> The Exchange will propose in a separate rule filing changes to the BX Equities Platform to govern trading of, and reporting of transactions in, these listed securities and introducing and modifying market data products to permit dissemination of accurate quotation information and reporting of transactions.
