SUPPLEMENTARY INFORMATION:

Authority

Section 102 of the Maritime Transportation Security Act (MTSA) of 2002 (Pub. L. 107-295) added section 70112 to title 46 of U.S. Code and authorized the Secretary of the Department in which the Coast Guard is operating to establish Area Maritime Security Committees for any port area of the United States. (See 33 U.S.C. 1226; 46 U.S.C.; 33 CFR 1.05-1, 6.01; Department of Homeland Security Delegation No. 0170.1). The MTSA includes a provision exempting these AMS Committees from the Federal

Advisory Committee Act (FACA), Public Law 92-436, 86 Stat. 470 (5 U.S.C. App.2). The AMSCs shall assist the Captain of the Port in the development, review, update, and exercising of the AMS Plan for their area of responsibility. Such matters may include, but are not limited to: Identifying critical port infrastructure and operations; Identifying risks (threats, vulnerabilities, and consequences); Determining mitigation strategies and implementation methods; Developing strategies to facilitate the recovery of the MTS after a Transportation Security Incident; Developing and describing the process to continually evaluate overall port security by considering consequences and vulnerabilities, how they may change over time, and what additional mitigation strategies can be applied; and Providing advice to, and assisting the Captain of the Port in developing and maintaining the Area Maritime Security Plan.

AMS Committee Membership

Members of the AMSC should have at least 5 years of experience related to maritime or port security operations. The Detroit AMSC has 19 members. We are seeking to fill 15 vacancies with this solicitation. Applicants may be required to pass an appropriate security background check prior to appointment to the committee.

Members' terms of office will be for 5 years; however, a member is eligible to serve an additional term of office. Members will not receive any salary or other compensation for their service on the AMSC. In support of the policy of the USCG on gender and ethnic diversity, we encourage qualified women and members of minority groups to apply.

Request for Applications

Those seeking membership are not required to submit formal applications to the local Captain of the Port. However, because we do have an obligation to ensure that a specific number of members have the prerequisite maritime security experience, we encourage the submission of resumes highlighting experience in the maritime and security industries.

Dated: September 14, 2010.

E.J. Marohn,

Commander, U.S. Coast Guard, Acting Captain of the Port Detroit.

Withdrawal of Notice of Proposed Interpretation of the Expression "Sold For Exportation to the United States" as Used in the Transaction Value Method of Valuation in a Series of Sales Importation Scenario

AGENCY: Customs and Border Protection; Department of Homeland Security.

ACTION: Withdrawal of proposed interpretation.

SUMMARY: This document withdraws a notice published in the **Federal Register** on January 24, 2008, which proposed a new interpretation of the phrase "sold for exportation to the United States" for purposes of applying the transaction value method of valuation in a series of sales importation scenario.

DATES: The proposed interpretation is withdrawn on September 29, 2010.

FOR FURTHER INFORMATION CONTACT: Monika Brenner, Chief, Valuation & Special Programs Branch, Regulations and Rulings, Office of International Trade, (202) 325-0038.

SUPPLEMENTARY INFORMATION:

Background

On January 24, 2008, Customs and Border Protection (CBP) published in the **Federal Register** (73 FR 4254) a notice informing interested parties that CBP was proposing a new interpretation of the expression "sold for exportation to the United States" for purposes of applying the transaction value method of valuation in a series of sales importation scenario. Under this proposed interpretation, in a transaction involving a series of sales, the price actually paid or payable for the imported goods when sold for exportation to the United States would be the price paid in the last sale occurring prior to the introduction of the goods into the United States, instead of the first (or earlier) sale. Accordingly, the transaction value would typically be determined on the basis of the price paid by the buyer in the United States.

Intervening Legislation and Implementing Regulations

After CBP published its proposed interpretation document, Congress enacted the Food, Conservation and Energy Act of 2008 (Pub. L. 110-246, 122 Stat. 1651 (June 18, 2008)) ("the Act"), in which section 15422 required the Commissioner of CBP to collect

information from importers for a one-year period as to whether the declared value was based on a "first sale" in a series of sales transactions. CBP was required to report the data to the International Trade Commission (ITC) on a monthly basis and, in turn, the ITC was required to submit a report to Congress within 90 days of receiving CBP's final report.

Congress also stated in the Act that, prior to January 1, 2011, CBP should not implement any change to its existing interpretation of the expression "sold for exportation to the United States" for purposes of applying the transaction value method of valuation in a series of sales importation scenario and, then, only in accordance with the prescribed terms set forth in the Act.

An interim rule implementing the Act's first sale declaration requirement was published in the **Federal Register** (73 FR 49939) on August 25, 2008 setting forth in § 141.61(g) of title 19 of the Code of Federal Regulations (19 CFR 141.61(g)) that for a specified time period importers were required to declare, at the time of entry, whether the transaction value of the imported merchandise was determined on the basis of the price paid by the buyer in the first or earlier sale occurring prior to introduction of the merchandise into the United States. Per the statute and the interim regulations, this requirement set forth in § 141.61(g) expired on August 19, 2009.

In the interim rule document published on August 25, 2008, CBP informed the public that the agency intended to withdraw the proposed interpretation.

Withdrawal of Proposal

In accordance with its intent as stated in the interim rule, CBP withdraws the notice of proposed interpretation published in the **Federal Register** (73 FR 4254) on January 24, 2008.

Dated: September 24, 2010.

Alan Bersin,

Commissioner, U.S. Customs and Border Protection.
