

Department's regulations require the Department to issue the preliminary results of a review within 245 days after the last day of the anniversary month of the order or suspension agreement for which the administrative review was requested, and the final results of the review within 120 days after the date on which the notice of the preliminary results is published in the **Federal Register**. However, if the Department determines that it is not practicable to complete the review within the aforementioned specified time limits, section 751(a)(3)(A) of the Act and section 351.213(h)(2) of the Department's regulations allow the Department to extend the 245-day period to 365 days and to extend the 120-day period to 180 days.

The Department finds that it requires additional time to complete the preliminary results of the administrative review of chlorinated isos from the PRC. Specifically, the Department requires further time to select an appropriate surrogate country and analyze data sources for over forty factors of production. Therefore, because the Department finds that it is not practicable to complete the review within the original deadlines, the Department is extending the time period for completion of the preliminary results of this review from 245 days to 365 days. The revised deadline for the preliminary results of this administrative review is now no later than June 29, 2012.

This notice is issued and published in accordance with sections 751(a)(3)(A) and 777(i)(1) of the Act.

Dated: January 25, 2012.

Christian Marsh,

Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

Certain Frozen Warmwater Shrimp From the Socialist Republic of Vietnam: Initiation and Preliminary Results of Changed Circumstances Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: In response to a request for a changed circumstances review ("CCR") of C. P. Vietnam Corporation, the Department of Commerce (the

"Department") is initiating a CCR of the antidumping duty order on certain frozen warmwater shrimp from the Socialist Republic of Vietnam ("Vietnam"). We have preliminarily concluded that C. P. Vietnam Corporation is the successor-in-interest to C. P. Vietnam Livestock Corporation, and, as a result, should be accorded the same treatment previously accorded to C. P. Vietnam Livestock Corporation with regard to the antidumping duty order on certain frozen warmwater shrimp from Vietnam. Interested parties are invited to comment on these preliminary results.

DATES: *Effective Date:* February 1, 2012.

FOR FURTHER INFORMATION CONTACT: Jerry Huang at (202) 482-4047, AD/CVD Operations, Office 9, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230.

SUPPLEMENTARY INFORMATION:

Background

The Department published the antidumping duty order on certain frozen warmwater shrimp from Vietnam on February 1, 2005.¹ C.P. Vietnam Livestock Co., Ltd. was granted separate rate status in the original investigation and the second administrative review.² In July 2008, during the fourth administrative review, the company converted from a limited liability company into a joint stock company, changing its name to C. P. Vietnam Livestock Corporation.³ In September 2011, C. P. Vietnam Livestock Corporation changed its name to C. P. Vietnam Corporation, eliminating the word "Livestock." On December 13, 2011, C. P. Vietnam Corporation requested that the Department conduct a CCR to confirm that C. P. Vietnam Corporation is the successor-in-interest to C. P. Vietnam Livestock Corporation, for purposes of determining antidumping duties due as a result of the *VN Shrimp Order*.

Scope of the Order⁴

The scope of the order includes certain warmwater shrimp and prawns, whether frozen, wild-caught (ocean harvested) or farm-raised (produced by aquaculture), head-on or head-off, shell-on or peeled, tail-on or tail-off,⁵ deveined or not deveined, cooked or raw, or otherwise processed in frozen form.

The frozen warmwater shrimp and prawn products included in the scope of this order, regardless of definitions in the Harmonized Tariff Schedule of the United States ("HTS"), are products which are processed from warmwater shrimp and prawns through freezing and which are sold in any count size.

The products described above may be processed from any species of warmwater shrimp and prawns. Warmwater shrimp and prawns are generally classified in, but are not limited to, the *Penaeidae* family. Some examples of the farmed and wild-caught warmwater species include, but are not limited to, whiteleg shrimp (*Penaeus vannamei*), banana prawn (*Penaeus merguensis*), fleshy prawn (*Penaeus chinensis*), giant river prawn (*Macrobrachium rosenbergii*), giant tiger prawn (*Penaeus monodon*), redspotted shrimp (*Penaeus brasiliensis*), southern brown shrimp (*Penaeus subtilis*), southern pink shrimp (*Penaeus notialis*), southern rough shrimp (*Trachypenaeus curvirostris*), southern white shrimp (*Penaeus schmitti*), blue shrimp (*Penaeus stylirostris*), western white shrimp (*Penaeus occidentalis*), and Indian white prawn (*Penaeus indicus*).

Frozen shrimp and prawns that are packed with marinade, spices or sauce are included in the scope of this order. In addition, food preparations (including dusted shrimp), which are not "prepared meals," that contain more than 20 percent by weight of shrimp or prawn are also included in the scope of this order.

