

companies listed below, that engages either directly or through a subsidiary or other company, in a nonbanking activity that is listed in § 225.28 of Regulation Y (12 CFR 225.28) or that the Board has determined by Order to be closely related to banking and permissible for bank holding companies. Unless otherwise noted, these activities will be conducted throughout the United States.

Each notice is available for inspection at the Federal Reserve Bank indicated. The notice also will be available for inspection at the offices of the Board of Governors. Interested persons may express their views in writing on the question whether the proposal complies with the standards of section 4 of the BHC Act.

Unless otherwise noted, comments regarding the applications must be received at the Reserve Bank indicated or the offices of the Board of Governors not later than December 6, 2010.

A. Federal Reserve Bank of Richmond (A. Linwood Gill, III, Vice President) 701 East Byrd Street, Richmond, Virginia 23261-4528:

1. *Royal Bank of Canada*, Montreal, Canada; to acquire BlueBay Asset Management plc, London, England, and thereby indirectly acquire BlueBay Asset Management USA LLC, Darien, Connecticut, and thereby engage in financial and investment advisory activities, pursuant to section 225.28(b)(6)(iii) of Regulation Y.

B. Federal Reserve Bank of Kansas City (Dennis Denney, Assistant Vice President) 1 Memorial Drive, Kansas City, Missouri 64198-0001:

1. *Aslin Group, Inc.*, Overland Park, Kansas; to engage in servicing loans,

pursuant to section 225.28(b)(1) of Regulation Y.

2. *Aslin Capital I, LLC*, Cape Haze, Florida; to engage in servicing loans, pursuant to section 225.28(b)(1) of Regulation Y.

3. *Aslin Opportunity Fund BK, LP*, Cape Haze, Florida; to engage in servicing loans, pursuant to section 225.28(b)(1) of Regulation Y.

Board of Governors of the Federal Reserve System, November 16, 2010.

Robert deV. Frierson,

Deputy Secretary of the Board.

BILLING CODE 6210-01-P

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Administration for Children and Families

Submission for OMB Review; Comment Request

Title: Projects of National Significance—Family Support 360.

OMB No.: New collection.

Description: The Administration on Developmental Disabilities (ADD), part of the Administration for Children and Families (ACF), U.S. Department of Health and Human Services (HHS), funds the Projects National Significance Family Support 360 (FS 360) Initiative. As with any program of Federal assistance to the States, it is in the public's interest to determine the extent to which it has the desired impacts. To complete this task with scientific rigor, it will be necessary to collect high quality survey data from the

participants in the 17 funded programs across the nation.

ADD has already designed the instruments, methodologies, procedures, and analytical techniques for this task. Moreover, they have been pilot tested in 11 States. The tools and techniques were submitted for review, and were approved, by Institutional Review Boards for the Protection of Human Subjects (IRB) in those States in which IRB approval was necessary. The tools and techniques were repeatedly revised and improved, then applied successfully.

These instruments and methods are all aimed to answer the elementary scientific outcome questions: Are the participants in the FS 360 programs "better off" because of their participation? If so, how much, in what way(s), and at what public cost?

This information will inform public policy regarding the best methods to deliver important supports to families of individuals with developmental disabilities.

Respondents: The respondents are the families of and individuals with developmental disabilities who participate in the ADD Family Supports 360 grant programs at 17 sites across the nation. Ten of the sites are focused on military families, and the other seven are focused on civilian families. Each year will consist of a pre and post assessment. On an annual basis, it is expected that 680 participating families will be encouraged to participate. Of this number, it is estimated that interviews will be completed with 510 or 75 percent (some families may not give informed consent or may miss the appointment for interviews).

ANNUAL BURDEN ESTIMATES

Instrument	Number of respondents	Number of responses per respondent	Average burden hours per response	Total burden hours
The survey instrument is called the Impact Assessment for Family Support 360 Participants. It does not have a common acronym or ACF report number. It is a very brief two page protocol derived from twenty years of quality of life research in the developmental disabilities field.	680	1	0.52	353.60

Estimated Total Annual Burden Hours:

Additional Information: Copies of the proposed collection may be obtained by writing to the Administration for Children and Families, Office of Administration, Office of Information Services, 370 L'Enfant Promenade, SW., Washington, DC 20447, Attn: ACF Reports Clearance Officer. All requests should be identified by the title of the

information collection. E-mail address: infocollection@acf.hhs.gov.

OMB Comment: OMB is required to make a decision concerning the collection of information between 30 and 60 days after publication of this document in the **Federal Register**. Therefore, a comment is best assured of having its full effect if OMB receives it within 30 days of publication. Written comments and recommendations for the

proposed information collection should be sent directly to the following:

Office of Management and Budget, Paperwork Reduction Project, Fax: 202-395-7285, E-mail: OIRA_SUBMISSION@OMB.EOP.GOV, Attn: Desk Officer for the Administration for Children and Families.

Dated: November 16, 2010.

Robert Sargis,

Reports Clearance Officer.

BILLING CODE 4184–01–P

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Agency for Toxic Substances and Disease Registry

[ATSDR–267]

Availability of Draft Toxicological Profiles

AGENCY: Agency for Toxic Substances and Disease Registry (ATSDR), Department of Health and Human Services (DHHS).

