Notice is hereby given that on May 10, 2012, a proposed Consent Decree in *United States v. City of Unalaska and State of Alaska*, Civ. A. No. 3:11-cv-00133-HRH, was lodged with the United States Court for the District of Alaska.

The Complaint filed in this action in June 2011 asserts claims against the City of Unalaska under Sections 301 and 309 of the Clean Water Act, 33 U.S.C. 1311 and 1319, arising from the City's violation of the National Pollution Discharge Elimination System Permit ("NPDES Permit") for its wastewater treatment plant. The Consent Decree requires the City to construct and operate four upgrades to its wastewater treatment system that will enable it to comply with the permit, which include upgrading its treatment plant to chemically enhanced primary treatment. In addition to requiring the City to comply with the NPDES permit, the consent decree requires the City to adhere to a limit for fecal coliform bacteria that is more stringent than the permit limit until at least mid-2020. The City also will pay a \$340,000 civil penalty.

SUPPLEMENTARY INFORMATION:

Community policing is a philosophy that promotes organizational strategies, which support the systematic use of partnerships and problem-solving techniques to proactively address the immediate conditions that give rise to public safety issues such as crime, social disorder, and fear of crime.

COPS advances the practice of community policing in America's state, local, and tribal law enforcement agencies through information-sharing and grant-making. The knowledge resource products available from COPS provide essential information in the form of best practices for law enforcement, problem-oriented policing guides addressing crime-related problems, and publications composed by subject-matter experts on topics ranging from bullying in schools to computer mapping.

The COPS Online Ordering System facilitates the distribution of free COPS knowledge resource products and updates (e.g., publications, best practices guides, etc.) on a wide range of community policing topics, and it authorizes system users to effectively search, integrate, display, maintain and record information in support of the COPS's community policing mission.

In accordance with 5 U.S.C. 552a(r), the Department has provided a report to OMB and to Congress on this system of records.
