[Release No. 34-67528; File No. SR-ISE-2012-67]

Self-Regulatory Organizations; International Securities Exchange, LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Amend ISE Rule 2128 To Extend the Pilot Program Until February 4, 2013

July 27, 2012.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the “Act”),¹ and Rule 19b-4 thereunder,² notice is hereby given that on July 18, 2012, the International Securities Exchange, LLC (the “Exchange” or “ISE”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I and II below, which items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend Rule 2128 (Clearly Erroneous Trades) to extend the expiration of the pilot rule.

The text of the proposed rule change is available on the Exchange’s Internet Web site at <http://www.ise.com>, at the principal office of the Exchange, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The self-regulatory organization has prepared summaries, set forth in Sections A, B and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend ISE Rule 2128 (Clearly Erroneous Trades) to extend the expiration of the pilot rule. Amendments to ISE Rule 2128 to provide for uniform treatment of certain clearly erroneous execution reviews and transactions that occur before a trading pause is in effect on the Exchange were approved by the Securities and Exchange Commission (“Commission”) on September 10, 2010 on a pilot basis to end on April 11, 2011.³ The Exchange then extended this pilot to expire upon the earlier of August 11, 2011 or the date on which the limit up/limit down mechanism to address extraordinary market volatility applies.⁴ The Exchange then extended the pilot to January 31, 2012⁵ and, once again, extended the pilot to July 31, 2012.⁶ The Exchange now proposes to extend the date by which this pilot rule will expire to February 4, 2013. Extending this pilot program will provide the exchanges with a continued opportunity to assess the effect of this rule proposal on the markets.

2. Statutory Basis

The statutory basis for the proposed rule change is Section 6(b)(5) of the Act,⁷ which requires the rules of an exchange to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market and a national market system and, in general, to protect investors and the public interest. The proposed rule change also is designed to support the principles of Section 11A(a)(1)⁸ of the Act in that it seeks to assure fair competition among brokers and dealers and among exchange markets. The Exchange believes that the proposed rule meets these requirements in that it promotes uniformity across markets concerning decisions relating to clearly

erroneous trades in a security when there are significant price movements. Additionally, extending this pilot rule will allow this pilot to act as a stop-gap until the limit up/limit down mechanism to address extraordinary market volatility becomes operative on February 4, 2013.

B. Self-Regulatory Organization’s Statement on Burden on Competition

The proposed rule change does not impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization’s Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

The Exchange has not solicited, and does not intend to solicit, comments on this proposed rule change. The Exchange has not received any unsolicited written comments from members or other interested parties.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The Exchange has filed the proposed rule change pursuant to Section 19(b)(3)(A)(iii) of the Act⁹ and Rule 19b-4(f)(6) thereunder.¹⁰ Because the proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative prior to 30 days from the date on which it was filed, or such shorter time as the Commission may designate, if consistent with the protection of investors and the public interest, the proposed rule change has become effective pursuant to Section 19(b)(3)(A) of the Act¹¹ and Rule 19b-4(f)(6)(iii) thereunder.¹²

A proposed rule change filed under Rule 19b-4(f)(6)¹³ normally does not become operative for 30 days after the date of filing. However, pursuant to Rule 19b-4(f)(6)(iii)¹⁴ the Commission may designate a shorter time if such action is consistent with the protection of investors and the public interest. The

¹² 17 CFR 240.19b-4(f)(6). In addition, Rule 19b-4(f)(6)(iii) requires the Exchange to give the Commission written notice of the Exchange’s intent to file the proposed rule change along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Exchange has satisfied this requirement.

Exchange has asked the Commission to waive the 30-day operative delay so that the proposal may become operative immediately upon filing.

The Commission believes that waiving the 30-day operative delay is consistent with the protection of investors and the public interest, as it will allow the pilot program to continue uninterrupted, thereby avoiding the investor confusion that could result from a temporary interruption in the pilot program. For this reason, the Commission designates the proposed rule change to be operative upon filing.¹⁵

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

[Release No. 34-67533; File No. SR-CME-2012-31]

Self-Regulatory Organizations; Chicago Mercantile Exchange, Inc.; Notice of Filing and Order Granting Accelerated Approval of Proposed Rule Change To Make Clarifying Changes to CME Rule 819 and Certain Chapter 8F Rules

July 30, 2012.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on July 25, 2012, the Chicago Mercantile Exchange, Inc. ("CME") filed with the Securities and Exchange Commission ("Commission") the proposed rule change described in Items I and II below, which items have been prepared primarily by CME. The Commission is publishing this Notice and Order to solicit comments on the proposed rule change from interested persons and to approve the proposed rule change on an accelerated basis.

¹⁶ 17 CFR 200.30-3(a)(12).

¹ 15 U.S.C. 78s(b)(1).

² 17 CFR 240.19b-4.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

CME proposes to make clarifying changes to CME Rule 819 and certain Chapter 8F Rules. The text of the proposed rule change is available at the CME's Web site at <http://www.cmegroup.com>, at the principal office of CME, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, CME included statements concerning the purpose and basis for the proposed rule changes and discussed any comments it received on the proposed rule changes. The text of these statements and comments may be examined at the places specified in Item III below. CME has prepared summaries, set forth in sections A, B and C below, of the most significant aspects of these statements.³

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

CME proposes to make certain clarifying changes to CME Rule 819, 8F002, 8F004 and 8F008. The proposed changes do not affect CME's credit default swap clearing ("CDS") offering. The proposed effective date for the revisions is August 1, 2012.

In order to clarify that the lien on collateral held by the CME clearing house includes both property of clearing members and customer performance bond, CME proposes to change language in both CME Rule 819 and Rule 8F008. The clarifying language is intended to align CME Rules 819 and 8F008 with current CME Rule 8H008, which governs CDS clearing and states, in pertinent part: "Each CDS Clearing Member hereby grants to the Clearing House a first priority and unencumbered lien to secure all obligations of such CDS Clearing Member to the Clearing House against any property and collateral deposited with the Clearing House by the CDS Clearing Member."

In addition, CME proposes to revise CME Rule 8F004 in order to: (a) Clarify that the minimum capital requirements for firms that clear credit default swaps and/or interest rate swaps are not governed by Rule 8F004 but rather by current Rules 8G004 and 8H004; and (b)

³ The Commission has modified the text of the summaries prepared by CME.

¹⁵ For purposes only of waiving the 30-day operative delay, the Commission has also considered the proposed rule's impact on efficiency, competition, and capital formation. See 15 U.S.C. 78c(f).
