

computer operation personnel,⁵ with 110 hours spent by a general clerk and 110 hours spent by a senior computer operator. Based on these estimates, our staff estimates that the total annual burden for all funds to comply with rule 31a-2 is 766,480 hours.⁶

The hour burden estimates for retaining records under rule 31a-2 are based on our experience with registrants and our experience with similar requirements under the Act and the rules under the Act. The number of burden hours may vary depending on, among other things, the complexity of the fund, the issues faced by the fund, and the number of series and classes of the fund.

Based on conversations with representatives of the fund industry and past estimates, our staff estimates that the average cost of preserving books and records required by rule 31a-2 is approximately \$70,000 annually per fund. As discussed previously, there are 3,484 funds currently operating, for a total cost of preserving records as required by rule 31a-2 of approximately \$243,880,000 per year.⁷ Our staff understands, however, based on previous conversations with representatives of the fund industry, that funds would already spend approximately half of this amount (\$121,940,000) to preserve these same books and records, as they are also necessary to prepare financial statements, meet various state reporting requirements, and prepare their annual federal and state income tax returns. Therefore, we estimate that the total annual cost burden for all funds as a result of compliance with rule 31a-2 is approximately \$121,940,000 per year.

The estimate of average burden hours is made solely for the purposes of the Paperwork Reduction Act, and is not derived from a comprehensive or even a representative survey or study of the costs of Commission rules and forms.

The collection of information under rule 31a-2 is mandatory for all funds. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number.

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper

performance of the functions of the Commission, including whether the information will have practical utility; (b) the accuracy of the Commission's estimate of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

Proposed Collection; Comment Request

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of Investor Education and Advocacy, Washington, DC 20549-0213.

Extension:

Form N-3, SEC File No. 270-281, OMB Control No. 3235-0316.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (the "Commission") is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget for extension and approval.

The title for the collection of information is "Form N-3 (17 CFR 239.17a and 274.11b) under the Securities Act of 1933 (15 U.S.C. 77) and under the Investment Company Act of 1940 (15 U.S.C. 80a), Registration Statement of Separate Accounts Organized as Management Investment Companies." Form N-3 is the form used by separate accounts offering variable annuity contracts which are organized as management investment companies to register under the Investment

Company Act of 1940 ("Investment Company Act") and/or to register their securities under the Securities Act of 1933 ("Securities Act"). Form N-3 is also the form used to file a registration statement under the Securities Act (and any amendments thereto) for variable annuity contracts funded by separate accounts which would be required to be registered under the Investment Company Act as management investment companies except for the exclusion provided by Section 3(c)(11) of the Investment Company Act (15 U.S.C. 80a-3(c)(11)). Section 5 of the Securities Act (15 U.S.C. 77e) requires the filing of a registration statement prior to the offer of securities to the public and that the statement be effective before any securities are sold, and Section 8 of the Investment Company Act (15 U.S.C. 80a-8) requires a separate account to register as an investment company.

Form N-3 also permits separate accounts offering variable annuity contracts which are organized as investment companies to provide investors with a prospectus and a statement of additional information covering essential information about the separate account when it makes an initial or additional offering of its securities. Section 5(b) of the Securities Act requires that investors be provided with a prospectus containing the information required in a registration statement prior to the sale or at the time of confirmation or delivery of the securities. The form also may be used by the Commission in its regulatory review, inspection, and policy-making roles.

Commission staff estimates that there are zero initial registration statements and 7 post-effective amendments to initial registration statements filed on Form N-3 annually and that the average number of portfolios referenced in each post-effective amendment is 2. The Commission further estimates that the hour burden for preparing and filing a post-effective amendment on Form N-3 is 155.2 hours per portfolio. The total annual hour burden for preparing and filing post-effective amendments is 2172.8 hours (7 post-effective amendments × 2 portfolios × 155.2 hours per portfolio). The estimated annual hour burden for preparing and filing initial registration statements is 0 hours. The total annual hour burden for Form N-3, therefore, is estimated to be 2172.8 hours (2172.8 hours + 0 hours).

The information collection requirements imposed by Form N-3 are mandatory. Responses to the collection of information will not be kept confidential. An agency may not conduct or sponsor, and a person is not

⁵ However, the hour burden may be incurred by a variety of fund staff, and the type of staff position used for compliance with the rule may vary widely from fund to fund.

⁶ This estimate is based on the following calculations: 3,484 funds × 220 hours = 766,480 total hours.

⁷ This estimate is based on the following calculation: 3,484 funds × \$70,000 = \$243,880,000.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-67704; File No. SR-C2-2012-028]

Self-Regulatory Organizations; C2 Options Exchange, Incorporated; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change To Amend the Fees Schedule

August 22, 2012.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the "Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on August 16, 2012, C2 Options Exchange, Incorporated (the "Exchange" or "C2") filed with the Securities and Exchange Commission (the "Commission") the proposed rule change as described in Items I, II and III below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend its Fees Schedule. The text of the proposed rule change is available on the Exchange's Web site (<http://www.c2exchange.com/Legal/>), at the Exchange's Office of the Secretary, and at the Commission's Public Reference Room.

¹ 15 U.S.C. 78s(b)(1).

² 17 CFR 240.19b-4.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to make clarifying, non-substantive changes to its Fees Schedule in order to make it easier to comprehend for market participants. On August 3, 2012, the Exchange proposed to begin referring to "straight, one-sided orders" as "simple orders".³ Investors generally refer to orders as either "simple" or "complex" and the terminology "straight, one-sided orders" is not as commonly-known. Since simple orders are straight, one-sided orders, the Exchange proposed to call "straight, one-sided orders" "simple orders" in order to make the Fees Schedule easier for investors to understand. The Exchange further proposed to clarify that such orders are not complex orders (to which a separate set of fees apply) by referring to simple orders as "simple, non-complex" orders. However, in that proposal, the Exchange only changed some, but not all, references to "straight, one-sided orders" to "simple, non-complex orders". The Exchange hereby proposes to change the remaining references on the Fees Schedule to "straight, one-sided orders" to "simple, non-complex orders" in order to alleviate any potential confusion.

2. Statutory Basis

The Exchange believes the proposed rule change is consistent with the Act and the rules and regulations thereunder applicable to the Exchange and, in particular, the requirements of Section 6(b) of the Act.⁴ Specifically, the Exchange believes the proposed rule change is consistent with the Section
