The Charter for EPA's Pesticide Program Dialogue Committee (PPDC) was established under the Federal Advisory Committee Act (FACA), Public Law 92-463, in September 1995, and has been renewed every 2 years since that time. The purpose of PPDC is to provide advice and recommendations to the EPA Administrator on issues associated with pesticide regulatory development and reform initiatives, evolving public policy and program implementation issues, and science issues associated with evaluating and reducing risks from use of pesticides. It is determined that PPDC is in the public interest in connection with the performance of duties imposed on the Agency by law. Re: Notice of Debarment, File No. EB-11-IH-1582

Dear Dr. Bruno:

The Federal Communications Commission (Commission) hereby notifies you that, pursuant to Section 54.8 of its rules, you are prohibited from participating in the schools and libraries universal service support mechanism (E-Rate program) for three years from either the date of your receipt of this Notice of Debarment, or of its publication in the **Federal Register**, whichever is earlier in time (Debarment Date).¹

On November 18, 2011, the Commission's Enforcement Bureau (Bureau) sent you a Notice of Suspension and Initiation of Debarment Proceeding (Notice of Suspension)² that was published in the **Federal Register** on November 30, 2011.³ The Notice of Suspension suspended you from participating in activities associated with or relating to the E-Rate program and described the basis for initiating debarment proceedings against you, the applicable debarment procedures, and the effect of debarment.

As discussed in the Notice of Suspension, on May 9, 2011, you pled guilty to intentionally misappropriating approximately \$49,600 in federal education funds from the Department of Education's Fund for the Improvement of Education program in your capacity as Superintendent of the Glendale School District.⁴ Additionally, you admitted and stipulated in a plea agreement that you had conspired with others to fraudulently obtain \$414,421.92 from the E-Rate program.⁵ Pursuant to Section 54.8(c) of the Commission's rules, your conviction of criminal conduct in connection with the E-Rate program is the basis for your debarment.⁶
