* The Standards Council of Canada (SCC) voted to end its Laboratory Accreditation Program for Substance Abuse (LAPSA) effective May 12, 1998. Laboratories certified through that program were accredited to conduct forensic urine drug testing as required by U.S. Department of Transportation (DOT) regulations. As of that date, the certification of those accredited Canadian laboratories will continue under DOT authority. The responsibility for conducting quarterly performance testing plus periodic on-site inspections of those LAPSA-accredited laboratories was transferred to the U.S. HHS, with the HHS' NLCP contractor continuing to have an active role in the performance testing and laboratory inspection processes. Other Canadian laboratories wishing to be considered for the NLCP may apply directly to the NLCP contractor just as U.S. laboratories do.

Upon finding a Canadian laboratory to be qualified, HHS will recommend that DOT certify the laboratory (Federal Register, July 16, 1996) as meeting the minimum standards of the Mandatory Guidelines published in the **Federal Register** on April 30, 2010 (75 FR 22809). After receiving DOT certification, the laboratory will be included in the monthly list of HHS-certified laboratories and participate in the NLCP certification maintenance program.

Chemist, Division of Workplace Programs, Center for Substance Abuse Prevention, SAMHSA.

DEPARTMENT OF HOMELAND SECURITY

Coast Guard

[USCG-2011-0975]

National Maritime Security Advisory Committee

AGENCY: Coast Guard, DHS.

ACTION: Committee Management; Notice of Federal Advisory Committee Meeting; correction.

SUMMARY: The Coast Guard published in the **Federal Register** of May 1, 2012, a notice announcing a National Maritime Security Advisory Committee (NMSAC) partially closed public meeting on May 15-16, 2012, in the Washington, DC metropolitan area. This notice corrects that previous notice to add an explanation for why 15-days advance notice was not given.

DATES: The Committee will meet in closed session on Tuesday, May 15, 2012 from 9 a.m. to 11:30 a.m. and in open session on Tuesday, May 15, 2012

from 1 p.m. to 5 p.m. and Wednesday, May 16, 2012 from 9 a.m. to 12 p.m. This meeting may close early if all business is finished. Written material and requests to make oral presentations should reach us on or before May 9, 2012.

ADDRESSES: The Committee will meet in closed session at the National Maritime Intelligence Center and in open session at the American Bureau of Shipping, 1400 Key Blvd., Suite 800, Arlington, VA 22209.

FOR FURTHER INFORMATION CONTACT: Mr. Ryan Owens, ADFO of NMSAC, 2100 2nd Street SW., Stop 7581, Washington, DC 20593-7581; telephone 202-372-1108 or email ryan.f.owens@uscg.mil.

SUPPLEMENTARY INFORMATION: The Coast Guard's May 1, 2012 notice of the May 15-16, 2012, NMSAC meeting inadvertently failed to contain an explanation for its publication less than 15 calendar days prior to the meeting, as required by General Services Administration rules 41 CFR 102-3.150. The reason the notice was published only 14 calendar days prior to the meeting was an administrative delay due to publication schedule and extensive meeting preparation. The Coast Guard regrets the delay in publication, but notes that the notice was publicly available on the **Federal Register** Web site 13 calendar days prior to the meeting. Additionally, all known interested parties were made aware of the meeting with sufficient time for planning purposes.

It is critical that this meeting be held on the announced meeting date because the advisory committee members have limited availability for the remainder of the calendar year. Delays in committee discussions could have significant ramifications for ongoing Coast Guard studies and evaluations on the agenda for the upcoming meeting. Maintaining the current meeting schedule allows the Coast Guard to continue deliberations and make forward progress regarding multiple maritime security initiatives.

If you have been adversely affected by the delay in publishing the notice, contact Mr. Ryan Owens (see **FOR FURTHER INFORMATION CONTACT**) and the Coast Guard will make every effort to accommodate you.

Dated: April 30, 2012.

Michael W. Mumbach,

Acting Chief, Office of Regulations and Administrative Law (CG-0943), U.S. Coast Guard.