Excluded from the scope are: (1) Breaded shrimp and prawns (HTS subheading 1605.20.10.20); (2) shrimp and prawns generally classified in the Pandalidae family and commonly referred to as coldwater shrimp, in any state of processing; (3) fresh shrimp and prawns whether shell-on or peeled (HTS subheadings 0306.23.00.20 and 0306.23.00.40); (4) shrimp and prawns

in prepared meals (HTS subheading 1605.20.05.10); (5) dried shrimp and prawns; (6) Lee Kum Kee's shrimp sauce;⁶ (7) canned warmwater shrimp and prawns (HTS subheading 1605.20.10.40); and (8) certain battered shrimp. Battered shrimp is a shrimp-based product: (1) That is produced from fresh (or thawed-from-frozen) and peeled shrimp; (2) to which a "dusting" layer of rice or wheat flour of at least 95 percent purity has been applied; (3) with the entire surface of the shrimp flesh thoroughly and evenly coated with the flour; (4) with the non-shrimp content of the end product constituting between four and 10

The products covered by the order are currently classified under the following HTS subheadings: 0306.13.0003, 0306.13.0006, 0306.13.0009, 0306.13.0012, 0306.13.0015, 0306.13.0018, 0306.13.0021, 0306.13.0024, 0306.13.0027, 0306.13.0040, 1605.20.1010 and 1605.20.1030. These HTS subheadings are provided for convenience and for customs purposes only and are not dispositive, but rather the written description of the scope of the order is dispositive.

Initiation and Preliminary Results of Changed Circumstances Review

Pursuant to section 751(b)(1) of the Tariff Act of 1930, as amended ("the Act"), and

19 CFR 351.216, the Department will conduct a CCR upon receipt of information concerning, or a request from an interested party for a review of, an antidumping duty order which shows changed circumstances sufficient to warrant a review of the order. The information submitted by C. P. Vietnam Corporation supporting its claim that C. P. Vietnam Corporation is the successor-in-interest to C. P. Vietnam Livestock Corporation, demonstrates changed circumstances sufficient to warrant such a review.⁷

In accordance with the above-referenced regulation, the Department is initiating a CCR to determine whether C. P. Vietnam Corporation is the successor-

in-interest to C. P. Vietnam Livestock Corporation. In determining whether one company is the successor-in-interest to another, the Department examines a number of factors including, but not limited to, changes in management, production facilities, supplier relationships, and customer base.⁸ Although no single factor will necessarily provide a dispositive indication of succession, generally, the Department will consider one company to be a successor-in-interest to another company if its resulting operation is similar to that of its predecessor.⁹ Thus, if the evidence demonstrates that with respect to the production and sale of the subject merchandise, the new company operates as the same business entity as the prior company, the Department will assign the new company the cash-deposit rate of its predecessor.¹⁰

In its December 13, 2011, submission, C. P. Vietnam Corporation provided information to demonstrate that it is the successor-in-interest to C. P. Vietnam Livestock Corporation. With respect to management prior to and following the name change, the submission indicates that there has been no change in management, and the management structure has been unaffected by the change in the company's name.¹¹ In addition, the submission indicates that the production facilities and equipment used by C. P. Vietnam Corporation and C. P. Vietnam Livestock Corporation are identical. Following the name change, C. P. Vietnam Corporation retained the same physical address and equipment as C. P. Vietnam Livestock Corporation.¹² Furthermore, C. P. Vietnam Corporation has continued to use all of the same raw shrimp and packing materials suppliers that C. P. Vietnam Livestock Corporation used prior to the name change.¹³ Finally, C. P. Vietnam Corporation states that it has

maintained the same U.S. customer base as C. P. Vietnam Livestock Corporation, listing the names of its U.S. customers.¹⁴ Given the continuity noted above, we have preliminarily determined that no material change has occurred with respect to C. P. Vietnam Livestock Corporation's management, production facilities, suppliers, or customer base as a result of the name change to C. P. Vietnam Corporation.

When it concludes that expedited action is warranted, the Department may publish the notice of initiation and preliminary results for a CCR concurrently.¹⁵ We have determined that expedition of this CCR is warranted because we have the information necessary to make a preliminary finding already on the record.¹⁶ In this case, we preliminarily find that C. P. Vietnam Corporation is the successor-in-interest to C. P. Vietnam Livestock Corporation and, as such, is entitled to C. P. Vietnam Livestock Corporation's cash-deposit rate with respect to entries of subject merchandise.

Should our final results remain the same as these preliminary results, effective the date of publication of the final results, we will instruct U.S. Customs and Border Protection to assign entries of merchandise produced or exported by C. P. Vietnam Corporation the antidumping duty cash-deposit rate applicable to C. P. Vietnam Livestock Corporation.
