[Docket No. FR–5634–N–01]

Changes in Certain Multifamily Housing and Health Care Facility Mortgage Insurance Premiums for Fiscal Year (FY) 2013

AGENCY: Office of the Assistant Secretary for Housing—Federal Housing Commissioner, HUD.

ACTION: Notice.

SUMMARY: In accordance with HUD regulations, this notice announces

changes of the mortgage insurance premiums (MIPs) for certain Federal Housing Administration (FHA) Multifamily Housing, Health Care Facilities, and Hospital Mortgage Insurance programs for commitments to be issued or reissued in FY 2013. The MIP for market-rate New Construction/Substantial Rehabilitation loans under Sections 207, 213, 220, 221(d)(4), 231, 232, and 242 is proposed to increase by 20 basis points and 223(a)(7) loans by 5 basis points; with a 15 basis point increase for all other market-rate multifamily housing, health care facility, and hospital loans. The increases will not apply to Low Income Housing Tax Credit Loans, other affordable housing loans for HUD-assisted properties, or loans insured under FHA's Risk Sharing programs. These MIP increases will not only provide additional protection for the GI/SRI fund and increase receipts to the Treasury, but will also encourage private lending to return to the market by ensuring FHA is not underpricing its risk. In addition to announcing MIPs for FY 2013, this notice also announces that a positive credit subsidy obligation will not be required in FY 2013 for loans under any of the active mortgage insurance programs for multifamily housing or health care facilities.

SUPPLEMENTARY INFORMATION:

I. Background

HUD's mortgage insurance regulation at 24 CFR 207.254 provides as follows:

Notice of future premium changes will be published in the **Federal Register**. The Department will propose MIP changes for multifamily mortgage insurance programs and provide a 30-day public comment period for the purpose of accepting comments on whether the proposed changes are appropriate.

Pursuant to this 30-day comment procedure, this notice announces changes for FY 2013 in the MIP for programs authorized under the National Housing Act (the Act) (12 U.S.C. 1709(c)(1)). These changes will not apply to loans combined with Low Income Housing Tax Credits, other affordable housing loans for HUD-assisted properties, or loans insured under FHA's Risk Sharing programs. "Other affordable housing loans for HUD-assisted properties" include those for properties with an active project-based Section 8 contract covering any of its units. These changes will be effective and apply to any Firm Commitments issued or reissued after October 1, 2012.

II. MIPs for FHA's Mortgage Insurance Programs for FY2013

In the chart set forth below, this Notice announces the MIPs which will be in effect during FY 2013 for the multifamily housing, health care facilities, and hospital mortgage insurance programs authorized under the National Housing Act (12 U.S.C. 1713 *et seq.*). The multifamily housing programs are administered by FHA's Office of Multifamily Housing Programs. The health care facilities and the hospital insurance programs are administered by FHA's Office of Healthcare Programs. The programs

administered by these offices are listed separately on the chart.

III. Positive Credit Subsidy

Positive credit subsidy will no longer be required for loans under any of the active mortgage insurance programs for multifamily housing or health care facilities. Beginning on October 1, 2012, commitments issued for Section 223(d) operating loss loans for health care

facilities and Section 241(a) supplemental loans to FHA-financed multifamily housing will be reported under the budget risk category of their respective, primary FHA mortgages, all of which will generate negative credit subsidy in FY 2013. In addition, the Department will suspend issuance and reissuance commitments under two other programs that had previously

required positive credit: Section 221(d)(3) multifamily housing loans for projects with non-profit sponsors or for Section 223(d) operating loss loans to multifamily housing projects with a primary FHA mortgage.

The mortgage insurance premiums to be in effect for FHA firm commitments issued or reissued in FY 2013 are shown in the chart below.