ACTION: Notice of availability.

SUMMARY: This notice announces the availability of the Toxicological Profile for Toxaphene (Update) and the Toxicological Profile for Trichlorobenzenes for review and comment. We are seeking public comments for review and potential inclusion in the profiles. These comments can include additional information or reports on studies about the health effects of toxaphene and trichlorobenzenes. ATSDR remains committed to providing a public comment period for these documents to best serve public health and our clients.

The Comprehensive Environmental Response, Compensation, and Liability Act of 1980 (CERCLA), as amended by the Superfund Amendments and Reauthorization Act of 1986 (SARA), section 104(i)(3), [42 U.S.C. 9604(i)(3)], directs the ATSDR administrator to prepare toxicological profiles of priority hazardous substances and, as necessary, to revise and publish each updated toxicological profile.

DATES: To be considered, comments on these draft toxicological profiles must be received not later than February 25, 2011. Comments received after the close of the public comment period will be considered at the discretion of ATSDR, based upon what is deemed to be in the best interest of the general public.

ADDRESSES: Requests for printed copies of the draft toxicological profiles should be sent via e-mail to cdcinfo@cdc.gov, or to Ms. Olga Dawkins, Division of Toxicology and Environmental Medicine, Agency for Toxic Substances and Disease Registry, Mailstop F–62, 1600 Clifton Road, NE., Atlanta, Georgia 30333. Electronic access to these documents is also available at: <http://www.atsdr.cdc.gov/toxprofiles/index.asp>.

Written comments and other data submitted in response to this notice and to the draft toxicological profiles should bear the docket control number ATSDR–XXX. Send one copy of all comments and three copies of all supporting documents to the attention of Ms. Nickolette Roney, Division of Toxicology and Environmental Medicine, Agency for Toxic Substances and Disease Registry, Mailstop F–62, 1600 Clifton Road, NE., Atlanta, Georgia 30333, by the end of the comment period. Electronic comments may be sent via e-mail to:

tppubliccomments@cdc.gov. Please include toxaphene or trichlorobenzenes in the subject line of the e-mail. Because all public comments regarding ATSDR toxicological profiles are available for public inspection, no confidential business information or other confidential information should be submitted in response to this notice.

FOR FURTHER INFORMATION CONTACT: Ms. Olga Dawkins, Division of Toxicology and Environmental Medicine, Agency for Toxic Substances and Disease Registry, Mailstop F–62, 1600 Clifton Road, NE., Atlanta, Georgia 30333, telephone (770) 488–3315. Electronic access to this document is also available at: <http://www.atsdr.cdc.gov/toxprofiles/index.asp>.

Comments and other data submitted in response to this notice and the draft toxicological profiles should bear the docket control number ATSDR–267.

SUPPLEMENTARY INFORMATION: The Superfund Amendments and Reauthorization Act (SARA) (Pub. L. 99–499) amends the Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA or Superfund) (42 U.S.C. 9601 *et seq.*) by establishing certain responsibilities for ATSDR and the U.S. Environmental Protection Agency (U.S. EPA) with regard to hazardous substances most commonly found at facilities on the CERCLA National Priorities List (NPL). As part of these responsibilities, the ATSDR administrator must prepare toxicological profiles for substances enumerated on the priority list of hazardous substances. This list identifies 275 hazardous substances that, according to ATSDR and U.S. EPA, pose the most significant potential threat to human health. The availability of the revised priority list of 275 hazardous substances was announced in the **Federal Register** on March 6, 2008 (73 FR 12178). In addition, ATSDR has the authority to prepare toxicological profiles for substances not found at sites on the NPL, in an effort to “* * *

establish and maintain inventory of literature, research, and studies on the health effects of toxic substances” under CERCLA Section 104(i)(1)(B), to respond to requests for consultation under CERCLA Section 104(i)(4), and as otherwise necessary to support the site-specific response actions conducted by ATSDR.

Each profile will include an examination, a summary, and an interpretation of available toxicological information and epidemiological evaluations. This information and these data identify the levels of significant human exposure for the substances and for the associated health effects. The profiles must also include a determination of whether adequate information on the health effects of each substance is available or is being developed. If adequate information is not available, ATSDR, in cooperation with the National Toxicology Program (NTP), is required to ensure the initiation of research to determine such health effects.

Although ATSDR considered key studies for each of the substances during the profile development process, this **Federal Register** notice solicits any relevant, additional studies, particularly unpublished data and ongoing studies. ATSDR will evaluate such data or studies for possible addition to the profiles, now or in the future. All toxicological profiles issued as “Drafts for Public Comment” represent ATSDR’s best efforts to provide crucial toxicological information on priority hazardous substances.

The draft toxicological profiles will be made available to the public on or about October 17, 2010.

Hazardous substances	CAS No.
Toxaphene	8001–35–2
Trichlorobenzenes *	
1,2,3 Trichlorobenzene ..	87–61–6
1,2,4 Trichlorobenzene ..	120–82–1
1,3,5 Trichlorobenzene ..	108–70–3
Trichlorobenzene	12002–48–1

* Denotes new profile.

Dated: November 17, 2010.

Ken Rose,

Director, Office of Policy, Planning and Evaluation, National Center for Environmental Health/Agency for Toxic Substances and Disease Registry.
